Statement on Internal Control	12
Report of the auditors	14
Financial Statements	16
Notes to the Financial Statement	19

#### Report of the Alcohol Education and Research Council for the year ended 31 March 2005

The Council presents its report along with the financial statements of the charity for the year ended 31 March 2005. The financial statements comply with the provisions of section 10 of the Licensing (Alcohol Education and Research) Act 1981 and the Statement of Recommended Practice 'Accounting and Reporting by Charities'.

# Constitution and objects

The Alcohol Education and Research Fund is constituted under the provisions of section 6 of the Licensing (Alcohol Education and Research) Act 1981 and is a registered charity.

The Secretary of State for Culture, Media and Sport is the sponsoring authority for the Council. The Council's day to day contact with the sponsoring authority is through the Division of Tourism of the Department of Culture, Media and Sport

Section 7 of the 1981 Act provides that the Fund is to be vested in and administered by the Council and applied for such charitable purposes within the United Kingdom as the Council may from time to time determine from among the following:

- (a) The education of the public as to the causes and effects of, and means of preventing, excessive consumption of alcohol;
- (b) The care and rehabilitation of persons convicted of offences involving drunkenness;
- (c) The provision of treatment and other help for persons dependent on alcohol or given to excessive consumption of alcohol; and
- (d) Research into matters relevant to any of the purposes mentioned in paragraphs (a) to (c), and the publication of the results of such research.

The Act provides additionally that, in determining how the Fund is to be applied for the purposes of (b) and (c) the Council shall give priority to support for novel schemes for achieving those purposes.

The Council has defined its current objectives in the following Statement of Purpose:

The Council seeks to develop the capacity of people and organisations to address alcohol issues and also develop the evidence base linked to alcohol policy. Effective dissemination of this evidence to researchers, policy makers and practitioners is an important component of the strategy.

These objectives were redefined as part of the output from the ongoing strategic review of AERC's activities.

#### Membership of the Council

The Members of the Council who served during the financial year are listed at Annex A of this Annual Report. Council Members are appointed for three years of service, are non-executive and are unpaid. The Secretary of State for the Department of Culture, Media and Sport appoints Council Members. The full Council, and each of its three committees, meet not less than three times annually. The Council has access to independent financial and legal advice to ensure that the Council manages its affairs in a proper manner.

In total, Council members voluntarily gave around 150 days of their time, working for the AERC.

#### Organisation

The Council meets three times per year and makes decisions relating to strategies and priorities. There are two main committees that make decisions about the funding of specific projects. The Research Committee and the People & Organisations Committee consider applications for grants in their areas. They have delegated authority to refuse applications but decisions to award grants are subject to a mechanism agreed by the Council.

#### Research

The main objective of the research strategy is the improvement of the evidence base. The Research Committee is open to a wide range of methodologies including qualitative and quantitative approaches, single case studies and systematic reviews.

#### Development

One aim is to improve the alcohol-related practice of both generic and specialist alcohol workers. Promoting organisational development and translating evidence into policy and practice are other main objectives. These objectives are being pursued by the People & Organisations Committee.

#### **Research & Development Priorities**

Each year the Council reconsiders priority areas for funding. In the year 2004-2005 the main priority was interventions directed at changing whole communities.

One major development is the United Kingdom Community Alcohol Prevention Project (UKCAPP). This project is based in Cardiff, Birmingham & Glasgow. Each centre is developing a community action programme involving several strands such as training bar staff, police initiatives to prevent public disorder and mobilising the community to be positive towards alcohol initiatives. The whole project is being evaluated by the Bath Mental Health R&D Unit.

Other R&D projects funded in this financial year include:

- Improving parent/young people communication about alcohol and the supervision of sensible drinking within the family;
- The influence of alcohol on blood pressure and the incidence of hypertension;
- Systematic review: Interventions involving bar staff and environments to prevent injuries;
- Behavioural interventions for the family members of people with alcohol problems: a systematic review;
- Promoting safe and sensible attitudes to alcohol in children and their families: The further development and evaluation of a family and school alcohol awareness programme; and
- Development, implementation and evaluation of a pilot project to deliver interventions on alcohol issues in community pharmacies.

