we object to wren because there will be increased noise, air and light pollution
Damage to flora/fauna/wildlife
Excess traffic through a village with little pavement is dangerous for non vehicle use.
Accomodate more vehicle movement the village is ~~still~~ already a cut-through for the M11 and busier at times with the M11 roundabout, and the people using the New J8 M11.
This is a residential area - not an industrial one it is not suited to 24/7 industrial operation.
