SCHEDULE 1

PART A

THE SERVICES

Services to support the collection and reporting of data through the administration of Patient Questionnaires to patients in receipt of NHS-funded care.

FRAMEWORK LOTS

LOT 1 SERVICES

Patient-Reported Outcome Measures (“PROMs”).

The collection of information on the clinical quality of care delivered to NHS patients as perceived by the patients themselves. PROMs comprise repeated surveying of patients and are administered pre-operatively (the "Q1" questionnaire) and post-operatively (the "Q2" questionnaire) within defined intervals and to preset standards for their administration.

Lot 1 Services will be delivered in accordance with the Standard Service Specification unless otherwise requested by a Provider during Call-Off.

LOT 2 SERVICES

Other Patient Questionnaires

Comprise any Questionnaire instrument administered to patients pre- or post-operatively, using any sampling (or census) methodology as specified by the framework user. Other patient questionnaires will be similar in question format and length to the PROMs Questionnaires. These may be just one part of the PROMs survey which may include either a Q1, Q2 or both.

Other Patient Questionnaires could be employed in certain circumstances to facilitate the collection of additional PROMs questionnaires to patients to different timelines. For example, a second postoperative questionnaire ("Q3") could be administered to patients who have already completed a Q1 and a Q2 using Lot 1 Services.

Requirements for these services may be locally specified services as required by a specific Provider or groups of Provider or, like PROMs, be required of all Providers across the country.
Annex 1

Patient Reported Outcome Measures (PROMs)
Standard Service Specification

Standard Service Specification

1. The Provider shall

Generally,

a. Provide and maintain a Provider Contact Person who shall give all reasonable assistance to the Supplier in relation to the PROMs Activity.

b. Make all reasonable efforts to assist the Supplier in relation to the PROMs Activity, including, but not limited to; assisting with mobilisation as agreed with the Supplier, provide access to the facilities, staff for training purposes, and the ordering, supply, storage and collection of Q1 questionnaires.

c. Ensure that a Supplier (or Suppliers) is (are) appointed to provide services to support the collection and reporting of PROMs data for all eligible patients that the Provider is responsible for irrespective of where the relevant procedure is carried out. Providers are deemed responsible for any patient receiving an NHS-funded intervention for which they receive funding under the Payment by Results system and for which the activity is recorded against them in the Hospital Episode Statistics dataset. Where a Provider has activity (eligible procedures) carried out at an alternative provider site or where part of the pathway is carried out elsewhere such that Q1 administration would be best carried out elsewhere, it must either: make arrangements for its Supplier to administer at and collect questionnaires from that site, or make arrangements with the alternative provider for the collection of that data.

Specifically,

d. Identify which Patients should be surveyed and administer the appropriate Q1 questionnaire, secure the required Patient Consent in accordance with the Patient Consent Standard and then store collected questionnaires and deliver to the Supplier, as agreed, in accordance with Information Governance requirements and in the agreed format.

e. Provide assistance to Patients for the completion of questionnaires if required compliant with the Assisted Patient Completion Standard and Patient Consent Standard.

f. Identify the questionnaire volumes, including any minority languages required, and order such in the manner agreed with the Supplier.

g. Securely receive and store printed surveys and support materials from the Supplier for subsequent administration of PROMs questionnaires to eligible patients.

h. Make payment in accordance with the Framework agreement Payment schedule or if specified the requirements of the order form.

i. Comply with the relevant sections of the PROMs Standards.

j. Undertake any additional actions the Provider committed to in the Provider Specific Requirements of the order form.

k. Liaise with any other provider where PROMs questionnaires are administered to eligible patients that it is responsible for, to make suitable arrangements for the administration and collection of Q1 questionnaires.
2. The Supplier shall

Generally,

a. Provide and maintain a Supplier Contact Person who shall give all reasonable assistance to the Provider in relation to the PROMs activity.

b. Make all reasonable efforts to assist the Provider in relation to the PROMs activity, including, but not limited to providing staff training, assisting with issues that may arise, ordering, supplying, and collecting Q1 questionnaires as agreed with the Provider.

c. Where applicable, provide assistance to Patients for the completion of questionnaires if required compliant with the Assisted Patient Completion Standard.

d. Comply with the Framework agreement Payment schedule or if specified the requirements of the order form.

e. Comply with the relevant sections of the PROMs Standards.

f. Undertake any additional actions the Supplier committed to in the Provider Specific Requirements of the order form.

g. Liaise with other Providers and/or Suppliers to facilitate the administration and collection of Q1 questionnaires to patients for which the Provider is responsible for but for whom part of the pathway and/or the procedure is carried out on the other Provider’s site. The Supplier will either make arrangements to collect the relevant Q1 questionnaires for onwards processing or make arrangements with another Supplier for these questionnaires to be collected and processed by them.

h. Ensure that any organisation which sub-contracts for the collection and reporting of PROMs data abides by the same terms and conditions that it does, including full compliance with the Standards and any specific requirements as set out in the order form. For the avoidance of doubt, the Supplier is responsible for actions of its sub-contractor(s). Sub-contractors may be used for example for the collection of Q1 PROMs data by electronic means.

