I would like to request the following information Under the Freedom of Information Act 2000.

a) What communication support do the department, and the agencies and public bodies supported by the department, provide for deaf and hard of hearing people to access their services?

b) Do the department, and the agencies and public bodies supported by the department, provide NRCPD registered communication professionals for deaf people to access their services?

c) How many people have requested the use of a sign language interpreter to access services offered by the department, and the agencies and public bodies supported by the department, in the past year?

---

Please note that due to length of this request the info of introduction has been removed.
This is a formal request for information under the Environmental Information Regulations 2004

Therefore, would you please be able to supply information on your department/organisation’s implementation of the UK government’s timber procurement policy in relation to the purchase of timber and wood products, including:

- Paper products (including printer and copier paper, envelopes, tissue paper, presentation folders, notebooks, binders, file dividers, etc.);
- Wooden furniture (including items such as desks, chairs, filing cabinets, bookcases, park benches, etc., which are wholly or partially made of wood); and
- Timber used in construction, refurbishment or maintenance or flood defences (including site hoarding, fencing, roofing, flooring, window frames, door frames, doors, panelling, flood defence materials, etc.).

In particular, please would you supply the most recent information available in answer to the following questions (please specify the period covered):

1. Does your department/organisation follow the UK government’s Timber Procurement Policy exactly?
2. Where your department/organisation does not follow the UK government’s Timber Procurement Policy exactly, any information as to how the approach of your department/organisation differs from that policy and why that policy was not followed;
3. Information as to how your department/organisation ensures that this policy is implemented at a strategic or corporate level;
4. Information as to who is responsible for ensuring the [department/organisation] approach to timber procurement is followed;
5. Details of any specific target (or targets) for timber procurement for your department/organisation;
6. Information as to how your department/organisation’s procurement approach has been communicated to relevant staff;
7. Details of any contact your department/organisation has had with the Central Point of Expertise on Timber (CPET) within the last 12 months;
8. Any information indicating the use of materials available on the CPET website to implement the Timber Procurement Policy for your department;
9. Details of any other public sector organisation or contractor that procures supplies of these products for your department/organisation;
10. Details of any written policy or decision to use a central procurement service for the procurement of these supplies;

11. Where your department/organisation procures timber supplies directly (rather than through another organisation or a central procurement service), please provide details of the means by which any or all of these products are procured, whether through one-off purchases, or by agreeing contracts with suppliers (including using Government Procurement Service or equivalent framework agreements or catalogues).

12. Details (excluding commercially confidential information) of the extent to which your organisation uses contractors (for example for corporate procurement, facilities management, print management, maintenance or construction contracts) who use any of these products in fulfilling their contracts.

13. Details of the measures your department/organisation takes to ensure such contractors follow your department’s/organisation’s procurement policy.

14. The percentage of timber, wooden and paper products procured that do not meet your department’s/organisation’s procurement policy.

15. For timber, wooden and paper products procured that do meet your department’s/organisation’s procurement policy, details of data you have collected on the volumes, percentage and value of the (a) recycled, (b) legal, (c) certified (FSC or PEFC) and/or sustainable timber, wooden and paper products procured by your organisation or its contractors, and to whom this data is reported.

You may wish to note that your department/organisation has already been asked to complete a slightly more extensive version of these questions, via an online questionnaire. That questionnaire can still be completed at [http://www.surveymonkey.com/s/YYBK5SB](http://www.surveymonkey.com/s/YYBK5SB) and we would regard completion of it as equivalent to meeting this freedom of information request.

The Government Office for Science (GO-S) is identified as a previous funder on the website of the Science Media Centre (see [http://www.sciencemediacentre.org/about-us/funding/](http://www.sciencemediacentre.org/about-us/funding/)). I understand that this is the appropriate contact for data requests to GO-S under Freedom of Information (FoI) and am therefore submitting a request as follows.

