# Policy documents, guidance and reports

## Departments of State and other governmental bodies

*(in chronological order)*

Sidell et al. Dying in Nursing and Residential Homes for Older People: examining the case for palliative care. Report for the Department of Health. Milton Keynes: Open University (1997)

First assessments: a review of District Nurse services in England and Wales. Audit Commission, London (1999)

National Service Framework for Mental Health: modern standards and service models. Department of Health, London, England (September 1999)

Care Standards Act (Chapter 14) (2000)

The role of the voluntary and community sector in service delivery – a cross cutting review. HM Treasury, London, England (2000)

National Service Framework for Coronary Heart Disease: modern standards and service models. Department of Health, London, England (March 2000)

The NHS Plan: The Government's response to the Royal Commission on Long Term Care. Department of Health, London, England (July 2000)

The NHS Cancer Plan: A plan for investment; a plan for reform. Department of Health, London, England (September 2000)

Raising standards for patients: new partnerships in out-of-hours care. An independent review of GP out-of-hours services in England commissioned by the Department of Health. Department of Health, London, England (October 2000)

Care Homes Regulations 2001 (SI 2001 No 3965)

National Service Framework for Older People. Department of Health, London, England (March 2001)

Seeking our Future Health: Taking a Long-Term View [the Wanless Report]. HM Treasury, London, England (April 2002)

Care Homes for Older People: National Minimum Standards. Care Homes Regulations, 3rd Edition. Department of Health, London, England (2003)

Death Certification and Investigation in England, Wales and Northern Ireland. The Report of a Fundamental Review 2003. Home Office (June 2003)

NHS Chaplaincy: Meeting the religious and spiritual needs of patients and staff. Department of Health, London, England (November 2003)

Building on the Best: Choice, Responsiveness and Equity in the NHS. Department of Health, London, England (December 2003)

Mortality Statistics. Office for National Statistics (2004)

No problems – old and quiet: Older prisoners in England and Wales. A thematic review by HM Chief Inspector of Prisons (2004)

National Service Framework for Renal Services. Department of Health, London, England (January 2004 and following)

Unpacking the patients' perspective: Variations in NHS patient experience in England. Commission for Health Improvement (February 2004)

Improving Supportive and Palliative Care for Adults with Cancer. National Institute for Health and Clinical Excellence (March 2004)

Gysels M, Higginson IJ. Improving supportive and palliative care for adults with cancer: Research Evidence. London: National Institute of Clinical Excellence (2004)

Standards for Better Health. Department of Health, London, England (July 2004)

House of Commons Health Committee: Palliative Care. Fourth Report of Session 2003–04 (July 2004)

Government Response to the House of Commons Health Committee Report on Palliative Care. Fourth Report of Session 2003–04 (September 2004)

Delivering the Out-of Hours Review: Securing proper access to medicines in the out-of-hours period – a practical guide for PCTs and organised providers. Department of Health, London, England (December 2004)

Mortality Statistics (DH2 No. 32). Office for National Statistics (2005)

The Mental Capacity Act 2005. The Stationery Office

Long Term (Neurological) Conditions National Service Framework. Department of Health, London, England (March 2005)

Survey of bereavement care and other support services. Department of Health, London, England (July 2005)

Variations in the experiences of patients in England: Analysis of the Healthcare Commission's 2003/2004 national surveys of patients. Healthcare Commission (October 2005)

When a patient dies: Advice on developing bereavement services in the NHS. Department of Health, London, England (October 2005)

A National Framework to Support Local Workforce Strategy and development – A Guide for HR Directors in the NHS and Social Care. Department of Health, London, England (December 2005)

The State of Social Care in England 2004/05 Report. Commission for Social Care Inspection (December 2005)

Allen R. Statistics on deaths reported to coroners, England and Wales, 2005. London: Department of Constitutional Affairs, London, England (2006)

Improving financial relationships with the third sector: Guidance to funders and purchasers. HM Treasury, London, England (2006)