Specifically,

Mobilisation

i. Mobilise the PROMs service in the manner and timelines agreed with the Provider and/or set out in the Provider Specific Requirements of the order form.

j. This may include, assessing current processes for administering Q1, developing improved processes and undertaking staff training.

k. On an ongoing basis this may include reviewing response rates with the Provider, developing remedial actions including further training and/or improving processes for administering Q1.

Data Format and Security

l. Generally, comply with all PROMs standards, but specifically comply with the PROMs Data Interface specification, PROMs Data Processing Guidance, PROMs Supplier Accreditation and PROMs Information Governance Standard.
Provision of Q1 Questionnaires

m. Use PROMs questionnaire as specified in the PROMs standards or Provider Specific Requirements of the order form.

n. Provide Q1 questionnaires in the required manner, volume and language types, in a timely manner and process as agreed with the Provider from time to time.

o. Provide Q1 questionnaires in the required medium (physical paper or electronic) as agreed with the Provider. Where Q1 questionnaires are provided in an electronic format, the Supplier is responsible for ensuring the continuity of the service and maintenance of any hardware to support such collection, unless otherwise agreed with the Provider. The Supplier is also responsible for ensuring that the electronic representations of the Q1 questionnaire(s) are compliant with the relevant Standards and licensing terms and conditions.

p. This includes provision of all material, media and means required in order to administer the Q1 questionnaire unless otherwise agreed.

q. Ensure all Q1 related documents are compliant with the relevant PROMs Standard(s).

Collection of Q1 Questionnaire forms or data

r. Be responsible for the cost, unless otherwise agreed, of delivering completed Q1 questionnaires from the Provider to the Supplier, in accordance with PROMs standards.

s. This shall include, but not limited to, agreeing a delivery protocol with the Provider, arrangement of transport method, verifying dispatch and receiving of delivery to minimise risk of delivery loss, identify data loss quickly and determine point of loss or responsibility as quickly as possible. For the avoidance of doubt, the secure transfer of completed Q1 questionnaires could be physical (transfer of completed paper questionnaire or electronic images on physical storage, e.g. disc) or electronic (transfer electronically).

Completion check, collation and onward transmission of Q1 data

t. Must receive and handle Q1 responses consistent with PROMs standards.

u. Check Q1 responses meet PROMs Data Interface Specification and PROMs Data Processing Guidance. This may include any checks for NHS numbers or addresses as required.

v. Must convert Q1 responses into an electronic record and transmit to the Clearing house consistent with PROMs Data Interface specification, PROMs Data Processing Guidance, PROMs Supplier Accreditation and PROMs Information Governance Standard

w. This shall include, but not limited to, receipting Q1 responses, assigning unique identifier codes to permit matching to subsequent Q2 responses, scanning paper questionnaires, data error checking and correction, translating into the compliant format for transmission and checking for data file errors prior to transmission.

Tracking PROMs Questionnaires and withdrawal of consent

x. Create and maintain a process for tracking responses to enable notification of withdrawal of consent to the Clearing House, FOI queries and/or auditable tracking of PROMs data.
y. Operate an effective withdrawal of consent process to ensure appropriate parties are contacted and any data is handled appropriately.

Q2 preparation, sending and follow up

z. Use PROMs questionnaire as specified in the PROMs standards or Provider Specific Requirements of the order form. This shall have an appropriate unique identifier to enable matching to the Q1.

aa. Suppliers will, at their cost, check that the Patient is not deceased before sending any Q2 PROMs Questionnaires out or any follow up correspondence. This shall not be any earlier than 48 hours prior to sending any correspondence to patients. In the first year of operation of the Framework a service will be made available to Suppliers by the Authority to facilitate the deceased or otherwise status check of records before any issue of Q2 questionnaires or related documents. This service will for the first financial year of operation of the Framework (2012/13) be provided at the cost of the Authority. The Supplier is free to make alternative arrangements at its own cost.

bb. At a minimum, checking the deceased status of patients will entail a check at their cost of the Personal Demographics Service (via the Clinical Spine Application or via the IC by arrangement) or similar equivalent process. This check may include any checks for NHS numbers or addresses as required.

c. Send Q2 questionnaires to patients after a defined period from Intervention as set out in Specific PROMs Questionnaires Standard. The time period may vary per intervention type. Determine the required dispatch date of Q2 PROMs Questionnaire and enact a bring up system to ensure timely dispatch.

dd. Should provide the option for the patient to complete Q2 electronically/online unless otherwise agreed with the Provider. Therefore, the Supplier may send a reference number for a patient to enter into an online portal to complete the relevant Q2 questionnaire.

e. Must provide a pre-paid return envelope when sending paper-based Q2 unless otherwise agreed.

ff. Must adhere to the Questionnaire Follow Up Standard.

Completion check, collation and onward transmission of Q2 data

gg. Must receive and handle Q2 responses consistent with Information Governance requirements.

hh. Must convert Q2 into an electronic record and transmit to the PROMs Clearing house consistent with PROMs Data Interface specification, PROMs Data Processing Guidance, PROMs Supplier Accreditation and PROMs Information Governance Standard

ii. This shall include, but not limited to, receipting Q1 responses, assigning unique identifier codes to permit matching to Q2 responses, scanning paper questionnaires, data error checking and correction, translating into the compliant format for transmission and checking for data file errors prior to transmission.

