PRESENTED TO PARLIAMENT ON 6 SEPTEMBER 2013 (HC 628)**

1. This explanatory memorandum has been prepared by the Home Office and is laid before Parliament by Command of Her Majesty.

2. Purpose of the Instrument

2.1 The purpose of these changes is to:

- Expand the Tier 1 (Exceptional Talent) category to make new provision for artists of exceptional promise;
- Implement a package of small changes to Tier 2 of the Points-Based System to improve flexibility for businesses and applicants;
- Expand the use of “genuineness” tests in Tiers 1 and 5 of the Points-Based System, and the Minister of Religion category in Tier 2, to better protect those routes against abuse without disadvantaging genuine applicants;
- Expand the use of the “genuineness” test in Tier 4 to applications for further leave to remain;
- Amend the Knowledge of Language and Life in the UK requirement in line with the Statement of Intent published on 8 April 2013
- Create two categories of visitor for certain Commonwealth Games Family Members to enter the UK to compete or work at the Games. Games family members travelling from overseas will not require visas;
- Allow those Games Family Members already in the UK to apply for Commonwealth Games special leave to allow them to compete or work at the Games;
- Amend the Immigration Rules relating to Points-Based System dependants and dependants of other work routes, further to the judgment of the High Court in *R (on the application of Zhang) v Secretary of State for the Home Department*;
- Provide flexibility for tourists and business visitors to attend courses providing that is incidental to their visit; and make other minor changes to visitor routes;
- Expand the permissible activities a business visitor can undertake to include internal audits and corporate training where it is provided by a company outside of the person’s employer’s corporate group;

- Allow Tier 4 graduates who have completed their degrees in the UK to switch into a 12 month internship under Tier 5 Government Authorised Exchange category, provided it directly relates to their degree;
- Update the list of sports governing bodies for Tiers 2 and 5 of the Points Based System;
- Introduce the General Grounds for Refusal criminality thresholds to indefinite leave to remain applications by refugees and those granted humanitarian protection, to ensure that we are consistent in our approach to indefinite leave to remain for those with a history of criminal activity;
- Make provision in the Immigration Rules to grant leave to enter the UK to those eligible for the relocation element of the Redundancy Scheme being offered to locally engaged staff in Afghanistan;
- Delete from Appendix 1 those nationals or citizens of Kuwait who hold diplomatic and special passports issued by Kuwait when travelling to the UK for the purpose of a general visit in accordance with paragraph 41;
- Make minor changes and clarifications to the Immigration Rules relating to family life;
- Amend the grounds on which a person's leave to enter or remain in the UK may be curtailed. Paragraph 322(5A) (grounds of refusal of leave) is added to the grounds on which person's leave may be curtailed. Sub-paragraph (5A) is concerned with circumstances in which it is undesirable for a person to be permitted to remain in the United Kingdom because of their offending behaviour;
- Make a number of changes to the provisions governing the grant of further leave to overseas domestic workers who entered the UK under the Rules in place before 6 April 2012. These changes are intended to make it clearer that domestic workers wishing to extend their limited leave are required to be in full time domestic work and also clarify the length of leave which can be granted at each extension;
- To repeal Part 6 of the Rules, relating to a number of pre-PBS routes;
- Make a small change to the Prospective Entrepreneur Visitor route to include the Financial Conduct Authority as the new regulator of the financial services industry;

4.2 This Statement of Changes in Immigration Rules will be incorporated into a consolidated version of the Immigration Rules, which can be found under the 'Policy and Law' page at www.ukba.homeoffice.gov.uk where there are also copies of all the Statements of Changes in Immigration Rules issued since May 2003.

4.3 The changes set out in paragraphs 3, 40, 43-44, 46-47, 52-56, 64, 67, 70-72, 77, 79, 83-84, 87, 97, 101, 106, 114, 117-121, 123-128, 130, 135, 138, 199-200, 204-205 and 242 of this statement shall apply to all applications made on or after 28 October 2013. An application for leave to enter or remain which is made before 28 October 2013 but which has not been decided before that date will be decided in accordance with the Rules in force on 27 October 2013.