Our Health, Our Care, Our Say: a new direction for community services. Department of Health. London, England (January 2006)

A New Ambition for Old Age: Next Steps in Implementing the National Service Framework for Older People (Dignity in Care for Older People). Department of Health, London, England (April 2006)

What to do after a death in England and Wales. A guide to what you must do and the help you can get. Department for Work and Pensions, London, England (April 2006)

Addington-Hall J, Shipman C, Burt J, Ream E, Beynon T, Richardson A. Evaluation of the education and support programme for district and community nurses in the principles and practice of palliative care. King's College, London, for the Department of Health, London, England (July 2006)

Our health, our care, our community: investing in the future of community hospitals and services. Department of Health, London, England (July 2006)

Care and respect in death: Good practice guidance for NHS mortuary staff. Department of Health, London, England (August 2006)

Help is at hand: a resource for people bereaved by suicide and other sudden, traumatic death. Department of Health, London, England (September 2006)

Strong and Prosperous Communities: The Local Government White Paper. Department for Communities and Local Government, London, England (October 2006)

Diabetes Commissioning Toolkit. Department of Health, London, England (November 2006)

The future regulation of health and adult social care in England. Department of Health consultation document (November 2006) (closed 28 February 2007)

Variations in the experiences of patients using the NHS services in England: Analysis of the Healthcare Commission's 2004/2005 survey of patients. Healthcare Commission (November 2006)

Care and resource utilisation: ensuring appropriateness of care. Department of Health, London, England (December 2006)

Human rights: human lives: a handbook for public authorities. Department for Constitutional Affairs, London, England (December 2006)

Improving Stroke Services: a guide for commissioners. Department of Health, London, England (December 2006)

Allen R. Statistics on deaths reported to coroners, England and Wales, 2006. London: Department of Constitutional Affairs, London, England (2007)

Improving services and support for people with dementia. National Audit Office, England (2007)

Lee S. Making decisions: The Independent Mental Capacity Advocate (IMCA) Service (The Mental Capacity Act 2005). Speaking Up. Publisher: The Mental Capacity Implementation Programme (2007)

Spotlight on complaints. A report on second-stage complaints about the NHS in England. Healthcare Commission (January 2007)

Making decisions: A guide for people who work in health and social care (The Mental Capacity Act 2005). National Care Association. Publisher: The Mental Capacity Implementation Programme (February 2007)

Sudden Death and the Coroner. Department of Health, London, England. (February 2007)

Commissioning Framework for Health and Well-being. Department of Health consultation document (March 2007) (closed 28 May 2007)

Lyons Inquiry into Local Government. Place-shaping: a shared ambition for the future of local government. The Stationery Office (March 2007)

Options for the Future of Payment by Results: 2008/09 to 2010/11. Department of Health consultation document. (March 2007) (closed 22 June 2007)

Dame Denise Platt. The Status of Social Care – A Review 2007. Department of Health, London, England (April 2007)

Operating Framework 2007/08: PCT baseline review of services for end of life care. Department of Health, London, England (Gateway Reference 8116) (April 2007)

Bereavement: A guide for transsexual, transgender people and their loved ones. Department of Health, London, England (May 2007)

Palliative care services for children and young people in England: an independent review for the Secretary of State for Health. Professor Sir Alan Craft and Sue Killen. Department of Health, London, England (May 2007)

A New Deal for Carers. Department of Health consultation document (June 2007) (closed September 2007)

The National Framework for NHS Continuing Healthcare and NHS-funded Nursing Care. Department of Health, London, England (June 2007)

Health and Social Care Outcomes and Accountability Framework (2008/09 – 2010/11). Department of Health consultation document (June 2007) (closed 27 July 2007)

Consultation on Improving the Process of Death Certification. Department of Health consultation document (July 2007) (closed October 2007)

Improving services and support for people with dementia. National Audit Office. ISBN 9780102945614 (July 2007)

Pushing the boundaries. Improving services for people with heart failure. Healthcare Commission (July 2007)