Data errors

jj. Clear any data errors arising from the submission of data to the Clearing House. For the avoidance of doubt, the Supplier is responsible for the
correction of data errors associated with its submission of its data to the Clearing House, at its cost.

**Survey Performance data**

kk. Provide PROMs collection performance data to the Provider as agreed or other data as otherwise specified in the Provider Specific Requirements of the order form. The performance data should apply to all eligible patients for which the Provider is responsible for unless other arrangements have been made (described above).

**Provision of helpline facilities**

ll. Provide a helpline facility for the completion of questionnaires compliant with Patient Helpline Standard and to the satisfaction of the Provider as agreed and set out in the Provider Specific Requirements.

mm. This requirement shall be applicable only to the Q1 and Q2 questionnaires administered by the Supplier on the Provider’s site/s (whether administered by itself or by a sub-contractor). If Q1s are completed on another Provider’s site, that Provider shall be responsible for meeting this requirement.

**Provide a Patient Feedback and Complaints process**

nn. Provide a patient feedback and complaints process compliant with the Patient Feedback and Complaints process Standard.

oo. Undertake regular review of such feedback and in agreement with the Provider amend the process used.

pp. This requirement shall be applicable only to the Q1 and Q2 questionnaires administered by the Supplier on the Provider’s site/s (whether administered by itself or by a sub-contractor). If Q1s are completed on another Provider’s site, that Provider shall be responsible for meeting this requirement.

**Document Storage and Destruction**

qq. Document storage and destruction must be undertaken in compliance with the Information Governance requirements. For the avoidance of doubt the requirements apply equally to all media for the collection and reporting of PROMs data (paper and electronic).

**Exit Plan**

rr. Must produce an Exit Plan for the contract if DH or the Provider request one.

ss. Where the Supplier works with a separate organisation (i.e. through sub-contracting arrangements), the other organisation will be obliged to work in a co-operative manner with the Supplier and afford all reasonable efforts to achieve an efficient and workable interface with them. This includes mobilisation, Q1 data receipt, resolution of data error and exit. For the avoidance of doubt, in such circumstances, the Supplier remains responsible for ensuring that the requirements, Standards and any specific arrangements as set out as part of the order form are adhered to, at its cost.
3. **The Authority shall**

   **Specifically,**
   
   a. Issue from time to time Guidance, upon which this contract relies, as to how Providers are required to collect and report PROMs.
   
   b. Insert and maintain the various PROMs Standards used in this specification into the Guidance.
   
   c. Licence the use of survey instruments and provide sub-licenses to Compliant Suppliers.
   
   d. Define the scope of the PROMs services through the issuing of relevant Standards in Guidance as to the Eligible Procedures.
   
   e. Develop and define PROMs questionnaires for use with Eligible Procedures in the Specified PROMs Questionnaires Standard and provide templates to be used by Providers and Suppliers.
   
   f. Determine if alternative language questionnaires are required and produce translations as it sees fit – (in the same format as the English language versions) – and at its discretion.
   
   g. Ensure there is a Clearing House function and/or alternative arrangements to receive and process submitted PROMs data in accordance with this specification as set out here.

#### AWARD CRITERIA

<td>Either 100% of the award criteria (lowest evaluation price) or as part of a ratio with the technical score (lowest £ per point) depending on divergence from the standard specification to be set by the Provider conducting mini-competition</td>
</tr>
<tr>
<td>2</td>
<td>Technical (Weighted score against additional requirements)</td>
<td>Either 0% of the award criteria (evaluation price only) when service delivery is based on the standard specification, or as part of the ratio with the evaluation price (£ per point) depending on divergence from the standard specification to be set by the Provider conducting mini-competition</td>
</tr>
</tbody>
</table>

The Call Off award criteria follows a similar methodology, of a price to quality score ratio, as that used at ITT for the award of the Framework. When a standard specification is ordered, then there is no technical score and the lowest evaluation price offered will secure the contract.

At Call-Off, it is implicit that Suppliers will deliver the service requirement(s) in accordance with the Standard Service Specification (and as per solutions described in each Supplier’s ITT response). Should a Supplier intend to deviate from this position, it MUST highlight this to the Provider (who at their discretion may disqualify the Supplier from the mini-competition should such changes be material and impose additional technical or commercial risk on the Provider).

For "standard" Call Offs the evaluation price will be considered the sole evaluation criteria with the lowest price successful.

Where Providers indicate divergence from the Standard Service Specification (or additional / local requirements) then an evaluation of the methods, processes and quality assurance of the additional services / activities will be required. In this instance, a £ per point evaluation will take place with the Supplier offering the lowest Evaluation Price per weighted Technical score ratio successful.

If the Framework default payment mechanism set out in Schedule 3 is not varied in the Call Off Notice, Suppliers must not exceed the relevant Framework maximum prices set out in Schedule 3.

Call Off Notices can request along side a Service Fee, a price for Outgoing Transition Payment. If the latter price is requested, the price used for evaluation shall be the total of the Service Fee and the Restated Outgoing Transition payment.

The Restated Outgoing Transition Payment shall be calculated in the following manner:

- Outgoing Transition Payment divided by the estimated volume of eligible patients for PROMs to be undertaken for year 1 of the Call Off.

