The village has huge amounts of traffic coming through it, there are frequent accidents outside my house when lorries hit each other or cars, this development will lead to worse traffic through the village, more damage to the roads & more accidents. The wildlife in the green belt area will be at further threat, and the neighbouring houses will be living next to an industrial site.

I confirm that I have requested my application be sent to PINS by someone on my behalf as I am unable to submit online. These will be scanned and sent to the case officer and the originals will be sent to PINS on my behalf. I further confirm that the views are my personal views.