#### Studentships

In addition to our policy of funding a number of students on taught courses we are exploring the effectiveness of collaboration with the Economic & Social Research Council to fund PhD students. Our first initiative is based within the Geography department of Leeds University with a focus on the environmental influences on binge drinking.

#### Small grants

Our small grant initiative is very popular and in 2004-2005 the Council funded fourteen projects at a cost £81,330.

#### Grant making policy

The Council provides four types of grant:

- Research grants;
- People & Organisation Development grants;
- Small grants (up to £5,000); and
- Studentship grants, to support fees and expenses linked to taught courses.

The Council is well known within the alcohol field and, with the exception of the studentship scheme it does not need to advertise for applications. Full information about the grant application procedures is available on the Council's website www.aerc.org.uk.

As matters of policy the Council will not normally contribute to the running costs of organisations or fund bio-medical projects.

The Council requires each holder of a research or development grant to provide:

- A full report of the project. In the case of research grants this will be a full academic report; and
- A draft *Alcohol Insight* which summarises the key findings and their implications.

#### Annex A

# Members of the Alcohol Education and Research Council who served during the year to 31 March 2005:

Dr Noel Olsen	Chairman
Mr Ian Ford	Chairman of the Finance & General Purposes Committee
	Appointed 1 April 2004
Dr John Kemm	Chairman of the Research Committee
Mrs Daljit Sidebottom	Chairman of the Developing People and Organisations
	Committee
Dr Jonathan Chick	
Ms Jean Cousins	Appointed 1 April 2004
Ms Joyce Craig	Appointed 1 April 2004
Professor Ilana B Crome	
Ms Rhoda Emlyn-Jones	
Professor David Foxcroft	Appointed 1 April 2004
Mr Peter Harraway	
Professor Gerard Hastings	Appointed 1 April 2004
Professor Richard Hobbs	Appointed 1 April 2004
Dr Pui-Ling Li	
Ms Gaye Pedlow

#### Foreword to the Accounts

#### **Basis of preparation of Financial Statements**

The Financial Statements have been prepared in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in October 2000 and comply with Section 10 (i) (b) (ii) of the licensing (Alcohol Education and Research) Act 1981.

# **Going Concern**

The Council receives no grants from the Department of Culture, Media and Sport, or from any other government department, and has sufficient funds at its disposal to finance its ongoing grant commitments. There is no restriction on the reallocation of the fund's investments to supplement annual income to support its grant commitments. Accordingly, the Council considers it appropriate to prepare its financial statements on the going concern basis.

# The Alcohol Education and Research Council

The Fund owes its origin to the Licensing (Alcohol Education and Research) Act 1981. This Act was introduced by the Government to wind up the *Licensing Compensation Scheme*, which had been established early in the 20th century as a mechanism for reducing the number of pubs in the hope that this would reduce drunkenness and drunken offences. The liquidation of the licensing compensation funds, which was finally completed in 1997, produced a total of £3,118,599.

# **Results for the year**

The value of the Fund at 31 March 2005 was  $\pounds 11,363,702$ , an increase of  $\pounds 750,790$  over the value of 31 March 2004 ( $\pounds 10,612,912$ ). The increase in the value of the fund reflects the ongoing recovery of the UK stock market which commenced in 2003/4 following two years of declining values. The Council continues to maintain a conservative investment policy, where the opportunities for capital growth are constrained by the requirement to generate a minimum level of investment income.

The total income of the Council in the financial year was  $\pounds705,441$  (2003/4  $\pounds630,828$ ). The increase in income of  $\pounds74,613$  (11.8%) is due to growth in UK Equity dividends, and an increase in bequests and donations from  $\pounds4,810$  in 2003/4 to  $\pounds41,121$  in 2004/5.

Total expenditure amounted to  $\pounds 895,837$  (2003/4,  $\pounds 507,813$ ), of which,  $\pounds 83,412$  (2003/4,  $\pounds 101,927$ ) was accounted for by management and administrative expenses.

#### **Review of Investment Policy and Performance**

By section 7(5) of the Licensing (Alcohol Education and Research) Act 1981 as amended, the Council is empowered to invest any sums that are not immediately required for any other purpose in any investments in which trustees may invest under the general power of investment in section 3 of the Trustee Act 2000 (as restricted by sections 4 and 5 of that Act).

