- the Pension Protection Fund (Partially Guaranteed Schemes) (Modification) Regulations 2005 (S.I. 2005/277) (“the PGS Modification Regulations”);

- the Occupational Pension Schemes (Employer Debt) Regulations 2005 (S.I. 2005/678) (“the Employer Debt Regulations”); and
- the Pension Protection Fund (Provision of Information) Regulations 2005 (S.I. 2005/674) (“the Provision of Information Regulations”).

Regulation 2 amends the Review and Reconsideration Regulations to change the time within which an eligible person may make an application for an internal review of a decision by the Board of the Pension Protection Fund (“the Board”) from two months to 28 days.

Regulation 3 makes various amendments to the Compensation Regulations, including giving members the ability to postpone the payment of compensation, and allowing credit members to apply for early payment of compensation. The circumstances in which a surviving dependant who is a child of a member can claim compensation are clarified. The commutation limit is updated to reflect the limit applicable to registered pension schemes as set out in paragraph 7(4) of Schedule 29 of the Finance Act 2004 (c.12).

Regulation 4 makes various amendments to the Valuation Regulations. The reference to the market rate in calculating the value of protected liabilities is amended to refer to the best value rate available in the circumstances. Regulation 7A (which specifies the regulations applicable to applications for reconsideration, and by closed schemes) is extended to apply to all valuations under sections 152 and 158 of the Pensions Act 2004 (c.35) (“the 2004 Act”). Provision is made so that the valuations of scheme assets which are contribution notices and orders reflect the actual payments received under these.

Regulation 5 amends the GMA Regulations to provide that the Board may discharge all of its liabilities in respect of money purchase benefits under a particular scheme in relation to each member by making a small lump sum payment, provided that the value of such benefits does not exceed £2,000.

Regulation 6 amends the Compensation Sharing and Divorce Regulations to make provision for the postponement of compensation by pension compensation credit members.

Regulation 7 amends the Pensions Ombudsman Regulations to clarify the Ombudsman’s jurisdiction by updating the statutory references to matters which are excluded.

Regulation 8 amends the PGS Modification Regulations so that the Board is not able to make a determination in relation to partially guaranteed schemes under the 2004 Act (as amended by the Pensions Act 2011 (c.19)).

Regulation 9 amends the Employer Debt Regulations to exclude, for employer debt purposes, determinations under section 143 of the 2004 Act.

Regulation 10 amends the Provision of Information Regulations so that the Board is required to provide members with the specified information where a member wishes to postpone payment of compensation.

An assessment of the impact of the legislative changes relating to the postponement of pension compensation on the private sector and civil society organisations was included as part of the Impact Assessment for the Pensions Act 2011. That Act amended the 2004 Act and the Pensions Act 2008 to allow for the postponement of compensation. Copies of the assessment are available from the libraries of both Houses of Parliament and may also be obtained from the Better Regulation Unit of the Department for Work and Pensions, 6B Caxton House, Tothill Street, London SW1H 9NA or from the DWP website: <http://www.dwp.gov.uk/policy/pensions-reform/pensions-bill-2011/>. A full impact assessment has not been produced for the other provisions in these Regulations as they have no impact on the private sector and civil society organisations.
