

Survey of Expenditure by Primary Care Trusts on Hospice/Specialist Palliative Care Services for the Year 2006/07

Information is required in respect of the following elements of hospice/specialist palliative care services:

1. Voluntary and NHS managed hospices and specialist palliative care units that provide a range of specialist palliative care services in both in-patient and community settings.
2. Any other specialist palliative care community services not included in 1. above.
3. Any other specialist palliative care services in the hospital setting not included in 1. above.
4. Any other expenditure on specialist palliative care services not included in the above three categories.

Table 1. Voluntary and NHS managed hospice and specialist palliative care units in both in-patient and community settings

Name of Voluntary Hospice	Expenditure by PCT in 2006/07	Name of NHS Hospice/Specialist Palliative Care Unit	Expenditure by PCT in 2006/07
Total		Total	

Note:

- a) Record the total expenditure by the PCT in respect of each hospice or specialist palliative care unit that provides services for the PCT population.

Table 2. Any other specialist palliative care community services not included in Table 1 above.

Name of NHS managed service	Expenditure by PCT in 2006/07	Name of Voluntary Managed Service	Expenditure by PCT in 2006/07
Total		Total	

Note:

- a) Expenditure should be included in respect of any NHS managed specialist palliative care community team not included in Table 1 or any voluntary managed team e.g. Marie Curie Nursing Service.

Table 3 Any other specialist palliative care services provided in the hospital setting not included in Table 1 above

Name of Team/Service	Expenditure by the PCT in 2006/07
Total	

Note:

- a) This Table is intended to include expenditure on Specialist Palliative Care Hospital Support Teams
- b) Given that expenditure by acute trusts on these services is non-tariff, it is recognised that exact details may not be readily available. If that is the case, please provide an estimate of costs based on the staff costs of any teams that provide services to PCT residents.

Table 4 Any other expenditure on specialist palliative care services not included in Tables 1, 2 or 3

Name/Type of Service	Expenditure by the PCT in 2006/07
Total	

Explanatory Notes

Please provide any explanatory notes in respect of any of the above Tables as you consider necessary.
