Part 4 Training Allowance claimant declaration

The **ES40JP** booklet tells you what you must do and report when claiming Jobseeker's Allowance. You should read it before signing these declarations.

I wish to receive the Jobcentre Plus Work Programme allowance payments due to me whilst I am on my provision. I understand these will be paid to me by Jobcentre Plus, and that to receive them I must sign this document.

I understand that while I am on my provision, I will receive a Jobcentre Plus Work Programme allowance, which is paid at the same rate as the benefit I am receiving now.

I confirm I have been given a copy of the WPO4 letter and have read its contents.

I also understand that I must tell Jobcentre Plus and my provider immediately if:

- I leave provision or stop attending for any reason, or
- my circumstances or the circumstances of my dependants change. For example income, address, marital status or size of family.

I agree to repay Jobcentre Plus any allowance paid to me that I am not entitled to.

I also declare that since I made my claim or last provided a signed declaration (if later):

- I have done no work, paid or unpaid unless I have told you otherwise

- if my declarations include a period in advance, I:
