## **EXPLANATORY NOTE**

*(This note is not part of the Approval)*

Section 20 of the Road Traffic Offenders Act 1988 provides for the admissibility in evidence of records from prescribed devices. Such devices must be of a description prescribed by the Secretary of State and of a type approved by him for the purpose of that section. By the Road Traffic Offenders (Prescribed Devices) Order 1993 (S.I.1993/1698), the Secretary of State prescribed devices designed or adapted for recording a measurement of the speed of motor vehicles activated by means of a light beam or beams. This approval approves as from the 17 February 2003 for the purpose of the detection of speeding offences the type of device set out in the Schedule subject to a condition as to its use.