Suppliers must carefully consider the Call-off Notice where any additional detail will be provided.
SCHEDULE 3
PRICING SCHEDULE

1 GENERAL

1.1 The pricing mechanism applicable for Services will be specified by each Provider in the Call-Off Notice for those Services. However, this Schedule sets out:

1.1.1 a default payment mechanism for Lot 1 Services which will apply unless the Provider requests specific changes to it within the relevant Call-Off Notice; and

1.1.2 ceiling prices for both Lot 1 and Lot 2 Services which apply in the circumstances set out below.

2 LOT 1 – (PROMS) PAYMENT MECHANISM

2.1 Lot 1 has distinct payments for two sets of actions: (i) collection and secure delivery of Q1 and Q2 questionnaires (in an acceptable form to the HSC IC) and (ii) a fixed amount payment for undertaking all transition actions at exit (“Outgoing Transition Payment”), if permitted and agreed by the Provider.

2.2 The default payment mechanism for delivery of Q1 and Q2 in an acceptable form to the HSCIC is as follows.

2.2.1 At mini-competition, Suppliers bid a Service Fee, which is a fixed total fee for the administration, collection, processing and delivery of the Q1 and Q2 questionnaires.

2.2.2 30% of Service Fee is paid on the confirmed receipt of completed and valid Q1 questionnaires. 70% of Service Fee is paid on the confirmed receipt of completed and valid, Q2 questionnaires which have been matched to a completed and valid Q1. Receipt will be confirmed by the HSCIC Clearing House.

2.2.3 The confirmed volume of Q1s or Q2s submitted in an acceptable form which can be used for invoicing purposes can be deducted from the Data Quality Report which will be produced by the 30th of each month which that monthly processing takes place, i.e. if April data is submitted during May the report would be produced by 30th May. In the future another bespoke reporting mechanism may eventually replace this, but would provide the same information for invoice production by the Supplier or invoice validation by the Provider but in a different form.

2.2.4 Worked example:

• If the Service Fee is £10 and respective Q1 and Q2 volumes are 100 and 70, the payment would be as follows.

• On NHS IC HSC receipt of Q1 - £10 x 30% x 100 = £300

• On NHS IC HSC receipt of Q2 - £10 x 70% x 70 = £490

• Total received by Supplier £790

2.3 The Supplier’s ceiling price for the Service Fee for LOT 1 Services is set out in Table 1 below. This ceiling price cannot be exceeded if the default payment mechanism set
out in 2.2 above and Standard Service Specification are requested on Call-Off. This is “Price Element 1”.

2.4 Price Element 1 will include all costs associated with the delivery of the Specification (including the detailed responses to the ITT questions) and applies irrespective of whether or not the Outgoing Transition payment would be paid. This requirement is applicable to the other Service Fees described below. For the avoidance of doubt, this price incorporates all elements associated with exit and expiry of the service.

2.5 The Specification may be varied by a Provider at call off excluding the costs and responsibility for courier / delivery of Q1s from the Provider to the Supplier. Therefore, a second Service Fee that excludes responsibility and costs for courier / delivery of Q1s from the Provider to the Supplier is required. The Supplier’s ceiling price for the Service fee that excludes these costs of courier/delivery is set out in Table 1 below. This is “Price Element 2”.

2.6 If a Provider requests a predominately electronic service (electronic administration, collection, processing and delivery of questionnaires) the Service Fee for this service will be agreed as part of Call-Off.

2.7 As noted above, mini-competitions on Call-Off may vary the payment mechanism, for example by asking for a Service Fee that is only payable on the volume of Q2s accepted by the HSC IC. In such case, the Service Fee ceiling prices quoted in Table 1 would not normally apply.

3 PAYMENT FOR Q2 BEYOND CESSATION OF Q1 COLLECTION

3.1 At the expiry or earlier termination of a Call-Off Contract, a Supplier may cease collecting Q1 but there remains a “Q2 tail” relating to those Q1s collected before the expiry or termination date but for which the Q2 questionnaires still need to be sent out by or returned to the Supplier.

3.2 Payments will continue beyond the cessation of Q1 questionnaire collection. Q2 questionnaires that are sent to patients, completed and then returned subsequent to the date of expiry or termination of the Call-Off Contract will be liable for payment. The Q2 questionnaires processed beyond the date of expiry or termination of the Call-Off Contract should be processed in accordance with the Call-Off Terms and Conditions and will be paid accordingly.

4 FIXED AMOUNT PAYMENT FOR UNDERTAKING ALL TRANSITION ACTIONS IN AN EXIT PLAN (“OUTGOING TRANSITION PAYMENT”).

4.1 At call off expiry or termination, the Supplier may have to undertake actions to facilitate transfer of data or transition to a Replacement Supplier. The Outgoing Transition Payment is the single fixed price payable to the Supplier to cover all Exit Plan related costs if Providers request a separate price for this. If this payment is not requested, Suppliers should include possible Exit Plan costs in the Service Fee bid at Call-Off.

4.2 The Supplier’s ceiling price for the Outgoing Transition Payment (“Exit Price Element”) is set out in Table 1 below. This cannot be exceeded.
5 SUMMARY OF PRICES REQUIRED FOR LOT 1 – PROMS

5.1 **Price Element 1** – Service fee for end-to-end predominantly paper based service delivered in accordance with the Specification set out in Annex 1 to Schedule 1.

