UK permanent residents

If a visa national is permanently resident in the UK they do not need a visa, as long as they return to the UK within two years of their last departure.

If a visa national has a 'certificate of entitlement to the right of abode' label in their valid passport they do not need a visa.

Holders of non-national and refugee travel documents

If the passenger holds a refugee travel document issued by the UK they do not need a visa. If the passenger holds any other non-national or refugee travel document they need a visa to enter the UK. **Whether holders of non-national and refugee travel documents require a direct airside transit visa (DATV) depends on their original nationality, and whether they qualify for one of the exemptions listed above.