For the period from 2002 to present, please provide me with:
a) Details of all funding provided by the Government Office for Science (GO-S) to the Science Media Centre - including dates of payments, amounts paid, and details of what was being paid for;
b) A copy of all correspondence between the Government Office for Science (GO-S) and the Science Media Centre;
c) A copy of any contracts or Memoranda of Understanding (MoUs) between the Government Office for Science (GO-S) and the Science Media Centre.

Please find below a request for information made under the Freedom of Information Act. I would be very grateful if you could supply the requested information on your department:

1.) How many of the aforementioned Christmas trees purchased for the Department’s premises (please see previous email) were disposed of after use, as opposed to being stored for future use?

2.) Of the Christmas trees purchased, what was the total cost to the department of each tree as invoiced by the supplier?

3.) Were any of these Christmas trees purchased using a dedicated e-procurement platform, as opposed to a traditional paper-based invoicing process?

I am writing to obtain information about the use of corporately settled credit card transactions, including Government Procurement Cards (GPC).

To outline my query as clearly as possible, I am requesting:

if your organisation required the amount to be repaid
if the amount was repaid

This is a Freedom of Information Act request relating to ministerial visits.

Please provide a list of all visits from the department to the North East of England since the coalition government was formed.

Where possible, please state date of visit, location of visit, name of minister visiting and purpose of visit.

Please take the North East of England to be the area covered by the former Government Office North East.

I would like to apply under freedom of information laws for any notes, records or other documents drawn up by or on behalf of ministers relating to the way that they want their office run for example the way that they prefer briefings or correspondence presented or timings / other requirements for lunch, coffee or snacks or other instructions.

I am writing to request information under the Freedom of Information Act 2000 regarding regulations on EU Public Procurement. In order to assist you with this request, I am outlining my query as specifically as possible.

I would like to request any documents, correspondence or reports relating to the costs, including legal fees, of compiling with these rules to public bodies under the jurisdiction of the Department for Communities and Local Government.

If you need further clarification, please contact me by email. My preferred format to receive the information is electronically, but I can accept hard copies.

If FOIA requests of a similar nature have been asked already, please could you additionally include your responses to those requests?
1) How much food is supplied in the department's staff canteen(s) and in any food for any other purposes, e.g. in snack machines or as refreshments for meetings. Please provide a monthly breakdown of: The food supplied into the department, the average/estimated quantity supplied. And how much it costs to provide that foodstuff.

2) Please provide any guidance on what the department does to dispose of food waste

3) How much unused food does the department throw away? Please provide in a monthly breakdown of the total weight of all the thrown away food.

If it helps keep things below cost boundaries, please restrict 'the last year' to 'since last December',

Under the Freedom of Information Act 2000, please could you supply me with the total amount paid by your organisation by way of business rates in relation to your organisation's own vacant property/accommodation for each of the financial years 2008/9, 2009/10, 2010/11, 2011/12, and 2012/13. Please also provide the total number of properties which incurred such costs for each of those years.

If a forecast figure for empty property rates payments in 2013/14 or 2014/15 or 2015/16 exists, kindly provide those as well.

Please could you provide a response to the following questions under the terms of the Freedom of Information Act (FOIA)

1. Has your department purchased equipment manufactured by Huawei Technologies at any point in the three years up to 30th September 2013?

If so, please provide details in each case of the nature of the equipment, the date purchased, and the sum paid.

2. Has your department commissioned Huawei Technologies to provide operational or consulting services at any point in the three years up to 30th September 2013?

If so, please provide details in each case of the nature of the services, the date purchased, and the sum paid.

Under the Freedom of Information Act 2000 I would like you to release all details of proposals to sell off the land the department owns for the development of new housing between 2012 and 2020.

If some parts of this request are easier to answer than others, I would ask that you release the available data as soon as possible.

I would like to make the following request under the terms of the freedom of information act.

I have attached a table on page 2 which I would ask that you complete with regards to the following category areas, stationery, printer toners, printer paper, office furniture, janitorial consumables, printed forms and I.T peripherals.