Baillie Gifford & Co manages the Fund on behalf of the Council. Following consultation with Baillie Gifford, The Council has decided to maintain its investment policy which seeks to generate income from investments in corporate bonds and UK equities. Included within the corporate bond portfolio is a holding in the pooled Baillie Gifford High Yield Bond Fund where, although there are no formal bond rating restrictions applicable, the Investment Manager is required to notify the Council if the pooled fund's exposure to bonds rated lower than B- exceed 10%. At 31 March 2005 this investment represented 6.8% of the Fund's value.

An income benchmark target of £605,000 has been agreed with Baillie Gifford for the year to 31 March 2006.

ASSET CLASS	INDICES	WEIGHTING
UK Equities	Micropal Equity Income Sector Average Return	67%
Corporate Bonds – Investment Grade	Merrill Lynch > 5 year Corporate Bonds	26%
– Sub-Investment Grade	Merrill Lynch Sterling High Yield	6%
Cash	LIBID 7 Day	1%

To achieve this level of income will require the Investment Manager to outperform the benchmark return which is a composite return as outlined below:

The only restriction that the Council places upon Baillie Gifford's investment discretion is that the Fund may not invest directly in any company involved in the manufacture of tobacco. Under section 4(1) of the Trustee Act 2000 the Council is obliged to have regard *inter alia* to the *suitability* of investments. As a charity involved in addictive health issues the Council believes that it would be extremely damaging to its reputation were it to be seen by the public at large to be investing in tobacco companies. The Council are of the opinion that this restriction falls within the acceptable criteria outlined in the Charity Commissioners Guidance Note CC14 – Investment of Charitable Funds.

The fund managers submit a monthly report to the Council on the valuation of the fund and on transactions in the portfolio. A full report is sent each quarter to each member of the Council, which in addition provides an overview of performance, a report on the economic outlook and other relevant issues. The fund managers regularly attend meetings of the Finance and General Purposes committee and from time to time attend meetings of the Council.

In terms of performance against the benchmark, Baillie Gifford & Co produced a total return of 15.3% against a return on the benchmark of 14.3%. The Council is of the opinion that investment performance can only be effectively assessed over a longer timeframe than one year. The Council is pleased to note that Baillie Gifford's average annualised performance over a 3 and 5 year timeframe has exceeded the benchmark as follows:-

	<u>3 Years</u> <u>% p.a.</u>	
Fund	8.2	6.0
Benchmark	6.7	4.9

Each month the fund manager transfers to the Council's deposit account with CAF Bank Ltd the investment income and bank interest that has been received in the past month.

#### Fundraising

The Council is actively seeking to expand its funding base through collaboration with other funding bodies such as the "Wales Office of Research & Development for Health & Social Care (WORD)" and the "World Health Organisation". The Council will also apply to be an "Award Partner" with the Big Lottery Fund to focus upon alcohol and healthy lifestyles.

The Council has also, from time to time, received donations or bequests. Under section 4 of the Alcoholics Anonymous (dispositions) Act 1986 any bequests made to the *Alcoholics Anonymous Fellowship* are deemed to have been made to the Council.

In the course of 2004/5 the Council received £41,121 in donations and bequests.

#### **Reserves policy**

It is the Council's policy to maintain approximately 1 - 2 per cent of the Fund in cash under the control of the fund manager.

The Council has considered the Charity Commission Guidance Note CC 19 dated April 2002. It is the Council's intention not to accumulate reserves, but to expend income year on year. However, due to the nature of the projects that it finances, it is possible for the Council to overspend or underspend in any one year depending upon the quality of grant applications received and the timing of grant claims. The Council reviews this policy on an annual basis.

#### Prompt Payment Policy

The Council follows the Treasury's guidance on payment of invoices. In 2004/5 the Council paid as many as possible of its invoices within the target 30 days.

#### **Council Members and Staff Transactions**

A full register of interests of Council members is held by the Council at its offices, where it may be seen on application to the Accounting Officer. Details of related party transactions in 2004/5 are disclosed in note 14 in the financial statements.

Audit

Under statute, the Comptroller and Auditor General is the auditor of the Council's Accounts for the year ended 31 March 2005. The audit fee in respect of this work was £3,100.

