1.—(1) These Regulations may be cited as the Local Authorities' Traffic Orders (Procedure) (England) Regulations 2012 and come into force on [INSERT DATE] 2012.

(a) to which the 1996 Regulations apply; and

(b) which is to be made by an authority which is an order making authority for the purposes of these Regulations,

consultation has been begun under regulation 6 of the 1996 Regulations, those Regulations continue to apply to that order as if these Regulations had not been made.

(3) Nothing in these Regulations is to be taken as affecting the operation of sections 16 and 17 of the Interpretation Act 1978(b).

(b) the application of a provision of an order under either of those sections,
includes a reference to the variation, revocation or application (as the case may be) of the provisions of an order which has been continued in force by paragraph 11(1) of Schedule 10 to the 1984 Act.

Application of Regulations

4.—(1) This Part and Parts 2, 3 and 4 of these Regulations apply to orders made or proposed to be made by a local authority under section 1, 6, 9, 19, 29, 32, 35, 37, 38, 45, 46, 49, 61, 83(2) or 84 of the 1984 Act and this Part and Part 5 apply to notices given or proposed to be given under section 35C or 46A of that Act.

(4) A notice or other document authorised or required to be given or made by these Regulations may identify or describe any road or place by reference to a map.

(5) Nothing in this regulation is to be taken as affecting an order made before this regulation came into force or as limiting the extent of the powers of an English order making authority as they were before this regulation was made.

PART 2

PROCEDURES BEFORE MAKING AN ORDER

Preliminary

6. The provisions of this Part of these Regulations have effect subject to those of Part 4.

Consultation

7.—(1) Before making an order, an order making authority must consult—

(a) any other local authority in whose area a road or place to which the order applies is situated;

(b) such other persons or organisations appearing to it to be likely to be affected by the making of the order;

(c) such persons or organisations appearing to it to be representative of such persons; and

(d) such other persons or organisations as, having regard to the provisions of the order and its likely effect, it thinks appropriate.

(2) The requirements of this regulation are without prejudice to the provisions of—

(a) paragraph 20 of Schedule 9 to the 1984 Act (consultation with the chief officer of police);
(b) paragraph 6(3)(c) of Schedule 5 to the 1985 Act (consultation required of metropolitan district councils); and

(c) any other provision of the 1984 Act requiring consultation.

Publication of proposals

8.—(1) Before making an order, the order making authority must publish a notice (in these Regulations called a "notice of proposals") containing the particulars specified in Parts 1 and 2 of Schedule 1.

(2) A notice of proposals must be published in such ways and such number of times as the order making authority considers appropriate for the purpose of informing persons likely to be affected by the making of the order.

(3) Not later than the date on which a notice under this regulation has first been published, the order making authority must send a copy of the notice of proposals to each body or person whom it has consulted or is proposing to consult under regulation 7(1) or is required to consult under any of the provisions referred to in regulation 7(2).

(4) The order making authority must comply with the requirements of Schedule 2 as to the making of deposited documents available for public inspection.

(5) Deposited documents must be made so available at the times and at the places specified in the notice of proposals throughout the period beginning with the date on which the notice of proposals is first published and ending with the last day of the period of 6 weeks which begins with the date on which the order is made or the authority decides not to make the order.

Objections and representations

9.—(1) Any person may make an objection to the making of an order or other representations regarding it.

(2) Without prejudice to its right to object or make representations under paragraph (1), an authority required to be consulted under paragraph 6(3)(c) of Part II of Schedule 5 to the 1985 Act may object to the making of an order by the end of the period of 21 days beginning with the date on which the notice of proposals was sent to that authority.

(3) Objections or representations under paragraph (1) or (2) must—

(a) be made by the date specified in the notice of proposals or, if later, the end of the period of 21 days beginning with the date on which the order making authority has complied with all the requirements of regulation 8.

(b) be made in writing;

(c) state the grounds on which they are made; and

(d) be sent to the address specified in the notice of proposals.