5.2 **Price Element 2** – As for Price Element 1, except that the courier service in the Specification will be arranged separately at the Provider’s cost. Price Element 2 must be lower than Price Element 1

5.3 **Exit Price Element** - Outgoing Transition Payment – a fixed amount to cover all outgoing transition costs on a per Call-Off Contract basis.

6 LOT 2 – OTHER PATIENT QUESTIONNAIRES

6.1 The Supplier’s ceiling price for LOT 2 Services is set out in Table 1 below. This is Lot 2 Price Element 1.

7 PAYMENT POINT AND VALIDATION

7.1 Under the default payment mechanism the volumes paid for will be based on the number of Q1 or Q2s, as applicable, received by the HSC IC Clearing House which will be reported on a monthly basis.

7.2 The Authority retains the right to spot audit questionnaires to ensure such confirmations are accurate.

8 KPI

8.1 A range of Key Performance Indicators (KPIs) may be used to ensure performance and rectification of issues. KPIs will be based on the parameters set out in the relevant Call-Off Notice as defined by the Provider and will not affect the ceiling price unless they amount to a material change to the Standard Service Specification.

9 INDEXATION OF PRICES IN TABLE 1

9.1 All prices quoted in Table 1 are denominated as at 1 April 2012. Prices for subsequent years shall be increased/decreased by the CPI movement from 1 April 2012 and applicable to the prices in Table 1 for the first time on April 2013.

5.4.7 The Supplier acknowledges that the Commercially Sensitive Information listed in schedule 7 of the Framework Agreement is of indicative value only and that the Provider may be obliged to disclose it in accordance with clause 5.4.5. The Supplier also acknowledges that nothing in this Contract will override the right of the Authority under the Framework Agreement to disclose Management Information (as defined in the Framework Agreement)

5.5 Publicity, Media and Official Enquiries

5.5.1 The Supplier shall not make any press announcements or publicise the Contract in any way without the Provider's prior Approval and shall take reasonable steps to ensure that its servants, employees, agents, Sub-Contractors, suppliers, professional advisors and consultants comply with this Clause.

5.5.2 The Provider shall be entitled to publicise the Contract in accordance with any legal obligation upon the Provider, including any examination of the Contract by the Auditor.

5.5.3 The Supplier shall not do anything or cause anything to be done, which may damage the reputation of the Provider or bring the Provider into disrepute.

5.7 Intellectual Property Rights

5.7.1 Save as granted elsewhere under the Contract, neither the Provider nor the Supplier shall acquire any right, title or interest in the other's Pre-Existing IPR.
5.7.2 The Supplier shall not, and shall procure that the Staff shall not, (except when necessary for the performance of the Contract) without prior Approval, use or disclose any Provider Pre-Existing IPR or the Project Specific IPR to any third party.

5.7.3 All title to and all rights and interest in the Project Specific IPR shall vest in the Provider. The Supplier hereby assigns to the Provider, with full title guarantee, title to and all rights and interest in the Project Specific IPR and/or shall procure that the first owner of the Project Specific IPR also does so.

5.7.4 The assignment under Clause 5.7.3 shall either take effect on the date of the Contract or as a present assignment of future rights that will take effect immediately on the coming into existence of the relevant Project Specific IPR, as appropriate.

5.7.5 The Supplier shall waive or procure a waiver of any moral rights in any copyright works assigned to the Provider under the Contract.

5.7.6 If requested to do so by the Provider, the Supplier shall without charge to the Provider execute all documents and do all such further acts as the Provider may require to perfect the assignment under Clause 5.7.3 or shall procure that the owner of the Project Specific IPR does so on the same basis.

5.7.7 The Provider hereby grants to the Supplier a non-exclusive, revocable, non assignable licence to use the Provider Pre-Existing IPR and the Project Specific IPR during the Contract Period for the sole purpose of enabling the Supplier to provide the Services.

5.7.8 The Supplier will notify the Provider if the Provider is required to enter into a direct licence of Intellectual Property Rights with a third party in order for the Supplier to deliver the Services in accordance with the terms of this Contract. The Provider reserves the right to refuse to sign such licence if it does not agree with any of its terms or if it will incur any additional charges as a result.

5.7.9 Subject to clause 5.7.8, the Supplier will be solely responsible for procuring and complying with any third party licences of Intellectual Property Rights it requires in order to deliver the Services in accordance with the terms of this Contract.

5.7.10 The Supplier shall, during and after the Contract Period, indemnify and keep indemnified and hold the Provider and the Crown harmless from and against all actions, suits, claims, demands, losses, charges, damages, costs and expenses and other liabilities which the Provider or the Crown may suffer or incur as a result of any claim that the performance by the Supplier of the Services infringes or allegedly infringes a third party's Intellectual Property Rights ("Claim") except where the Claim arises from:-

(a) items or materials based upon designs supplied by the Provider; or

(b) the use of data supplied by the Provider which is not required to be verified by the Supplier under any provision of the Contract.

