# Updated data for indicators included in March 2023 publication

Data for the indicators listed below is added to the PHOF data tool as part of the March update – see <https://fingertips.phe.org.uk/profile/public-health-outcomes-framework>

## Domain A - Overarching Indicators

| Indicator name                  | Time period added | New or updated indicator      | Geographies included                                  | Inequality data               | Age      | Already in public domain in exact format | Calculated by |
|---------------------------------|-------------------|-------------------------------|---|-------------------------------|----------|--|---------------|
| A01b - Life expectancy at birth | 2021              | Updated with single year data | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | All ages | Yes                                      | ONS           |
| A01b - Life expectancy at 65    | 2021              | Updated with single year data | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | 65       | Yes                                      | ONS           |

## Domain C - Health Improvement

| Indicator name   | Time period added        | New or updated indicator | Geographies included  | Inequality data   | Age            | Already in public domain in exact format | Calculated by                                    |
|--|--------------------------|--------------------------|---|---|----------------|--|--|
| C05a - Baby's first feed breastmilk  | April 2020 to March 2021 | Updated                  | England<br>Region<br>County and<br>UA                       | Deprivation deciles<br>Ethnic groups<br>Age of Mother<br>Complex Social factors (mother)<br>Prematurity | Newborn        | Yes                                      | OHID, using data provided by NHS Digital         |
| C11a - Hospital admissions caused by unintentional and deliberate injuries in children (aged 0-14 years) | April 2021 to March 2022 | Updated                  | England<br>Region<br>County and<br>UA<br>District and<br>UA | Deprivation deciles<br>Gender   | Under 15 years | No                                       | OHID, using data provided by NHS Digital and ONS |
| C11a - Hospital admissions caused by unintentional and deliberate injuries in children (aged 0-4 years)  | April 2021 to March 2022 | Updated                  | England<br>Region<br>County and<br>UA<br>District and<br>UA | Deprivation deciles<br>Gender   | 0 to 4 years   | No                                       | OHID, using data provided by NHS Digital and ONS |
| C11b - Hospital admissions caused by unintentional and deliberate injuries in young                      | April 2021 to March 2022 | Updated                  | England<br>Region<br>County and<br>UA                       | Deprivation deciles<br>Gender   | 15 to 24 years | No                                       | OHID, using data provided by NHS Digital         |

| <b>Indicator name</b>   | <b>Time period added</b> | <b>New or updated indicator</b> | <b>Geographies included</b>                           | <b>Inequality data</b>   | <b>Age</b>        | <b>Already in public domain in exact format</b> | <b>Calculated by</b>                             |
|---|--------------------------|---------------------------------|---|--|-------------------|---|--|
| people (aged 15-24 years)   |                          |                                 | District and UA                                       |  |                   |   | and ONS  |
| C14b - Emergency Hospital Admissions for Intentional Self-Harm  | April 2021 to March 2022 | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender  | All ages          | No  | OHID, using data provided by NHS Digital and ONS |
| C21 - Admission episodes for alcohol-related conditions (Narrow): New method. This indicator uses a new set of attributable fractions, and so differ from that originally published | April 2021 to March 2022 | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender  | All ages          | No  | OHID, using data provided by ONS and NHS Digital |
| C27 - Percentage reporting a long term Musculoskeletal (MSK) problem  | 2022                     | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Ethnic groups<br>Religion<br>Sexuality<br>Working status<br>Age<br>Gender | 16 years and over | No  | OHID, using data provided by NHS Digital         |
| C29 - Emergency hospital admissions due to falls in   | April 2021 to March      | Updated                         | England<br>Region                                     | Deprivation deciles  | 65 years and over | No  | OHID, using data                                 |

| <b>Indicator name</b>   | <b>Time period added</b> | <b>New or updated indicator</b> | <b>Geographies included</b>                           | <b>Inequality data</b>        | <b>Age</b>        | <b>Already in public domain in exact format</b> | <b>Calculated by</b>                             |
|---|--------------------------|---------------------------------|---|-------------------------------|-------------------|---|--|
| people aged 65 and over   | 2022                     |                                 | County and UA<br>District and UA                      | Gender                        |                   |   | provided by NHS Digital and ONS                  |
| C29 - Emergency hospital admissions due to falls in people aged 65-79 | April 2021 to March 2022 | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | 65 to 79 years    | No  | OHID, using data provided by NHS Digital and ONS |
| C29 - Emergency hospital admissions due to falls in people aged 80+   | April 2021 to March 2022 | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | 80 years and over | No  | OHID, using data provided by NHS Digital and ONS |

#### **Domain E - Healthcare and premature mortality Indicators**

| <b>Indicator name</b>       | <b>Time period added</b> | <b>New or updated indicator</b> | <b>Geographies included</b> | <b>Inequality data</b> | <b>Age</b>       | <b>Already in public domain in exact format</b> | <b>Calculated by</b> |
|-----------------------------|--------------------------|---------------------------------|-----------------------------|------------------------|------------------|---|----------------------|
| E01 - Infant mortality rate | 2019 to 2021             | Updated                         | England<br>Region           | Deprivation deciles    | Less than 1 year | No  | OHID, from data      |

| <b>Indicator name</b>  | <b>Time period added</b> | <b>New or updated indicator</b> | <b>Geographies included</b>                           | <b>Inequality data</b>        | <b>Age</b>         | <b>Already in public domain in exact format</b> | <b>Calculated by</b>             |
|--|--------------------------|---------------------------------|---|-------------------------------|--------------------|---|----------------------------------|
|  |                          |                                 | County and UA<br>District and UA                      |                               |                    |   | provided by ONS                  |
| E03 - Under 75 mortality rate from causes considered preventable                   | 2021                     | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | Less than 75 years | No  | OHID, using data provided by ONS |
| E04a - Under 75 mortality rate from all cardiovascular diseases                    | 2021                     | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | Less than 75 years | No  | OHID, using data provided by ONS |
| E04b - Under 75 mortality rate from cardiovascular diseases considered preventable | 2021                     | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation deciles<br>Gender | Less than 75 years | No  | OHID, using data provided by ONS |
| E05a - Under 75 mortality  | 2021                     | Updated                         | England   | Deprivation                   | Less than          | No  | OHID,                            |

| <b>Indicator name</b>  | <b>Time period added</b> | <b>New or updated indicator</b> | <b>Geographies included</b>                           | <b>Inequality data</b>           | <b>Age</b>         | <b>Already in public domain in exact format</b> | <b>Calculated by</b>             |
|--|--------------------------|---------------------------------|---|----------------------------------|--------------------|---|----------------------------------|
| rate from cancer   |                          |                                 | Region<br>County and UA<br>District and UA            | deciles<br>Gender                | 75 years           |   | using data provided by ONS       |
| E05b - Under 75 mortality rate from cancer considered preventable        | 2021                     | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation<br>deciles<br>Gender | Less than 75 years | No  | OHID, using data provided by ONS |
| E06a - Under 75 mortality rate from liver disease                        | 2021                     | Updated                         | England<br>Region<br>County and UA<br>District and UA | Deprivation<br>deciles<br>Gender | Less than 75 years | No  | OHID, using data provided by ONS |