4.4 The changes set out in paragraphs 238 of this statement shall take effect from 1 January 2014.

4.5 The other changes set out in this statement shall take effect on 1 October 2013. However:

- (a) The changes in paragraphs 5-10, 11-25, 74-75, 78, 80-82, 92, 95, 100, 103-105, 140, 150, 164, 167, 180-181, 197-198, 201-203, 206-237, and 241 shall apply to all applications decided on or after 1 October 2013. These changes relate to:
 - (i) genuineness tests in the Points-Based System;
 - (ii) changes to evidential flexibility in the Points-Based System in applicants' favour;
 - (iii) corrections to minor errors in the Points-Based System in applicants' favour;
 - (iv) incidental study for tourists and business visitors and other minor visitor changes

and

- (v) minor changes and clarifications relating to family life.
- (b) With regard to the other changes, if an applicant has made an application for entry clearance or leave before 1 October 2013, the application will be decided in accordance with the Rules in force on 30 September 2013.

5. Territorial Extent and Application

5.1 This instrument applies to all of the United Kingdom.

6. European Convention on Human Rights

6.1 As this Statement of Changes in Immigration Rules is subject to a negative resolution procedure and does not amend primary legislation, no statement is required.

7. Policy Background

What is being done and why

7.1 A summary of the changes contained in this Statement follows:

Visitors

Changes relating to Commonwealth Games visitors

7.2. The Host City contract for the 2014 Commonwealth Games requires the UK to provide visa free access to certain Games Family Members during the Accreditation Period of the Games.

- The current Immigration Rules do not cater for this so two new routes are being created to permit this – Commonwealth Games Family Member Visitor and Commonwealth Games Family Member Child Visitor.
- The new routes also permit those Games Family Members already in the UK to apply for special leave to enable them to participate in the Games.
- The new routes will only be in effect for the duration of the Accreditation Period of the Games.

Changes to visitor routes

7.3 Currently general visitors (i.e. tourists and those visiting family) and business visitors are not permitted to study in the UK. If they want to study, they must apply for entry as a student visitor to study here for up to 6 months. We are introducing some flexibility for these visitors to undertake up to 30 days of recreational, English Language or academic study provided that is not the main purpose of their visit. Recreational study means leisure and

holiday-type courses such as pottery or horse riding. Any other study (including any English language) may only take place at an institution that holds a licence under Tier 4 of the Points Based System or which is accredited by a Home Office-approved body.

7.4 The student visitor route is for students coming here to undertake a short course of study that does not involve work or a work placement. We are introducing a provision to allow students enrolled on a degree level course outside the UK to come here for no more than 6 months at the invitation of a university in the UK to undertake research as part of that course.

7.5 Prospective students may currently come here for up to 6 months in order to finalise their study arrangements. This route is little used and we are therefore removing it and the prospective student dependant routes with effect from 1 October. Provision has been retained for persons granted leave to enter as a prospective student before 1 October, for less than six months, to be granted leave to remain to complete a maximum of 6 months stay.

7.6 Changes are being made to increase the permissible activities that a business visitor can undertake in the UK. Firstly, to allow internal auditors from global corporations to undertake short internal audits as business visitors rather than using the Tier 2 Intra-Company Transfer route. Secondly, to expand the training a business visitor can receive to include corporate training that is for the purposes of the visitor's employment overseas, delivered by a UK company that is neither part of the person's employer's corporate group nor whose main activity is the provision of training.

7.7 A small change is being made to the prospective entrepreneur visitor route to include the 'Financial Conduct Authority' as the new regulator for the financial services industry.

Changes relating to Tier 1 of the Points-Based System

7.8. Tier 1 of the Points-Based System caters for high value migrants, and currently consists of five categories: Tier 1 (Exceptional Talent), Tier 1 (General) – closed except for extension applications, Tier 1 (Entrepreneur), Tier 1 (Investor) and Tier 1 (Graduate Entrepreneur).

