*i believe it would be detrimental to the village.  
The traffic is already increased with people driving at  
Speed damaging the flora / wildlife - especially now  
many people use when the m11 is having roadworks.  
- Extremely dangerous to non vehicle users and already  
We have issues with going for a walk as no pavements +  
more traffic - so already it's dangerous. The road  
is not suited to commercial vehicles.*