(4) An objection under paragraph (2) must in addition state whether or not it is alleged that the order would have any direct effect on traffic on any road, other than a trunk road, in the area of the authority making the objection.

Holding a public inquiry

10.—(1) The order making authority—

(a) must cause a public inquiry to be held before making an order which falls within Category 1 or Category 2; and

(b) may cause such an inquiry to be held before making any other order.

(2) A public inquiry must be held by an inspector appointed by the order making authority and selected from a panel of persons chosen by the Secretary of State to hold such inquiries.

(3) Subject to paragraphs (5) and (6), an order falls within Category 1 if—
(a) the effect of the order is to prohibit the loading or unloading of vehicles or vehicles of any class in a road on any day of the week—
   (i) at all times;
   (ii) before 07.00 hours;
   (iii) between 10.00 and 16.00 hours; or
   (iv) after 19.00 hours; and
(b) an objection has been made to the order (other than one which the order making authority is satisfied is frivolous or irrelevant) and not withdrawn.

(4) Subject to paragraph (6), an order falls within Category 2 if—
   (a) the effect of the order is to prohibit or restrict the passage of public service vehicles along a road; and
   (b) an objection has been made to the order in accordance with regulation 9—
      (i) in the case of a road outside Greater London, by the operator of a local service the route of which includes that road; or
      (ii) in the case of a road in Greater London, by the operator of a London bus service the route of which includes that road or by Transport for London.

(5) For the purposes of paragraph (3)(a), an order is not to be taken to have the effect of prohibiting loading at any time to the extent that it—
   (a) authorises the use of part of a road as a parking place, or designates a parking place on a road, for the use of a disabled person's vehicle as defined by section 142(1) of the 1984 Act;
   (b) relates to a length of the side of a road extending 15 metres in either direction from the point where one road joins the side of another road,

unless the effect of the order taken with prohibitions already imposed is to prohibit loading and unloading by vehicles of any class at the time in question for a total distance of more than 30 metres out of 50 metres on one side of any length of road.

(6) An order does not fall within Category 1 or 2—
   (a) if it is an experimental order;
   (b) if it is made under section 84 of the 1984 Act (speed limits on roads other than restricted roads); or
   (c) to the extent that it relates to a GLA road or GLA side road.

(7) In this regulation—
   (a) "local service" has the meaning given by section 2 of the Transport Act 1985(a);
   (b) "London bus service" means a local service with one or more stopping places in Greater London which is not an excursion or tour as defined by section 137(1) of the Transport Act 1985; and
   (c) "public service vehicle" has the meaning given by section 1 of the Public Passenger Vehicles Act 1981(b).

Notice of a public inquiry

11.—(1) If the order making authority decides, before publishing a notice of proposals, that a public inquiry should be held in connection with an order, it must include in that notice a statement that an inquiry will be so held together with the particulars specified in paragraphs 5, 6 and 7 of Schedule 3.

---

(a) 1985 c. 67.
(b) 1981 c. 14; section 1 was amended by the Transport Act 1985, Schedule 8.
(2) Where the holding of a public inquiry is announced in accordance with paragraph (1) the inquiry must not begin until after the end of the period of 42 days beginning with the day on which the notice of proposals is first published.

(3) In any other case where a public inquiry is held in connection with an order, the order making authority must—

(a) publish, in such ways and such number of times as the order making authority considers appropriate for the purpose of informing persons likely to be affected by the making of the order, a notice containing the particulars specified in Schedule 3;

(b) give notice in writing containing the particulars specified in Schedule 3 to each person who has objected or made representations in accordance with regulation 8 and not withdrawn the objection or representations; and

(c) take such other steps as it may consider appropriate for ensuring that adequate publicity about the inquiry is given to persons likely to be affected by the provisions of the order to which it relates.

(4) An inquiry to which paragraph (3) applies must not begin until after the period of 22 days beginning with whichever is the later of—

(a) the last day for objecting in accordance with regulation 9; or

(b) the date on which paragraph (3) was complied with.

Procedure at a public inquiry

12.—(1) Subject to paragraphs (2) to (4), the procedure at a public inquiry is to be determined by the inspector.