7.9. The Tier 1 (Exceptional Talent) category was introduced for those who lead the world or show exceptional promise in the fields of science, humanities, engineering and the arts, who have been endorsed by a Designated Competent Body and wish to work in the UK. The following changes are being made to this category:

- Changes are being made to reflect changes in the Arts Council's criteria for endorsing applicants in the arts. In particular, the Arts Council has added criteria for endorsing applicants with exceptional promise.
- A minor change is being made to the requirements for supporting letters in the criteria used by other Designated Competent Bodies, at those Bodies' request.

- Following Croatia’s accession to the European Union, a change is being made to adjust the number of endorsements available under the Tier 1 (Exceptional Talent) limit by the number of Croatian nationals endorsed by each Designated Competent Body. This mirrors a change made to the Tier 2 (General) limit in HC1039, laid on 14 March 2013.

7.10. The Tier 1 (General) category, in which applicants scored points for their qualifications, previous earnings, age and UK experience, was closed to new applicants in April 2011 but remains open for extension and settlement applications. The following changes are being made to this category:

- A “genuine earnings” test is being introduced, following the introduction of similar tests in the Tier 1 (Entrepreneur) category and Tier 4, the student route. This change is being made in response to concerns that Tier 1 (General) is being abused by applicants submitting bogus claims of their earnings, particularly self-employed earnings. The new test gives caseworkers greater scope to test the evidence presented in cases where abuse is suspected.
- A correction is being made to allow those who were granted as work permit holders, before switching into Tier 2 (ICT) and then into Tier 1 (General), to count the time spent in all three categories towards the five year qualifying period for settlement.

7.11. The Tier 1 (Entrepreneur) category caters for applicants coming to the UK to set up, take over, or otherwise be involved in the running of a business in the UK. The following minor changes are being made to this category:

- A minor change is being made to the “genuine entrepreneur” test to bring it into line with the other genuineness tests being introduced by these changes. This change specifies that caseworkers **may** choose not to apply the test if refusing an application on other grounds, but may still choose to do so if there are valid reasons to.
- Applicants must have investment funds to invest in their business and maintenance funds to support themselves and any dependants. A clarification is being made to confirm that applicants cannot rely on the same funds to satisfy the investment and maintenance criteria.
- A team of two Tier 1 (Entrepreneur) applicants can share the same funds, however, to prevent abuse of the route, teams are limited to two members. This is being clarified.
- A change is also being made to clarify that funding can be made available to an applicant’s business, rather than directly in the applicant’s own name, providing there is evidence to link the applicant sufficiently to that business.
- Some minor changes to specified evidence are being made, including to reflect changes in documentation issued by HM Revenue and Customs.

7.12. The Tier 1 (Investor) category caters for high net worth individuals making a substantial financial investment to the UK. Minor drafting errors are being corrected in this category.

Changes relating to Tier 2 of the Points-Based System

7.13 Tier 2 of the Points-Based System caters for migrant workers with an offer of a skilled job from a licensed employer. There are four overall categories: Intra-Company Transfer (ICT), General, Minister of Religion, and Sports person. The following changes are being made to Tier 2:

- A deregulatory change is being made to remove the English language requirement for applicants in the Tier 2 (ICT) category extending their stay beyond three years. (At present only those paid £152,100 are exempt.) The test is a basic one (level A1 on the Common European Framework of Reference) and as the Tier 2 (ICT) category ceased to lead to settlement in 2010, the need for integration is less relevant. This change is being made in response to representations from businesses.
- A change is being made to add Tier 1 (Graduate Entrepreneur) to the list of categories which can benefit from the post-study work provisions when switching into the Tier 2 (General) category. These provisions waive the requirement for Sponsors to carry out a Resident Labour Market Test, and allow applicants to be paid “new entrant” rather than “experienced worker” salary rates.
- A further deregulatory change is being made to waive the rule that Tier 2 (General) applicants cannot own more than 10% shares in the Sponsor’s business, for those who earn more £152,100 or more. This requirement was put in place as it is unlikely a genuine Resident Labour Market Test can take place for a job where the migrant appointed is a significant shareholder. However, the requirement is unnecessary and inappropriate for these high earners, who are not subject to the Resident Labour Market Test.
- A correction is being made to the Codes of Practice, which set out (among other things), minimum appropriate rates of pay for occupations under Tier 2 and the work permit arrangements. The correction amends the weekly hours on which the rates are based, in line with information from the salary sources used to derive the rates.
- A “genuineness” test is being added to the Tier 2 (Minister of Religion) category, as with Tier 1 (General). This change is being made to address concerns that the category is not always being used by those with the skills and experience to do the jobs they are being sponsored for, and who may in fact be coming to the UK for other purposes.
- For a Tier 2 migrant to qualify for settlement, their Sponsor must certify that they are still required and are being paid the appropriate rate for their occupation. A change is

