

Use these notes to help you fill in the Employment pages of your tax return

Fill in the 'Employment' page if you:

- work for an employer who deducts tax through PAYE
- received income as a company director
- hold an office such as a chairperson, secretary or treasurer and received an income for that work
- work for one person through another company or partnership
- received foreign income from a job, directorship or office

Income received as a sub-contractor in the construction industry must be included in the 'Self-employment' pages, not in the 'Employment' page.

You'll need to fill in a separate 'Employment' page for each job, directorship or office you held in the year.

Employment income and details

You can find out what you've earned and the tax you paid from your:

- P45, 'Details of employee leaving work'
- P60, 'End of Year Certificate'

Any employer that you work for on 5 April 2023 must give you a P60 by 31 May 2023.

Box 1 Pay from this employment

Use the figures from your P45 or P60 to fill in box 1.

If you received furlough payments, your P45 or P60 will include these payments.

If you left a job during the year, put the figure from the 'Total pay in this employment' section on your P45 in box 1. If you have a P60, put the figure in the 'In this employment' section in box 1.

If you had more than one job in the tax year, your P60 may show this. Put those details on a separate 'Employment' page.

Check the pay figures on your P45 or P60 before including them. If you received any payments after your employer gave you a P45 or P60, these should also be included in box 1.

If you work for one person through another company or partnership, for example, agency work, and would be an employee of that person if the company or partnership did not exist, put this pay in box 1 and any tax taken off in box 2.

i For information about supplying services through a company or partnership go to www.gov.uk/topic/business-tax/ir35

Negative earnings

If you've had to pay back money to your employer due to a contractual agreement (often known as claw back), reduce the amount of pay in box 1 by the amount paid back.

If the result is a negative amount, enter zero in box 1.

Include the negative amount, but as a positive figure, in the 'Post-cessation trade relief and certain other losses' box, box 6 in the 'Other Tax Reliefs' section on page Ai2 of the Additional information page (SA101).

Enter a note to explain why you've done this in box 19 'Any other information' on the SA100.

Disguised remuneration loans

Disguised remuneration tax avoidance schemes claim to avoid the need to pay Income Tax and National Insurance contributions. They normally involve a loan or other payment from a third-party which is unlikely to ever be repaid.

Include in box 1 any disguised remuneration loans received from this employment in the 2022 to 2023 tax year.

Include in box 2 any amount of tax on that amount which your employer has paid to HMRC on your behalf under PAYE.

Box 2 UK tax taken off pay in box 1

If you paid tax on your employment income, put the amount in box 2. If the amount of tax deducted on your P60 has an 'R' next to it, put a minus sign in the shaded box in front of your figure.

Do not include any foreign tax in box 2.

Put any tips and gratuities that you did not receive from your employer in box 3.

Box 4 PAYE tax reference of your employer

You can find this on your P45 or P60. If your employer does not have a PAYE tax reference, write 'None' in box 4.

- a partnership

If not, your employer must give you details of your benefits and expenses on a form P11D, 'Expenses and benefits'. Put the details from your P11D in boxes 9 to 20. Each box number on form P11D corresponds to the same box number in this section.

All benefits and expenses provided add to your income and can include:

- company cars and fuel

Fixed deductions are amounts of flat rate expenses that cover the costs of maintaining or replacing tools or special work clothes.

This figure may be on your P2, 'PAYE Coding Notice'. If it is, put that total amount in box 18.

Flat rate expenses allow you to claim tax relief for a standard amount (a 'flat rate') each tax year. The amount you can claim depends on your job and the industry you work in.