5.7.11 The Provider shall notify the Supplier in writing of the Claim and the Provider shall not make any admissions which may be prejudicial to the defence or settlement of the Claim. The Supplier shall at its own expense conduct all negotiations and any litigation arising in connection with the Claim provided always that the Supplier:-
(a) shall consult the Provider on all substantive issues which arise during the conduct of such litigation and negotiations;

(b) shall take due and proper account of the interests of the Provider; and

(c) shall not settle or compromise the Claim without the Provider's prior Approval (not to be unreasonably withheld or delayed).

5.7.12 If a Claim is made in connection with the Contract or in the reasonable opinion of the Supplier is likely to be made, the Supplier shall immediately notify the Provider and, at its own expense and subject to the consent of the Provider (not to be unreasonably withheld or delayed), use its best endeavours to:-

(a) modify the relevant part of the Services without reducing the performance or functionality of the same, or substitute alternative services or deliverables of equivalent performance and functionality, so as to avoid the infringement or the alleged infringement, provided that the provisions herein shall apply with any necessary changes to such modified services or to the substitute services; or

(b) procure a licence to use and supply the Services, which are the subject of the alleged infringement, on terms which are acceptable to the Provider;

and in the event that the Supplier is unable to comply with Clauses 5.7.12(a) or 5.7.12(b) within 20 Working Days of receipt of the Supplier's notification the Provider may terminate the Contract with immediate effect by notice in writing and the Supplier shall, upon demand, refund the Provider with all monies paid in respect of the Services that is subject to the Claim.

5.7.13 In the event that a modification or substitution in accordance with Clause 5.7.12(a) is not possible so as to avoid the infringement, or the Supplier has been unable to procure a licence in accordance with Clause 5.7.12(b) the Provider shall be entitled to delete the relevant Service from the Contract.

5.7.14 This Clause 5.7 sets out the entire financial liability of the Supplier with regard to the infringement of any Intellectual Property Right as a result of the provision of the Services hereunder. This shall not affect the Supplier's financial liability for other Defaults or causes of action that may arise hereunder.

5.8 Records and Audit Access

5.8.1 The Supplier shall keep and maintain until six (6) years after the end of the Contract Period (or as long a period as may be agreed between the Parties), full and accurate records and accounts of the operation of the Contract including the Services provided under it, the Call-Off Contracts entered into with the Contracting Authority and the amounts paid by each Contracting Authority.

5.8.2 The Supplier shall keep the records and accounts referred to in Clause 5.8.1 above in accordance with good accountancy practice.

5.8.3 The Supplier shall, on reasonable request, afford the Provider, the Provider's representatives and/or the Auditor such access to such records and accounts as may be required by the Provider from time to time.
5.8.4 The Supplier shall provide such records and accounts (together with copies of the Supplier's published accounts) during the Contract Period and for a period of 6 years after the expiry of the Contract Period to the Provider and the Auditor.

5.8.5 The Provider shall use reasonable endeavours to ensure that the conduct of each audit does not unreasonably disrupt the Supplier or delay the provision of the Services, save insofar as the Supplier accepts and acknowledges that control over the conduct of audits carried out by the Auditor is outside of the control of the Provider.

5.8.6 Subject to the Provider's rights of Confidential Information, the Supplier shall on demand provide the Auditor with all reasonable co-operation and assistance in relation to each audit, including:-

(a) all information requested by the Provider within the scope of the audit;

(b) reasonable access to sites controlled by the Supplier and to Equipment used in the provision of the Services; and

(c) access to Staff.

5.8.7 The Parties agree that they shall bear their own respective costs and expenses incurred in respect of compliance with their obligations under this Clause 5.8, unless the audit reveals a material Default by the Supplier in which case the Supplier shall reimburse the Provider for the Provider's reasonable costs incurred in relation to the audit.

6. CONTROL OF THE CONTRACT

6.1 Transfer and Sub-Contracting

6.1.1 The Supplier shall not assign, novate, sub-contract or in any other way dispose of the Contract or any part of it without prior Approval. Sub-contracting any part of the Contract shall not relieve the Supplier of any of its obligations or duties under the Contract.

6.1.2 The Supplier shall be responsible for the acts and omissions of its Sub-Contractors as though they are its own.

6.1.3 Where the Provider has consented to the placing of sub-contracts, copies of each sub-contract shall, at the request of the Provider, be sent by the Supplier to the Provider as soon as reasonably practicable.

6.1.4 Subject to Clause 6.1.6, the Provider may assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof to:-

(a) any Contracting Authority; or

(b) any other body established by the Crown or under statute in order substantially to perform any of the functions that had previously been performed by the Provider; or

(c) any private sector body which substantially performs the functions of the Provider;

provided that any such assignment, novation or other disposal shall not increase the burden of the Supplier's obligations under the Contract.
6.1.5 Any change in the legal status of the Provider such that it ceases to be a Contracting Authority shall not, subject to Clause 6.1.6, affect the validity of the Contract. In such circumstances, the Contract shall bind and inure to the benefit of any successor body to the Provider.

6.1.6 If the rights and obligations under the Contract are assigned, novated or otherwise disposed of pursuant to Clause 6.1.4 to a body which is not a Contracting Authority or if there is a change in the legal status of the Provider such that it ceases to be a Contracting Authority (in the remainder of this clause both such bodies being referred to as "the Transferee"):–

(a) the rights of termination of the Provider in Clauses 8.1 (Termination on insolvency and change of control) and 8.2 (Termination on Default) shall be available to the Supplier in the event of, respectively, the bankruptcy or insolvency, or Default of the Transferee; and

(b) the Transferee shall only be able to assign, novate or otherwise dispose of its rights and obligations under the Contract or any part thereof with the previous consent in writing of the Supplier.

