English speaking lawyers and translators/interpreters in Greece

**British Consular Network in Greece
April 2013**

The following list of English speaking lawyers and translators/interpreters has been prepared by the British Embassy Athens for the convenience of British Nationals who require legal advice in Greece. While every care has been taken in the preparation of this list, neither Her Majesty's Government nor any officer of the British Embassy can act as a guarantor of the competence or probity of any particular lawyer or translator, nor take any responsibility in regard to the consequences of accepting legal advice or initiating legal action.

The distinction between solicitors and barristers, as practiced in the United Kingdom, does not exist in Greece; Greek lawyers will do the work of both. The lawyers are registered with the Greek Bar Association and speak English.
