• Ninth year of survey
• 57 licensees invited to comment
• 39 of those have responded – thank you to everyone for your efforts
• These responses cover 455 reports of deals
• This is a better response rate than last year
• 101 deals included infrastructure responses
• No assessment of matched deals has been carried out
SUMMARY OF INITIAL FINDINGS – BASIC DATA

The chart shows trends from 2004 to 2010 for different categories:
- Timetable set
- Timetable met
- Review
- Commitment
- Overall
• Improvement on ‘Timetable set’ and ‘Post Activity Review’

• Deterioration in ‘Timetable met’, ‘Management commitment’ and ‘Overall CCoP compliance’

• Less deterioration if blank data is removed

• Overall compliance with Commercial Code is 62% (basic data) or 86% (with blank data removed)
  – PILOT target is 90%
