Alternatively complete **Section A** of the **Certificate Dispute Form (AF15(a))** to indicate the incorrect details on the certificate, and the correct application details.

How do I raise a dispute relating to criminal record or other information disclosed?

If the dispute relates to criminal record or other information contained on the certificate under the sections headed:

- B1) Police records of Convictions, Cautions, Reprimands and Warnings
- B2) Information from the list held under Section 142 of the Education Act 2002
- B3) DBS Children's Barred List information
- B4) DBS Adults' Barred List Information
- B5) Other relevant information disclosed at the Chief Police Officer(s) discretion

The dispute must be made in writing and it must be signed. Please complete **Section B** of the **Certificate Dispute Form (AF15(a))** to provide full details about why the information is being disputed and any evidence you have to support the dispute.

Include full details of any offences, including dates, which do not relate to you; are not accurate; or are missing. If any offences are missing please state the court(s) and dates attended.

If you need to provide further detail please use A4 size paper, title the document **B6) Reasons for Dispute; Continuation Sheet** and ensure you quote your full name, date of birth and customer reference number on any additional correspondence.

Who can raise a dispute?

The applicant or a person who has a legitimate interest in the accuracy of a certificate such as the countersignatory; employer; licensing authority may raise the dispute after discussing the reasons for the dispute with the applicant

Fingerprint Consent Form guidance

When is consent for fingerprints required?

The applicant should only complete the Fingerprint Consent Form if the reason under **B1a/B1b) Some or all of the information does not relate to the applicant** is selected.

What if I do not want to provide fingerprints?

We will aim to resolve the dispute without the need for fingerprints, but if you do not consent to have your fingerprints taken, we may not be able to resolve your dispute.

How are the fingerprints taken?

If you consent and fingerprints are required to eliminate a record from your details the Police will contact you to arrange an appointment for you to attend a Police station – you may need to produce documentation to validate your identity.

Are the fingerprints used for any other purpose?

Please understand that your fingerprints might also be the subject of speculative searches against all fingerprint records held by the police and other law enforcement authorities in connection with or as a result of an investigation into an offence. At the end of these enquiries if your fingerprints are not required they will be destroyed and not retained for any other purpose.

Why do I need to provide my photographs?

To confirm the person presenting themselves for fingerprints is the applicant. You must submit three identical passport size photographs of yourself with your name and our customer reference number in capital letters written on the back of each photograph with the forms. Each photograph must:

- show you with a neutral expression and your mouth closed (no grinning, frowning or raised eyebrows)
- show you on your own
- be in colour, not black and white
- be taken within the last 6 months
- be 45 millimetres high x 35 millimetres wide – (standard size passport photo taken in a photo booth or studio (you should not trim a larger photograph to meet this condition)
- be of you facing forward and looking straight at the camera
- be taken with your eyes open and clearly visible (no sunglasses or tinted glasses and no hair across your eyes)
- show your full head, without any head covering, unless you wear one for religious beliefs or medical reasons
- be taken with nothing covering your face - you should make sure nothing covers the outline of your eyes, nose or mouth

Photographs can be used as an alternative method of eliminating you from police national computer records. If you do not consent or you disagree with the request to go for fingerprints please continue to provide the photographs requested.
