I am writing to confirm that the Scotland Office has now completed its search for information.

The Scotland Office is included in the Government's framework contract with Vodafone for the provision of mobile phones and data services, as negotiated by OGC Buying Solutions (now part of the Cabinet Office Efficiency and Reform Group). The Scottish Government's Procurement Directorate manages and maintains this contract. Information requested under headings 2 – 8 above is not held by the Scotland Office and should be sought from the Cabinet Office or the Scottish Government.

The Office also shares its telecommunications and information technology system (SCOTS) with the Scottish Government, which is responsible for the development, administration and maintenance of the system.

I hope you find this helpful.
