Subject: Section 62A Planning Application: S62A/2023/0017 - Land at Tilekiln Green, Start Hill, Great Hallingbury

I object to this application on the major issues stated below:

- High traffic congestion
- Noise pollution levels will be high with residential home's extremely close by
- Obstruction of views from the residential homes
- Daylight and sunlight for all residential homes opposite
- Disruption to wildlife
- Drainage issues for the surrounding areas
- Air pollution with the large number of industrial vehicles that will be used
- Loss of privacy
- Large impact on Waste and Recycling
- Light pollution from the external lighting that will affect all residential homes within the area
- Site is located within the Countryside Protection Zone

Thanks,

Taylor