6.1.7 The Provider may disclose to any Transferee any Confidential Information of the Supplier which relates to the performance of the Supplier’s obligations under the Contract. In such circumstances the Provider shall authorise the Transferee to use such Confidential Information only for purposes relating to the performance of the Supplier’s obligations under the Contract and for no other purposes and shall take all reasonable steps to ensure that the Transferee gives a Confidential Information undertaking in relation to such Confidential Information.

6.1.8 Each Party shall at its own cost and expense carry out, or use all reasonable endeavours to ensure the carrying out of, whatever further actions (including the execution of further documents) the other Party reasonably requires from time to time for the purpose of giving that other Party the full benefit of the provisions of the Contract.

6.2 Waiver

6.2.1 The failure of either Party to insist upon strict performance of any provision of the Contract, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by the Contract.

6.2.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with Clause 1.7 (Notices).

6.2.3 A waiver of any right or remedy arising from a breach of the Contract shall not constitute a waiver of any right or remedy arising from any other or subsequent breach of the Contract.

6.3 Variation

6.3.1 Subject to the provisions of this Clause 6.3, the Provider may request a variation to the Services ordered provided that such variation does not amount to a material change to the Order. Such a change is hereinafter called a "Variation".
6.3.2 The Provider may request a Variation by completing and sending the Variation form attached at Appendix 1 ("the Variation Form") to the Supplier giving sufficient information for the Supplier to assess the extent of the Variation and any additional cost that may be incurred. The Supplier shall respond to a request for a Variation within the time limits specified in the Variation Form. Such time limits shall be reasonable having regard to the nature of the Order.

6.3.3 In the event that the Supplier is unable to provide the Variation to the Services or where the Parties are unable to agree a change to the Service Fee, the Provider may:-

(a) agree to continue to perform their obligations under the Contract without the Variation; or

(b) terminate the Contract with immediate effect, except where the Supplier has already delivered part or all of the Order in accordance with the Order Form or where the Supplier can show evidence of substantial work being carried out to fulfil the Order, and in such a case the Parties shall attempt to agree upon a resolution to the matter. Where a resolution cannot be reached, the matter shall be dealt with under the Dispute Resolution Procedure detailed at Clause 9.2.

6.3.4 If the Parties agree the Variation and any variation in the Service Fee, the Supplier shall carry out such Variation and be bound by the same provisions so far as is applicable, as though such Variation was stated in the Contract.

6.4 Severability

6.4.1 If any provision of the Contract is held invalid, illegal or unenforceable for any reason, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if the Contract had been executed with the invalid, illegal or unenforceable provision eliminated.

6.4.2 In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of the Contract, the Provider and the Supplier shall immediately commence good faith negotiations to remedy such invalidity.

6.5 Remedies in the event of inadequate performance

6.5.1 Where a complaint is received about the standard of Services or about the manner in which any Services have been supplied or work has been performed or about the materials or procedures used or about any other matter connected with the performance of the Supplier's obligations under the Contract, then the Provider shall take all reasonable steps to investigate the complaint. The Provider may, in its sole discretion, uphold the complaint, or take further action in accordance with Clause 8.2 (Termination on Default) of the Contract.

6.5.2 In the event that the Provider is of the reasonable opinion that there has been a material breach of the Contract by the Supplier, then the Provider may, without prejudice to its rights under Clause 8.2 (Termination on Default), do any of the following:-

(a) without terminating the Contract, itself supply or procure the supply of all or part of the Services until such time as the Supplier shall have demonstrated to the reasonable satisfaction of the Provider
that the Supplier will once more be able to supply all or such part of the Services in accordance with the Contract;

(b) without terminating the whole of the Contract, terminate the Contract in respect of part of the Services only (whereupon a corresponding reduction in the Service Fee shall be made) and thereafter itself supply or procure a third party to supply such part of the Services;

(c) terminate, in accordance with Clause 8.2 (Termination on Default), the whole of the Contract; and/or

(d) charge the Supplier for and the Supplier shall pay any costs reasonably incurred by the Provider (including any reasonable administration costs) in respect of the supply of any part of the Services by the Provider or a third party to the extent that such costs exceed the payment which would otherwise have been payable to the Supplier for such part of the Services and provided that the Provider uses its reasonable endeavours to mitigate any additional expenditure in obtaining replacement Services.

6.5.3 If the Supplier fails to supply any of the Services in accordance with the provisions of the Contract and such failure is capable of remedy, then the Provider shall instruct the Supplier to remedy the failure and the Supplier shall at its own cost and expense remedy such failure (and any damage resulting from such failure) within ten (10) Working Days of the Provider's instructions or such other period of time as the Provider may direct.

6.5.4 In the event that the Supplier:

(a) fails to comply with Clause 6.5.3 above and the failure is materially adverse to the interests of the Provider or prevents the Provider from discharging a statutory duty; or

(b) persistently fails to comply with Clause 6.5.3 above;

the Provider may terminate the Contract with immediate effect by giving the Supplier notice in writing.

