**Information requested**

**I am currently working on an ongoing court case and would appreciate if you could provide me with the following information;**

**How many pages should a 2001 issued passport contain?**

UK passports contain either 32 pages (standard passport) or 48 pages (business passport)

**Images of a 2001 passport, including images of the front cover and from pages 28-32 (or back cover)**

I am unable to insert an image of page 28/29, but have attached images of the passport front cover, pages 30-32 and the rear endpaper. Please note that pages 28/29 will be identical in appearance to page 30, including the watermark design but with the exception of the page numbers.

***NB The data page as per the attachment is that of a specimen passport issued in 1998, however, the attached images pertain to the UK passport that was issued in 2001.***

**Which page the data page should be present on.**

The data page is located on page 31 (standard passport) or page 47 (business passport).
