A breakdown of the successful Levelling Up Fund Round Two bids by investment theme

When submitting bids, applicants were asked to identify the percentage of LUF investment themes within a bid. This information is set out below. Applicants were asked to define this according to project costs associated with activity in support of each theme. For example, if 75% of a bid's total value contained project costs associated with activity in support of a regeneration output or outcome, with 25% costs associated with activity in support of a culture output or outcome, it would be defined as being a 75% regeneration and 25% culture bid.
