AAIB Recommendations	N/A
Other Investigation Recommendations	N/A
Any Other Document	N/A

Authorized Amendment
Summary / Overview of the amendment to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.
The Regulated Community is reminded to check this amendment against any applicable AAMC, Waivers or Exemptions to ensure their ongoing validity.
The Manual of Military Airworthiness Recognition (MMAR) has been updated to reflect RA 5010 - Type Airworthiness Strategy as the reference for DE&S Type Airworthiness Strategy replacing RA 1220 - Delivery Team Airworthiness and Safety. In addition, the update has clarified the comparison of another nation's regulatory framework in the Recognition activity, and implementing a number of minor typographical amendments.
