Version 04/2025

# Application for permission to stay with a close relative in the UK as a child under Appendix Child Relative (Appendix CRP)

#### Duty to state all reasons to remain in the United Kingdom

All your reasons or grounds for wishing to stay in the United Kingdom must be stated in this application. This requirement is being given under section 120 of the Nationality, Immigration and Asylum Act 2002. If you do not tell us now of any reasons or grounds for remaining in the United Kingdom and you tell us later without good reason, you will lose any right of appeal you may have otherwise qualified for if we refuse your claim. You can use the box at the end of section 7.

Applications on this form must be made by post. You must send your application form, and any other documents to support this application to the following address:

FLR (P) AFCC
CSU
Level 0 Riverside
The Capital building
Old Hall Street
Liverpool
L3 9PP

Posting your FLR (P) application to any other address will mean that your application has not been received by the decision making team and will be considered as void.

This address is only to be used when sending your application.

If you use Recorded or Special Delivery, this will help us to record the receipt of your application. Make sure that you keep the Recorded or Special Delivery number. We will return your passport and other documents by Recorded Delivery. If you would like them to be returned by Special Delivery, you must provide a prepaid Special Delivery envelope which is large enough.

The Home Office will use the personal information you provide to consider your application. We may also share your information with other public and private sector organisations in the UK and overseas. For more detail please see the Privacy Notice for the Border, Immigration and Citizenship system at <a href="www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship">www.gov.uk/government/publications/personal-information-use-in-borders-immigration-and-citizenship</a>. This also sets out your rights under the Data Protection Act 2018 and explains how you can access your personal information and complain if you have concerns about how we are using it.

Child under the age of 18 of a relative with protection status in the UK but who has not yet settled

As part of the application process, you are also applying for an eVisa

This form is valid only for applications made on or after 09 April 2025

## Payment guidance

#### Who may apply?

The FLR (P) form must be used by individuals applying for permission to stay under Appendix Child Relative (sponsors with protection) (Appendix CRP). This route is for a child under the age of 18 seeking to stay with a close relative with protection status in the UK who has not yet settled.

The Immigration Rules set out the requirements you must meet in order to make a valid application for permission to stay in the UK as a child staying with or joining a close relative (Appendix CRP). Further information can be found at: <a href="https://www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-child-staying-with-or-joining-a-non-parent-relative-protection">www.gov.uk/guidance/immigration-rules/immigration-rules-appendix-child-staying-with-or-joining-a-non-parent-relative-protection</a>

#### Fees

The current specified fee for an application made on FLR(P) is £1,321.

You must also pay the Immigration Health Surcharge (IHS). You will not pay the IHS when you submit your application, when payment of the IHS is required, we will contact you to make the payment. The amount of IHS you need to pay is in line with the remaining permission your sponsor has in the UK. For example, if your sponsor with refugee status has 24 months permission to stay in the UK remaining, you will be required to pay 24 months IHS. If you are under the age of 18, the IHS is paid at the reduced rate.

If you cannot afford the FLR (P) application or IHS fee and wish to submit a fee waiver request to waive the fee or fees, you must submit a paper fee waiver request alongside this FLR (P) application form.

The paper fee waiver request form can be found on our website: <a href="www.gov.uk/government/publications/application-to-extend-stay-in-uk-as-child-of-a-refugee">www.gov.uk/government/publications/application-to-extend-stay-in-uk-as-child-of-a-refugee</a> and further information about the IHS fee can be found on our website at: <a href="www.gov.uk/healthcare-immigration-application">www.gov.uk/healthcare-immigration-application</a>

Fee waiver requests will be considered before the main application is assessed. When we have considered your fee waiver application, we will contact you to notify you of the decision and explain what you need to do next.

If you are required to pay the fees, we cannot begin the consideration process of your FLR (P) application until the payment has cleared. We allow 5 working days for payments made by cheque to clear, credit/debit cards and postal orders will clear immediately.

The fee charged is for the processing and consideration of the application, regardless of the outcome of the application. If your application contains errors or is missing information it may be rejected as invalid. Your application will not be considered and your fee will be refunded less an administration fee of £28 for each person included in the application.

When making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can

happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application. Please be aware that not all banks offer this service.

#### **Biometric enrolment**

As part of your application you may be required to enrol your biometric information. We will tell you how to enrol your biometrics at a service and support centre (SCC).

#### **Definitions**

For the purposes of answering questions 6.7 to 6.12, the following information provides guidance on actions which may constitute war crimes, crimes against humanity, genocide, or terrorist activities. This guidance is not exhaustive. The full definitions of war crimes, crimes against humanity and genocide can be found in Schedule 8 of the International Criminal Court Act 2001 at <a href="https://www.legislation.gov.uk/ukpga/2001/17/schedule/8">www.legislation.gov.uk/ukpga/2001/17/schedule/8</a> or purchased from The Stationery Office (telephone 0870 600 5522). It is your responsibility to satisfy yourself that you are familiar with the definitions and can answer the questions accurately.

#### War crimes

Grave breaches of the Geneva Conventions committed during an armed conflict. This includes an internal armed conflict and an international armed conflict. The types of acts that **may** constitute a war crime include wilful killing, torture, extensive destruction of property not justified by military necessity, unlawful deportation, the intentional targeting of civilians and the taking of hostages.

#### **Crimes against humanity**

Acts committed at any time (not just during armed conflict) as part of a widespread or systematic attack, directed against any civilian population with knowledge of the attack. This would include offences such as murder, torture, rape, severe deprivation of liberty in violation of fundamental rules of international law and enforced disappearance of persons.

#### Genocide

Acts committed with intent to destroy, in whole or in part, a national, ethnical, racial or religious group.

#### Terrorist activities

Any act committed, or the threat of action, designed to influence a government or intimidate the public and made for the purposes of advancing a political, religious or ideological cause and that involves serious violence against a person; that may endanger another person's life; creates a serious risk to the health or safety of the public; involves serious damage to property; is designed to seriously disrupt or interfere with an electronic system.

## Organisations concerned in terrorism

An organisation is concerned in terrorism if it commits or participates in acts of terrorism; prepares for terrorism; promotes or encourages terrorism (including the unlawful glorification of terrorism); or is otherwise concerned in terrorism.