6.6 Cumulative Remedies

Except as otherwise expressly provided by the Contract, all remedies available to either Party for breach of the Contract are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

6.7 Monitoring of Contract Performance

The Supplier shall comply with the monitoring arrangements set out in the Order Form including, but not limited to, providing such data and information as the Supplier may be required to produce under the Contract.

6.8 Extension of Initial Contract Period

Subject to satisfactory performance of its obligations under the Contract by the Supplier during the Initial Contract Period, the Provider may, by giving written notice to the Supplier not less than two Month(s) prior to the last day of the Initial Contract
Period, extend the Contract for any further period specified in the Order Form. The provisions of the Contract will apply throughout any such extended period.

(e) any claim under the indemnity in Clause 5.7.10.

7.1.2 Subject to Clause 7.1.3 and Clause 7.1.4 the Supplier shall indemnify and keep indemnified the Provider in full from and against all claims, proceedings, actions, damages, costs, expenses and any other liabilities which may arise out of, or in consequence of, the supply, or late or purported supply, of the Services or the performance or non-performance by the Supplier of its obligations under the Contract or the presence of the Supplier or any Staff on the Premises, including in respect of any death or personal injury, loss of or damage to property, financial loss arising from any advice given or omitted to be given by the Supplier, or any other loss which is caused directly or indirectly by any act or omission of the Supplier. The Supplier shall not be responsible for any injury, loss, damage, cost or expense if and to the extent that it is caused by the negligence or wilful misconduct of the Provider or by breach by the Provider of its obligations under the Contract.

7.1.3 Subject always to Clause 7.1.1 and Clause 7.1.4, the liability of either Party for Defaults shall be subject to the following financial limits:-

(b) any wasted expenditure or charges rendered unnecessary and/or incurred by the Provider arising from the Supplier's Default; and
(c) the additional cost of procuring replacement services for the remainder of the Contract Period following termination of the Contract as a result of a Default by the Supplier.

7.1.6 Nothing in the Contract shall impose any liability on the Provider in respect of any liability incurred by the Supplier to any other person, but this shall not be taken to exclude or limit any liability of the Provider to the Supplier that may arise by virtue of either a breach of the Contract or by negligence on the part of the Provider, or the Provider's employees, servants or agents.

7.1.7 The Supplier shall effect and maintain with a reputable insurance company a policy or policies of insurance providing an adequate level of cover in respect of all risks which may be incurred by the Supplier, arising out of the Supplier's performance of its obligations under the Contract, including death or personal injury, loss of or damage to property or any other loss. Such policies shall include cover in respect of any financial loss arising from any advice given or omitted to be given by the Supplier. 7.1.9 The Supplier shall give the Provider, on request, copies of all insurance policies referred to in this clause or a broker's verification of insurance to demonstrate that the appropriate cover is in place, together with receipts or other evidence of payment of the latest premiums due under those policies.

7.1.10 If, for whatever reason, the Supplier fails to give effect to and maintain the insurances required by the provisions of the Contract the Provider may make alternative arrangements to protect its interests and may recover the costs of such arrangements from the Supplier.

7.1.11 The provisions of any insurance or the amount of cover shall not relieve the Supplier of any liabilities under the Contract. It shall be the responsibility of the Supplier to determine the amount of insurance cover that will be adequate to enable the Supplier to satisfy any liability referred to in Clause 7.1.2.

7.2 Professional Indemnity

The Supplier shall effect and maintain appropriate professional indemnity insurance cover during the Contract Period and shall ensure that all agents, professional consultants and Sub-Contractors involved in the supply of the Services do the same.
Such insurance shall be maintained for a minimum of 6 (six) years following the expiration or earlier termination of the Contract.

7.3 Taxation, National Insurance and Employment Liability

The Parties acknowledge and agree that the Contract constitutes a contract for the provision of Services and not a contract of employment. The Supplier shall at all times indemnify the Provider and keep the Provider indemnified in full from and against all claims, proceedings, actions, damages, costs, expenses, liabilities and demands whatsoever and howsoever arising by reason of any circumstances whereby the Provider is alleged or determined to have been assumed or imposed with the liability or responsibility for the Staff (or any of them) as an employer of the Staff and/or any liability or responsibility to HM Revenue or Customs as an employer of the Staff whether during the Contract Period or arising from termination or expiry of the Contract.

For the avoidance of doubt, the Supplier shall be responsible for the overall management of the exit and service transfer arrangements.

2 CONTRACT LIFE OBLIGATIONS

The parties shall meet and use their respective reasonable endeavours to agree the terms of the Exit Plan as soon as possible and, in any event, before the date that Exit Services are required to start.

4.2 The Exit Plan shall:

4.2.1 document how the Services will transfer to the Replacement Supplier and/or the Provider, including details of the processes, documentation, and data transfer;
4.2.2 specify the scope of the Exit Services that may be required for the benefit of the Provider and any charges (in the form of a fixed fee) that would be payable for the provision of such Exit Services (which shall not in any event exceed the Outgoing Transition Payment) and detail how such services will be provided (if required), during the Exit Period; and

4.2.3 provide a timetable and identify critical issues for providing the Exit Services.