being made to require Tier 2 Sponsors to still hold (or have applied to renew) a Tier 2 Sponsor licence in order to endorse settlement applications.

- A temporary exemption from the requirement to advertise via Jobcentre Plus (or JobCentre Online in Northern Ireland) exists for NHS positions advertised on NHS Jobs. This exemption was due to expire on 1 October 2013 but is being extended to 6 April 2014 while technical issues are resolved.
- A reference to guidance on paid allowances is being removed, as this guidance is now contained within these Rules.

Changes relating to Tier 4 of the Points-Based System

7.14 Tier 4 of the Points-Based System caters for international students who wish to study in the United Kingdom. The following changes are being made to Tier 4:

- In July 2012 a “genuineness” test was introduced for Tier 4 (General) Student applicants applying for entry clearance. This will now be extended to Tier 4 (General) Student applicants applying for leave to remain. This will enable decision makers to be satisfied that an applicant is a genuine student where there are concerns that the category is being used for other purposes. This will be accompanied by a change that also allows the decision maker to be satisfied that the applicant speaks adequate English.
- To add the South London Local Education and Training Board to the definition of “UK recognised body”. This will enable the Board to issue CAS for dentists who have completed their study and need to undergo a further period of training. This function has previously only been exercised by the Foundation Programme Office and Yorkshire and Humber Strategic Health Authority and this change will enable the South London Local Education and Training Board to perform the same function.
- Appendix H of the Immigration Rules lists the countries and regions from which applicants are subject to different documentary requirements and are exempt from the genuineness test under Tier 4 of the Points-Based System. The Home Office has reviewed the list, re-assessing countries against a range of risk and compliance criteria, and concluded that Barbados merits addition to the list on the basis of the high levels of compliance of their students. In addition, following its accession to the European Union Croatia is being removed from the list.

Changes relating to Tier 5 of the Points-Based System

7.15 Tier 5 of the Points-Based System caters for youth mobility and temporary workers coming for primarily non-economic purposes, and consists of two categories: Tier 5 (Youth Mobility Scheme) and Tier 5 (Temporary Worker). The Temporary Worker category consists of five sub-categories: Creative and Sporting, Charity Workers, Religious Workers, Government Authorised Exchange, and International Agreement. Applicants must have a

Tier 5 Sponsor, which is usually their UK employer. The following changes are being made to Tier 5:

- A “genuineness” test is being added to the Tier 5 (Temporary Worker) category, as with Tier 1 (General) and Tier 2 (Minister of Religion). This change is being made to address concerns that the category is not always being used by those with the skills and experience to do the jobs they are being sponsored for, and who may in fact be coming to the UK for other purposes.
- A change is being made to allow selective switching for students in Tier 4 who have completed degrees in the UK to undertake corporate internships which directly relate to their degrees. These internships will take place in the Tier 5 Government Authorised Exchange sub-category. This change is being made in response to representations from businesses that such a change will make it easier to recruit graduates with specialist skills for internships with a view to offering them a permanent position in the future. As with any work experience scheme in this sub-category, roles must be supernumerary and stay is restricted to 12 months. Switching into Tier 2 at the end of the internship is not permitted.
- A minor change is being made to align the Immigration Rules with a long-standing provision in guidance, for Sponsors carrying out a Resident Labour Market Test before sponsoring a creative worker in the Creative and Sporting sub-category in a role for which no specific Code of Practice exists.
- On the Youth Mobility Scheme: Hong Kong is being added to the list of participating countries and territories and the annual allocation of places for all participating countries on the scheme is being set for 2014. There is an increase in the allocations for Australia (35,000 to 38,500) since it attracted a higher number of British youths under its reciprocal scheme in 2012 than in the previous year.
- Minor updates are being made to the list of Government Authorised Exchange Schemes to include two new work experience schemes: a post-graduate internship scheme run by De La Rue, and a Mandarin teaching programme run by the University of Ulster. The UK-China and UK-India Graduate Work Experience Programmes are being removed as they have been replaced by the wider internship scheme run by GTI recruiting solutions.

