**COUNCIL'S REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2022**

---

The Council presents its report and the financial statements for the year ended 31 December 2022.

**STATEMENT OF PRINCIPAL EXECUTIVE COUNCIL'S RESPONSIBILITIES**

The Principal Executive Council is required under the constitution to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Union and its excess of income over expenditure for that period. The Principal Executive Council have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under the Union constitution the Council must not approve the financial statements unless satisfied that they give a true and fair view of the state of affairs of the Union and of the surplus or deficit of the Union for that period. In preparing these financial statements, the Council is required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Union will continue in operation.

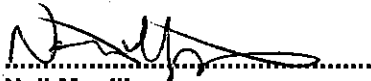

The Principal Executive Council is responsible for keeping adequate accounting records that are sufficient to show and explain the Union's transactions and disclose with reasonable accuracy at any time the financial position of the Union and enable them to ensure that the financial statements comply with the Trade Union and Labour Relations (Consolidation) Act 1992. They are also responsible for safeguarding the assets of the Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**DISCLOSURE OF INFORMATION TO AUDITORS**

The Council at the time when this report is approved has confirmed that:

- so far as the Council is aware, there is no relevant audit information of which the Union's auditors are unaware, and
- the Council has taken all the steps that ought to have been taken as a Council in order to be aware of any relevant audit information and to establish that the Union's auditors are aware of that information.

This report was approved by the Council and signed on its behalf.

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ACCORD

---

#### OPINION

We have audited the financial statements of Accord (the 'Union') for the year ended 31 December 2022, which comprise the Statement of comprehensive income, the Balance sheet, the Statement of changes in equity and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2022 and of its surplus or deficit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of sections 28 to 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

#### BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Council's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Council with respect to going concern are described in the relevant sections of this report.

## ACCORD

---

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ACCORD (CONTINUED)

---

#### OTHER INFORMATION

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' report thereon. The Council is responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Council's report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Council's report has been prepared in accordance with applicable legal requirements.

#### MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

In the light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the Council's report.

We have nothing to report in respect of the following matters in relation to which our engagement requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Council's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## ACCORD

---

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ACCORD (CONTINUED)

---

#### RESPONSIBILITIES OF PRINCIPAL EXECUTIVE COUNCIL

As explained more fully in the Council's responsibilities statement set out on page 1, the Council is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Council is responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intends to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

#### AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Discussions with and enquiries of management and those charged with governance were held with a view to identifying those laws and regulations that could be expected to have a material impact on the financial statements. During the engagement team briefing, the outcomes of these discussions and enquiries were shared with the team, as well as consideration as to where and how fraud may occur in the entity.

The following laws and regulations were identified as being of significance to the entity:

- Those laws and regulations considered to have a direct effect on the financial statements include UK financial reporting standards and Tax and Pensions legislation.
- Those laws and regulations for which non-compliance may be fundamental to the operating aspects of the union and therefore may have a material effect on the financial statements include trade union legislation, and data protection laws.

Audit procedures undertaken in response to the potential risks relating to irregularities (which include fraud and non-compliance with laws and regulations) comprised of: inquiries of management and those charged with governance as to whether the entity complies with such laws and regulations; enquiries with the same concerning any actual or potential litigation or claims; inspection of relevant legal correspondence; review of Council minutes; testing the appropriateness of journal entries; and the performance of analytical review to identify unexpected movements in account balances which may be indicative of fraud.

No instances of material non-compliance were identified. However, the likelihood of detecting irregularities, including fraud, is limited by the inherent difficulty in detecting irregularities, the effectiveness of the entity's controls, and the nature, timing and extent of the audit procedures performed. Irregularities that result from fraud might be inherently more difficult to detect than irregularities that result from error. As explained above, there is an unavoidable risk that material misstatements may not be detected, even though the audit has been planned and performed in accordance with ISAs (UK).

---

**ACCORD**

---

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF ACCORD (CONTINUED)**

---

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the Union's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Union's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the Union to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**USE OF OUR REPORT**

This report is made solely to the Union's members, as a body, in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Union's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Union and the Union's members, as a body, for our audit work, for this report, or for the opinions we have formed.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

---

#### 1. CONSTITUTION

The Union was formed on 1 August 1977. Membership is open to all employees of Lloyds Banking Group plc, which is to include any subsidiary or merged organization and any limited company or firm owned by or under the control of Lloyds Banking Group plc, or other such employers as the Principal Executive Council shall from time to time determine. The Union represents the interests of its members in all matters relating to their employment.

The Union is registered as an independent trade union affiliated to the TUC and the Scottish TUC. The Union has received its Certificate of Independence under the Trade Union and Labour Relations (Consolidation) Act 1992.

