INTRODUCTION

VOTE ON ACCOUNT FOR 1986-87

(CLASS XX, A, VOTE 1: HOUSE OF COMMONS: ADMINISTRATION)

The Vote on Account of House of Commons (Class XX, A, Vote 1) is presented in terms of standard proportions of the amounts voted so far for the corresponding services in the year 1985-86 except where it is known that any particular amounts required will differ significantly from this standard provision.

The purpose of this Vote on Account is, as in the past, to allow existing services to continue pending Parliament's consideration of the 1986-87 Estimates for these services. By "existing services" is meant services for which Parliament has voted provision before 31 March 1986, but provision may also be made in respect of a service for which Parliament has passed specific legislation or in respect of a service for which legislation is at present before Parliament.
