Q1	Do you agree with this assessment of the current concerns of audit staff in Trust?]	Yes I agree.
Q2	Do you agree that the current situation is not sustainable?	Yes I agree.
Q3	Do you agree with this analysis of the underlying reasons for the current situation?]	Yes I agree.
Q4	Do you agree this would be helpful?	Yes, currently individuals feel that they are not given the opportunity to carry out local projects, as the emphasis is often on Trust priorities. However I have noticed that when given the opportunity they often do not want to take the lead as they feel they are being given additional work to do. This feels like a no win situation, so I'd be interested to see how this can be addressed.
Q5	Do you agree this would be helpful?	Yes, definitely.
Q6	Do you agree this would be helpful?	Yes I agree.
Q7	Do you agree this would be helpful?	Yes I agree.
Q8	Do you agree this would be helpful?	Yes I agree.
Q9	What is your view of each component in the proposal?	I think each of the proposals sounds good and would be interested in seeing them applied (a working example).
Q10	Do you have suggestions for other components?	No.
