

## Annex B – SRP amendments

### Home Office

<b>SRP #</b>	<b>November text</b>	<b>New text</b>	<b>Reason for change</b>
2.4(iii)	Further to the initial report on remuneration and conditions of service, continue the review and make recommendations on matters of longer term reform End: Jun 2011	Further to the initial report on remuneration and conditions of service, continue the review and make recommendations on matters of longer term reform End: Jan 2012	Tom Winsor asked for the completion date to be moved to January 2012. This will allow a full 12-week period of consultation for police partners and ensure that the wide range of issues relating to long-term reform of police remuneration and conditions are given the consideration they deserve.
2.6(vi)	Introduce legislation, if necessary, in the second session of Parliament to implement changes to alcohol pricing	Work with other government departments to implement a ban on below cost sales and introduce legislation, if necessary, in the second session of Parliament to implement changes to alcohol pricing	To accurately reproduce the wording of the coalition commitment and reflect the collaboration with other departments required by cabinet government.
3.3(iii)	3.3(ii) Develop and publish plans to spread best practice and information on which techniques are most effective for use by communities, police, their partners and sentencers at preventing and cutting crime, working with the Ministry of Justice	Develop and publish plans to spread best practice and information on which techniques are most effective for use by communities, police, their partners and sentencers at preventing and cutting crime, working with the Ministry of Justice, including publication of the Integrated Offender Management investment toolkit and Integrated Offender Management National Conference	To provide some examples of nature of the support and tools that will be provided to meet this objective.
4.2 and 4.2(i)	4.2 Strengthen the system of granting student visas to reduce abuse and net migration (i) Review the student visa system and bring forward proposals to prevent abuse and reduce numbers	4.2 Strengthen the system of granting student visas to reduce abuse with the likely consequence of reducing net migration (i) Review the student visa system and bring forward proposals to prevent abuse with the likely consequence of reducing net migration	To provide additional clarification.

4.4	Set an annual limit on the number of non-EU economic migrants admitted to the UK, reducing annual net migration to the tens of thousands	Set an annual limit on the number of non-EU economic migrants admitted to the UK. As a result of this and other policies we anticipate net migration will be in the tens of thousands in future	To provide additional clarification.
5.2	Introduce safeguards against the misuse of counter-terrorism and security legislation	Review counter-terrorism and security legislation and implement recommendations to ensure it is necessary, effective and proportionate	To provide additional clarification.
5.2(ii)	Implement key recommendations Start: Jan 2011 End: Nov 2011	(ii) Pass legislation in relation to Terrorism Prevention and Investigation Measures (TPIMs) End: Dec 2011 (iii) Pass legislation through the Protection of Freedoms Bill on other key recommendations in relation to pre-charge detention, stop and search powers and local authority use of surveillance powers End: Mar 2012	To provide additional clarification
5.3(i)	Develop and publish proposals for the storage and acquisition of internet and email records End: Dec 2010	Develop and publish proposals for the storage and acquisition of internet and e-mail records End: Apr 2012	The action to “Develop and publish proposals for the storage and acquisition of internet and e-mail records” has now been moved from December 2010 to April 2012. Work to develop proposals for the storage and acquisition of internet and email records is underway and legislation will be brought forward subject to parliamentary timetable and approvals.
5.3(ii)	Implement key proposals, including introducing legislation if necessary	Implement key proposals for the storage and acquisition of internet and email records, including introducing legislation as necessary	To provide additional clarification
6.2(ii)	Implement key recommendations, including any required operational changes	Implement key recommendations, in relation to strengthening our approach to winning cases in court	To provide additional clarification

6.5	Make changes to pre-departure checks to better identify people pose a terrorist threat and prevent them flying to or from the UK	Make changes to pre-departure checks to better identify people and cargo that pose a terrorist threat and prevent them flying to or from the UK	To expand the scope of the action, which was previously restricted to work on people who pose a terrorist threat (following the attempted attack on Detroit), to include the programme of work we have drawn up in the Aviation Security Review to mitigate the threat from cargo and goods, following the attempted cargo bomb attacks.
6.6	Strengthen the UK's protection against and ability to respond to a terrorist attack, including enhancing the nation's resilience	Strengthen the UK's protection against and ability to respond to a terrorist attack	Reference to 'Including strengthening the nation's resilience' has been removed as this work is being taken forward by the Cabinet Office through the National Resilience Programme. Prepare remains a key strand of CONTEST.