Cross-cutting changes relating to all Tiers of the Points-Based System

7.16 Amendments are being made to the provisions for applications submitted without all the specified documents, to improve flexibility where specified information can be verified by other means, and to clarify what is meant by a document in the wrong format. The circumstances of when and how this flexibility may be applied is set out to ensure consistency of decisions.

7.17 Changes to requirements to provide bank statements are being made, to allow electronic bank statements to be submitted for all bank accounts, not just those which are exclusively online accounts.

7.18 Changes are being made to make the required format of payslips consistent across the Immigration Rules and published guidance. The changes will also make it easier for employers by removing an unnecessary requirement to stamp and sign original payslips which are not on headed paper.

7.19 Sports players and coaches applying in the Tier 2 (Sportsperson) and Tier 5 (Temporary Worker – Creative and Sporting) categories must be endorsed by the relevant UK Governing Body for their sport. Three additions are being made to the list of approved governing bodies – Netball Scotland, British Wheelchair Basketball and The British Wheel of Yoga.

7.20 A few minor drafting corrections and updates to paragraph numbers and references are being made.

Changes relating to dependants in the Points-Based System and other work routes

7.21 The judgment of the High Court in *R (on the application of Zhang) v Secretary of State for the Home Department* related to the ability of migrants in the UK in other immigration categories to switch into the status of a Points-Based System dependant. The judgment did not strike down the existing Rule but set a legal precedent which it predicted would cause difficulties in enforcing the Rule in future.

7.22 The present requirement (that only those who entered the UK as dependants can apply in-country as dependants) is therefore being amended to bring it more in line with the changes to the Rules for family members of British citizens and settled persons set out in HC 194 (laid before Parliament on 13 June 2012). The changes will mean that applicants can apply in-country as a dependant, providing they are not an illegal entrant, or were last granted as a visitor, temporary admission or temporary release. This also entails adding a definition of “visitor” to the Immigration Rules.

7.23 The present restrictions on switching the other way around, from dependant to being a main applicant in a person’s own right, will remain. This will continue to prevent main applicants and their dependants from continually swapping statuses in order to prolong their stay in the UK, which would undermine other restrictions such as those on maximum length of stay in certain immigration categories.

7.24 The following technical corrections and amendments are being made at the same time:

- Two corrections to the rules for child dependants in work routes outside the Points-Based System and of Retired Persons of Independent Means. The first allows child dependants to apply for settlement at a later date than their parents if needed, rather than being required to apply at the same time. The second applies the Knowledge of

Life in the UK test to those who are over the age of 18 when they apply for settlement, as is the case in other routes.

- Corrections to the rules for partners of migrants in the above routes, to provide for settlement of unmarried/same-sex partners and to align the provisions with rules for dependants in other routes.
- A correction to an existing provision allowing entertainer and sports visitors to switch into the Creative and Sporting sub-category of Tier 5 (Temporary Worker), and their dependant partners to switch from visitor status with them. The existing Rules do not provide for their dependant children to also switch with them, and this oversight is being corrected.
- Amendments to paragraph references that had become unaligned as a result of previous changes made to improve the clarity of the Rule.