#### Statement of Council Members' and Accounting Officer's Responsibilities

Under the Licensing (Alcohol Education and Research) Act 1981 and the Charities Act 1993, the Council is required to prepare a statement of financial accounts for each financial year in the form and on the basis determined by the Secretary of State for Culture, Media and Sport with the consent of the Treasury. The accounts are prepared to show a true and fair view of the Council's financial activities during the year and of its financial position at its year end.

In preparing the Council's accounts, Members are required to:

- Observe the accounts direction issued by the Secretary of State\*, including the relevant accounting and disclosure requirements, and apply them on a consistent basis;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards and statements of recommended practice have been followed, and disclose and explain any material departures in the financial statements; and
- Prepare the financial statement on the ongoing basis, unless it is inappropriate to presume the Council will continue in operation.

Professor Ray Hodgson is the designated Accounting Officer for the Council and his relevant responsibilities as Accounting Officer, including his responsibility for the propriety and regularity of the public finances for which he is answerable and for the keeping of proper records, are set out in the Non-Departmental Public Bodies' Accounting Officer Memorandum, issued by the Treasury and published in Government Accounting.

#### Statement on Internal Control

#### Scope of Responsibility

As Accounting Officer and Chair of the Council (as a representative of the Council) we have joint responsibility for maintaining a sound system of internal control that supports the achievement of the Council's policies, aims and objectives as set out in our Statement of Purpose, whilst safeguarding the public funds and Council assets for which the Accounting Officer is personally responsible, in accordance with the responsibilities assigned to him in Government Accounting.

# The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively, and economically. The system of internal control has been in place in the Alcohol Education and Research Council for the year ended 31 March 2005 and up to the date of the approval of the annual report and accounts, and accords with Treasury Guidance.

#### Capacity to Handle Risk

The Council reviews its risk management arrangements each year. These arrangements include addressing risks involved in strategy and policies, people, partnerships, processes and priorities.

#### The Risk and Control Framework

The key elements of the risk strategy are to:

- Make the identification of risks an integral part of the planning process. Objectives have been set and then risks are linked directly to them;
- Assess risks on the basis of the likelihood and impact, and evaluate the impact of controls to distinguish between inherent risk and residual risk;
- Integrating risk assessment into all key areas of Council activities; and
- Reviewing strategic risks and progress against them.

Strategies are currently in place to address the following key risks:

- Fall in the value of investments;
- Catastrophic IT malfunction and loss of files;
- Loss of key staff resulting in loss of the core knowledge required to run the Council;
- Failure of grant holders to deliver; and
- Fall in the reputation of the Council and loss of support from the research community.

# **Review of Effectiveness**

As Chairman of the Council and Accounting Officer, we have responsibility for reviewing the effectiveness of the system of internal control. Our review is informed by the work of the Finance and General Purposes Committee, who have responsibility for monitoring risk management procedures and the maintenance and operation of the system of internal control, and comments made by the external auditors in their management letter and other reports.

We have been advised by the Council and the Finance and General Purposes Committee on the implications of the result of our review of the effectiveness of the system on internal control.

# Significant Internal Control Problems

There are no significant internal control problems to report.

Noel David Lyche Olsen Chairman of the Council Ray Hodgson Director and Accounting Officer

14 July 2005

14 July 2005

# The Certificate and Report of the Comptroller and Auditor General to the Houses of Parliament

I certify that I have audited the financial statements on pages 16 to 27 under the Licensing (Alcohol Education and Research) Act 1981. These financial statements have been prepared in the form directed by the Secretary of State for Culture, Media and Sport and approved by Treasury; they have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and the accounting policies set out on page 19.

#### Respective responsibilities of the Council, the Accounting Officer and Auditor

As described on page 11, the Council Members and the Director of the Alcohol Education and Research Council (AERC), as Accounting Officer, are responsible for the preparation of the financial statements and for ensuring the regularity of financial transactions. The Council is also responsible for the preparation of the other contents of the Annual Report and Foreword. My responsibilities, as independent auditor, are established by statute and guided by the Auditing Practices Board and the ethical guidance applicable to the auditing profession.

I report my opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Licensing (Alcohol Education and Research) Act 1981 and directions made by the Secretary of State thereunder, and whether in all material respects the expenditure, income and resources have been applied to the purposes intended by Parliament and the financial transactions conform to the authorities which govern them. I also report if, in my opinion, the other contents of the Foreword are not consistent with the financial statements, if the AERC has not kept proper accounting records, or if I have not received all the information and explanations I require for my audit.

