

Cheltenham Borough Council

What does the rule relate to?	Rule / change	Live example (before and after)
Place of inspection	To increase the ability for self-service, the value in 'Place of inspection' (also 'Source information') field has been amended to a relevant web address for most charge types	Before: <i>Legal Services, Cheltenham & Tewkesbury Borough Council</i> After: <i>www.onelegal.org.uk</i>
Tree preservation orders	Like other charge types, tree preservation orders will only be revealed if they are included in the search area extent. This is due to the spatial-only search functionality employed on the HMLR register which is different from the address-based search used at the Local Authority