Changes relating to family life

7.25 The following minor changes and clarifications are being made to the Immigration Rules relating to family life:

- To remove references to the UK Border Agency or replace them with references to the Secretary of State or the Home Office, to reflect the reintegration of immigration functions within the Home Office.
- To make a minor clarification to the eligibility criteria for leave to remain as a parent under Appendix FM.
- To amend the provisions under Appendix FM-SE for applications submitted without all the specified documents, to improve flexibility where specified information can be verified by other means, and to clarify what is meant by a document in the wrong format.
- To amend the requirements for specified evidence under Appendix FM-SE to allow electronic bank statements to be submitted for all bank accounts, not just those which are exclusively online accounts, and to ensure consistency across the Immigration Rules in the required format of payslips.
- To clarify the information to be evidenced through personal bank statements provided under Appendix FM-SE.
- To clarify that Appendix FM-SE allows cash savings used to meet the financial requirements to be held in a bank/savings account which is investment-based (e.g. a stocks and shares Individual Savings Account), as well as in a deposit account.
- To amend Appendix FM-SE to allow cash savings used to meet the financial requirements to include the proceeds of the sale, within 6 months of the date of

application, of a property (or share of this) owned by the applicant, their partner or both jointly.

- To amend Appendix FM-SE to allow a person who is a subcontractor under the Construction Industry Scheme administered by HMRC to evidence their income from that work as though it were salaried employment. Under the scheme, the relevant contractor deducts income tax and National Insurance contributions from the income paid to the subcontractor.
- To clarify the provisions under Appendix FM-SE for the calculation of income from salaried and non-salaried employment.
- To amend Appendix FM-SE to allow a sponsor who is returning to the UK to take up non-salaried employment in the UK starting within 3 months of their return to count the gross “on-target” earnings which may be expected from satisfactory performance in their standard or core hours of work.

Changes relating to the extension of provision in the Immigration Rules for curtailment

7.26 Paragraph 322(5A) added an additional general reason for refusal, where a migrant’s offending has caused serious harm or he is a persistent offender who has shown a particular disregard for the law. Paragraph 323 is amended to provide that leave may be curtailed for the same general reason.

Changes relating to Knowledge of Language and Life in the UK

7.27 Unless exempt, applicants for indefinite leave to remain are required to demonstrate their knowledge of English language and life in the UK. The provision aims to ensure that migrants intending to live permanently in the UK have sufficient English language skills and knowledge of life in the UK to equip them to interact with the wider community and thus aid their integration.

7.28 Under the previous arrangements, it was possible to qualify for indefinite leave to remain with a low level of spoken English and without passing the Life in the UK test. As announced by the Home Secretary in her Statement of Intent on 8 April, changes are being made to the knowledge of language and life requirement to ensure that all applicants can communicate orally at a level equivalent to B1 on the Common European Framework of Reference for Languages and to require applicants to demonstrate their knowledge of UK life by passing the Life in the UK test. B1 is the first independent level of language at which an applicant can communicate in a variety of situations and express their opinions on a range of topics. Provision is being made to accept a wide range of English language qualifications to enable applicants to study English in a way which suits individual needs.

7.29 There will continue to be exemptions for those aged 65 or over and for those who have a disability which adversely affects their ability to learn English. Additionally, recognising that the full requirement may be particularly challenging for some individuals, there will be

an alternative route for those who have been in the UK on a family route for 15 years but who, despite best efforts, have not been able to reach B1 level.

Changes relating to pre-PBS routes

7.30 Repeal of Part 6. We propose to repeal remaining provisions in Part 6 of the Rules which comprise residual rules for further leave for a number of pre- PBS work routes, including the provisions for Bulgarians and Romanians entering under EC Association Agreements (ECAA). It has not been possible to enter on any of these routes since June 2008 and any periods of further leave granted under Part 6 will have already expired. Nationals of EEA states (including nationals of Romania and Bulgaria) may qualify for permanent residence under the Immigration (European Economic Area) Regulations 2006.

Changes relating to English language requirements

7.31 Changes are being made to improve flexibility, by enabling applicants to pass an English language requirement up to and including B1 or B2 level if they have previously satisfied a requirement at that level in Tier 4 of the Points-Based System.

7.32 A clarification is being made to confirm that, where two or more components (reading, writing, speaking and listening) of an English language test are examined and awarded together, for example a combined exam and certificate for reading and writing skills, applicants must achieve the required scores in all the relevant components during a single sitting, and cannot combine scores from different parts of the same examination sat at different times. This change does not affect applicants applying for limited leave under the family rules.

7.33 Changes are being made to replicate the changes made HC 244, laid on 10 June 2013, for Points-Based System Migrants, relating to specified documents for English language tests. These changes are being replicated for the similar English language requirements for Representatives of Overseas Businesses and dependants in various categories.