I read the information contained in the Annual Report and consider whether it is consistent with the audited financial statements. I consider the implications for my certificate if I become aware of any apparent misstatements or material inconsistencies with the financial statements.

I review whether the statement on pages 12 to 13 reflects the AERC's compliance with Treasury's guidance on the Statement on Internal Control. I report if it does not meet the requirements specified by Treasury, or if the statement is misleading or inconsistent with other information of which I am aware from my audit of the financial statements. I am not required to consider, nor have I considered, whether the Accounting Officer's Statement on Internal Control covers all risks and controls. I am also not required to form an opinion on the effectiveness of the AERC's corporate governance procedures or its risk and control procedures.

#### Basis of audit opinion

I conducted my audit in accordance with the United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts, disclosures and regularity of financial transactions included in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Council and the Accounting Officer in the preparation of the financial statements, and of whether the accounting policies are appropriate to the AERC's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by error, or by fraud or other irregularity and that, in all material respects, the expenditure, income and resources have been applied to the purposes intended by Parliament and the financial transactions conform to the authorities which govern them. In forming my opinion I have also evaluated the overall adequacy of the presentation of information in the financial statements.

# Audit opinion

In my opinion

- the financial statements give a true and fair view of the state of affairs of the Alcohol Education and Research Council as at 31 March 2005 and of its incoming resources and application of resources, including its income and expenditure, and cash flows, for the year then ended and have been properly prepared in accordance with the Licensing (Alcohol Education and Research) Act 1981 and directions made thereunder by the Secretary of State for Culture, Media and Sport; and
- in all material respects the expenditure, income and resources have been applied to the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

I have no observations to make on these financial statements.

John Bourn Comptroller and Auditor General

Payments for investments		(2,379,683)		(2,363,210)		
Proceeds from sales of investments		2,413,133		2,263,495		
			33,450		(102,018)	
Net cash inflow/(outflow) for the year	14		156,235		(46,981)	

The notes on pages 19 to 27 form part of these financial statements.

#### 1 Accounting Policies

#### **1.1 Investment Income**

Investment income comprises interest and dividends received in the year and receivable at the year-end, and is shown inclusive of recoverable tax.

Prior to 2004/05, the accounting policy was to account for investment income on a cash received basis. Because there has been a change in accounting policy, which has a material impact on the accounts, the 2003/4 investment income, debtors and the cash flow statement have been restated in accordance with Financial Reporting Standards 3 - Reporting Financial Performance.

#### 1.2 Expenditure

Grants are accounted for by recognising the grants at the date on which they receive formal approval. All approved grants are therefore regarded as commitments.

Administrative and other expenditure is charged to the statement of financial activities in the year in which it is incurred.

#### **1.3** Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful economic life, as follows:

Office equipment 25% - 33% straight line

#### 1.4 Investments

Investments are included at their market value at the balance sheet date. Market value includes accrued interest on Corporate bonds and Government stocks.

#### **1.5** Foreign currency transactions

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of transaction. All differences are taken into the statement of financial activities.

#### 1.6 Taxation

As a registered charity the fund is not liable to taxation on its charitable activities, other than in respect of unrecoverable tax on dividend income.

#### 1.7 Funds

The Unrestricted Funds comprise income which the Council is free to use in accordance with its objects.

#### **1.8** Notional Cost of Capital

In accordance with Treasury guidance, a notional cost of capital of 3.5% (2003/04 3.5%) is charged in the Statement of Financial Activities in arriving at a net outgoing/incoming resources figure. This is reversed so that no provision is included on the Balance Sheet.

# 2 Constitution

The Alcohol Education and Research Fund is provided for as a statutory charity under the terms of the Licensing Act (Alcohol Education and Research) Act 1981, which was brought into operation on 1 October 1981 by Statutory Instrument 1981 No 1324. The fund is applied for the charitable purposes outlined in Section 7 sub-sections 2-4 of the Act.

#### 3 Investment Income

	2005	2004
	£	£
Corporate bonds and British Government stocks	185,198	184,230
Equities and convertible loan stocks	444,866	423,630
Bank deposit interest	34,256	18,158
	664,320	626,018

#### 4 Management and administration of the Charity

Bank charges		76	225
Chairman's expenses (travelling and subsistence)	)	3,671	_
Depreciation		1,561	1,561
		83,412	101,927

#### 5 Staff costs

The Council have employed two part time staff during the year (2004: two), who were engaged in administrative duties.