The registered office of the Union can be found on the union information page. The principal activities of the Union continued to be provision of advice, support and guidance for its members, as set by the Rules and Constitution 2018.

#### 2. ACCOUNTING POLICIES

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland.

The presentational and functional currency of the Union is Sterling.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Union's accounting policies (see note 3).

The following principal accounting policies have been applied:

##### 2.2 Going concern

The financial statements have been prepared on the going concern basis.

##### 2.3 Income

Income is recognised to the extent that it is probable that the economic benefits will flow to the Union and the income can be reliably measured. Income is measured as the fair value of the consideration received or receivable, excluding discounts, rebates and other sales taxes. The following criteria must also be met before income is recognised:

Income from subscriptions is recognised in the period in which subscription is due from the member and when all of the following conditions are satisfied:

- the amount of income can be measured reliably;
- it is probable that the Union will receive the consideration due under the subscription.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

---

## 2. ACCOUNTING POLICIES (CONTINUED)

### 2.4 Intangible assets

Intangible assets are initially recognised at cost. After recognition, under the cost model, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

All intangible assets are considered to have a finite useful life. If a reliable estimate of the useful life cannot be made, the useful life shall not exceed ten years.

### 2.5 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Freehold property	- 50 years
Motor vehicles	- 4 years
Fixtures and fittings	- 3-4 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

### 2.6 Investment property

Investment property is carried at fair value determined annually and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific asset. No depreciation is provided. Changes in fair value are recognised in the Statement of comprehensive income.

Investment properties are held within Tangible Fixed Assets on the face of the balance sheet.

### 2.7 Valuation of investments

Investments in unlisted Union shares, whose market value can be reliably determined, are remeasured to market value at each balance sheet date. Gains and losses on remeasurement are recognised in the Statement of comprehensive income for the period. Where market value cannot be reliably determined, such investments are stated at historic cost less impairment.

Listed investments are remeasured to market value at each Balance sheet date. Gains and losses on remeasurement are recognised in profit or loss for the period.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

---

## 2. ACCOUNTING POLICIES (CONTINUED)

### 2.8 Debtors

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

### 2.9 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

### 2.10 Financial instruments

The Union only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade debtors and creditors, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or in case of an out-right short-term loan that is not at market rate, the financial asset or liability is measured, initially at the present value of future cash flows discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost, unless it qualifies as a loan from a director in the case of a small company, or a public benefit entity concessionary loan.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

### 2.11 Creditors

Short-term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

### 2.12 Pensions

#### Defined contribution pension plan

The Union operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Union pays fixed contributions into a separate entity. Once the contributions have been paid the Union has no further payment obligations.

The contributions are recognised as an expense in profit or loss when they fall due. Amounts not paid are shown in accruals as a liability in the Balance sheet. The assets of the plan are held separately from the Union in independently administered funds.

**2. ACCOUNTING POLICIES (CONTINUED)**

**2.13 Taxation**

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the balance sheet date in the countries where the Union operates and generates income.

**3. JUDGMENTS IN APPLYING ACCOUNTING POLICIES AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. The nature of estimation means the actual outcomes could differ from those estimates. The following judgments have had the most significant effect on the amounts recognised in the financial statements:

- depreciation and amortisation rates adopted.
- valuation of the investment property at open market value.
- valuation of fixed asset investments at the market value at the balance sheet date.

**4. ANALYSIS OF INCOME**

An analysis of turnover by class of business is as follows:

	2022	2021
	£	£
Membership subscriptions	2,201,088	2,392,664
Rent receivable	4,200	2,700
Dividends and interest receivable	9,789	6,933

**15. RESERVES**

**Accumulated funds - Fair value reserve**

The balance in the fair value reserve arises from the restatement of fixed asset investments to market value at the balance sheet date.

**Accumulated funds - revaluation reserve**

The balance in the investment property revaluation reserve is the surplus on the revaluation of the investment property since 2015.

**Accumulated funds - general**

The balance in the general funds represents the total remaining reserves of the Union.

**16. PENSION COMMITMENTS**

The Union operates a defined contributions pension scheme. The assets of the scheme are held separately from those of the Union in an independently administered fund. The pension cost charge represents contributions payable by the Union to the fund and amounted to £53,688 (2021: £50,595). Contributions totalling £5,652 (2021: £4,957) were payable to the fund at the balance sheet date.

**17. COMMITMENTS UNDER OPERATING LEASES**

At 31 December 2022 the Union had future minimum lease payments due under non-cancellable operating leases for each of the following periods:

	2022	2021
	£	£
Not later than 1 year	28,628	-
Later than 1 year and not later than 5 years	53,077	-
