## **NGEC shortlisted bidders: Scotland Capital Works Framework**

December 2013

*The following organisations have been shortlisted to go forward to the next stage of the procurement process for the Scotland Capital Works Framework following the evaluation of pre-qualification questionnaires (PQQs).*

*The PQQ evaluation process looked at the evidence of the bidders' past performance. This included technical capability, health and safety, financial standing, quality assurance, environmental management and equal opportunity and diversity.*

*The framework will be used to deliver construction projects valued below £12m across the defence estate in Scotland.*