Staff costs for the above persons were:	2005	2004
	£	£
Salaries	57,998	57,961
Social security costs	6,211	6,132
Pension costs	1,622	1,300
	65,831	65,393

No employee received remuneration in excess of £50,000 per annum (2004: none).

The Accounting Officer (Director) received emoluments of £31,000 during the year (2004: £30,000) and no pension contributions. The costs, including national insurance contributions, in relation to the Accounting Officer (Director), have been allocated between charitable, and management and administration costs, in the ratio 60:40, to reflect the time spent on each activity.

#### 6 Tangible fixed assets

	Office Equipment £

The following investments each account for over 5% of the portfolio by value at 31 March 2005:

**Market Value** 

Baillie Gifford High Yield Bond	£795,858
Vodafone Group Ordinary Shares	£628,659

#### Realised (Losses) / Gains:

In 2004/05 AERC received a number of bonus shares. In addition a number of shares were also replaced as a result of mergers and takeovers. The net effect of these changes was a realised loss of  $\pm 10,335$  (2003/04  $\pm$  Nil).

The difference between the total market value of shares disposed and the cash received resulted in a realised loss of  $\pounds 1,304$  (2003/04 gain  $\pounds 194,459$ ).

#### 8 Trustees' reimbursements

Included in the cost of meetings is a total of £5,329 (2004: £11,868) reimbursed to or paid directly on behalf of 14 trustees (2004: 14). No remuneration is paid to trustees. Grant funding received by trustees is disclosed in Note 14.

#### **11** Financial Instruments

FRS 13, *Derivatives and other Financial Instruments*, requires disclosure of the role which financial instruments have had during the period, in creating or changing the risks the Council faces in undertaking its activities.

As permitted by FRS 13, debtors and creditors which mature or become payable within twelve months of the Balance Sheet have been omitted from this note.

#### Liquidity and Currency Risk

The Alcohol and Research Council has no borrowings and does not rely on departmental or other grants for its cash requirements. Income is generated primarily from its investments which as at 31 March 2005 were £11.6 million. It is therefore not exposed to liquidity risk. Furthermore as all material assets and liabilities are denominated in sterling, it is also not exposed to currency risk.

#### Grants to individuals (Studentship grants)

The Council paid grants to 19 students in the year totalling  $\pounds 101,765$  after deduction of sums refunded (2004: 21 students, total  $\pounds 53,168$ ). The grants covered course fees and, in the case of full-time students, included maintenance and other allowances on a scale similar to that of the Economic and Social Research Council.

#### 14 Cash Flow Statement

		2004
	2005	Restated
	£	£
Reconciliation of net movement in funds to net		
cash inflow from operating activities

Cash at bank	77,820	54,525
Cash awaiting re-investment	78,415	(101,506)
	156,235	(46,981)

#### 15 Related party transactions

Of the grants paid during the year, the following Council members have been involved in projects and, during the course of the project, they or their unit have received funding from the institution to which the grant was made. The details are as follows:-

#### **Oxford Brookes University**

One of the grant holders is Professor David Foxcroft, who is a member of the council.

#### **Cardiff University**

One of the grant holders is Ms Rhoda Emlyn-Jones, who is a member of the council

In addition, fees amounting to  $\pounds 1,200$  were paid in the year to the Accounting Officer's sonin-law for IT services. The work paid for was commissioned following a competitive tendering process, which did not involve the Accounting Officer, and which confirmed the quotation accepted as being the lowest received.

The Council's investments include a holding of 32,000 ordinary shares in Diageo plc. Mrs Pedlow, Council Member, is an employee of Diageo plc, and Mr Ford, Council Member, is an employee of The North British Distillery Company Limited, a subsidiary of Lothian Distillers Ltd which is 50% owned by Diageo plc. At 31 March 2005 this holding was valued at £238,720. The decision to invest in Diageo plc was made under delegated powers granted to Baillie Gifford & Co. The Council does not influence decisions to invest in specific equity or bond investments.

The North British Distillery Company Limited provides accountancy, finance, payroll and information technology services to AERC free of charge.