7.34 Minor amendments are being made to the levels of English covered by one of the listed approved tests, to remove duplication and to update paragraph numberings and paragraph references.

Introduction of new rules for settlement protection

7.35 The purpose of this change is to introduce the General Grounds for Refusal criminality thresholds to indefinite leave to remain applications by refugees, to ensure that we are consistent in our approach to indefinite leave to remain for those with a history of criminal activity.

***Introduction of a Redundancy Scheme for locally engaged staff in Afghanistan:
Relocation element in the Immigration Rules***

7.36 On 4 June 2013 the Secretary of State for Defence announced the Redundancy Scheme to be offered to locally engaged staff in Afghanistan who have, or will be, made redundant as a result of the UK's military drawdown. The full details of the scheme can be found here: www.parliament.uk/documents/commons-vote-office/June_2013/4-6-13/4.DEFENCE-Afghanistan.pdf

7.37 Under this scheme approximately 600 former locally engaged staff will be eligible to relocate to the UK. The Rules contained in this Statement give effect to this aspect of the scheme by allowing eligible applicants to be granted up to a period of 5 years leave to enter.

7.38 The Rules contained in this Statement do not set out the eligibility criteria for the overall Redundancy Scheme. Employing departments (Foreign and Commonwealth Office, Ministry of Defence and Department for International Development) will nominate to the Home Office applicants who are eligible for the relocation element of the scheme, and who choose to come to the UK. The Home Office will then consider, in accordance with these Rules, suitability for relocation to the UK. If the applicant's character or conduct is unsatisfactory, the person will be excluded from the scheme.

7.39 The Rules contained in this Statement also set out the eligibility requirements for accompanying family members, which will be limited to the applicant's spouse / partner and their minor dependant children.

Changes to Appendix 1- Visa Requirements

7.40 Changes to the visit visa requirement for Kuwaiti nationals who hold a diplomatic or special passport – this forms part of a Memorandum of Understanding that was signed at Ministerial level in November 2012.

7.41 The UK values close co-operation with Kuwait and these amendments to the UK's visa requirements will allow greater flexibility and ease of travel for those who are actively engaged in developing the ties between and who are supporting the mutual interests of both Governments.

7.42 The changes will be of interest in the countries concerned.

7.43 These changes reflect a need to deepen relationships between the UK and Kuwait whilst ensuring that the security of the UK border is upheld.

Changes relating to Overseas Domestic Workers

7.44 A number of amendments are being made to clarify the provisions governing the grant of further leave to overseas domestic workers who entered the UK under the Rules in place before 6 April 2012. These amendments clarify that domestic workers wishing to extend their limited leave are, and have always been, required to be in full time domestic work in a single household. Further amendments are intended to ensure that the length of leave granted at each extension includes any period of unexpired leave in addition to the extension granted.

Changes relating to translations of specified documents

7.45 Minor changes are being made to the requirements relating to translations of specified documents, to better reflect operational practice when verifying translations.

8. Consultation

8.1 As these changes are limited to minor updates, clarifications and corrections, and the 2014 Commonwealth Games, they have not been the subject of a formal public consultation.

9. Guidance

9.1 Where necessary, guidance will be updated and placed on the Home Office website and regional Foreign and Commonwealth Office websites.

10. Impact

10.1. These changes will have limited or no impact on business, charities, the public sector or voluntary bodies, such that an impact assessment is unnecessary.

11. Regulating small business

11.1 The changes to Tier 2, Tier 4 and Tier 5 of the Points-Based System will apply to small businesses that are Tier 2, Tier 4 or Tier 5 Sponsors.

12. Monitoring and review

12.1 The review clauses at the beginning of this Statement of Changes require the Secretary of State to review the operation and effect of all of the relevant Immigration Rules, including any Rules amended or added by the changes in this Statement and lay a report before Parliament within five years of 6 April 2012 and within every five years after that. Following each review the Secretary of State will decide whether the relevant Immigration Rules should remain as they are, be revoked or be amended. A further Statement of Changes would be needed to revoke or amend the relevant Rules.
