Subject: 0017 Proposed new road layout for Tilekiln Lane leading to 1256.

Dear Sirs

Please accept this letter as an objection to the proposed new road layout for Tilekiln Lane leading the B1256.

This proposal is OF NO BENEFIT whatsoever to the residents or local traffic and will cause absolute mayhem whilst under construction.

I believe this is the 4th attempt of proposing this and so far it has been rejected.

Kind regards

Mandy Jaye