(2) Any persons interested in the subject matter of a public inquiry may appear at the inquiry and may do so on their own behalf or be represented by any other person.

(3) Any person so interested may, whether or not proposing to appear at the inquiry, send written representations for the consideration of the inspector to the address given in accordance with paragraph 7 of Schedule 3 in the notice of proposals or the notice published pursuant to regulation 11(3)(a).

(4) The inspector may refuse to hear any person, or to consider any objection or representation, if the inspector considers that the views of that person or the objection or representation are irrelevant or have already been adequately stated at the inquiry.

Consent of the Secretary of State

13.—(1) Where an order is one which, by virtue of Part II of Schedule 9 to the 1984 Act, may not be made without the consent of the Secretary of State, the order making authority's application for consent must be accompanied by copies of the deposited documents and the documents referred to in paragraph (2).

(2) The documents are—

(a) a statement of the views on the order of the chief officer of police for any area in which a road or place to which the order applies is situated;

(b) a list of persons and organisations consulted under regulation 7 and a statement of any views expressed or, if no views were expressed, a statement to that effect;

(c) a statement of the publicity measures undertaken under regulation 8;

(d) copies of all objections and representations which have not been withdrawn and of any correspondence with the objectors or makers of the representations or a statement that there are no such objections or representations;

(e) if a public inquiry has been held, a copy of the inspector's report; and

(f) in a case where the order relates to a Crown road, a copy of the consent of the appropriate Crown authority and particulars of those Crown authorities whose persons and vehicles will be affected by the making of the order.
Consideration of objections, representations and inspector’s report

14. Before making an order, the order making authority must consider—
   (a) all objections and representations duly made under regulation 9 and not withdrawn; and
   (b) if a public inquiry was held, the inspector’s report and any recommendations contained in it.

Modifications

15.—(1) Subject to the provisions of this regulation, an order making authority may modify an order, whether in consequence of any objections or otherwise, before it is made.
   (2) An order making authority must not modify an order—
       (a) so as to alter the form of the order from the form in which the Secretary of State or any appropriate Crown authority has consented to its being made or the Secretary of State has, under paragraph 2 of Schedule 9 to the 1984 Act, directed that it should be made; or
       (b) so that its form would be inconsistent with a determination of the Secretary of State under paragraph 7 of Schedule 5 to the 1985 Act.
   (3) Before an order is made with modifications which appear to the order making authority or, in a consent case, to the Secretary of State to make a substantial change in the order, the order making authority must take the steps required by paragraph (4).
   (4) The steps are such steps as appear to the order making authority appropriate or (in a consent case) as the Secretary of State may require for—
       (a) informing persons likely to be affected by the modifications;
       (b) giving those persons an opportunity of making representations; and
       (c) ensuring that any such representations are duly considered by the authority and, in a consent case where the Secretary of State so requests, by the Secretary of State.
   (5) In this regulation—
       (a) "consent case" means a case where the Secretary of State's consent is required to the making of an order; and
       (b) "modifications" has—
           (i) in the case of an order made by a London authority, the meaning given by paragraph 23(2) of Schedule 9 to the 1984 Act; and
           (ii) in any other case the same meaning as in paragraph 22 of that Schedule, and "modify" is to be construed accordingly.

PART 3
MAKING AN ORDER

Preliminary

16. This Part of these Regulations has effect subject to the provisions of Part 4.

Making an order and bringing it into force

17.—(1) An order must not be made—
    (a) until after the last date by which any person may object or make representations in accordance with regulation 9;
(b) in a case where an objection has been made pursuant to regulation 9(2) or 25(2), until after the order making authority has notified the Secretary of State of its proposed exercise of power and of the objection under paragraph 7(2) of Schedule 5 to the 1985 Act and the Secretary of State has made a determination under paragraph 7(3) of that Schedule.

(2) No order may be made after the expiration of the period of two years beginning with the date on which a notice of proposals relating to the order is first published.

(3) No provision of an order may come into force before the date on which the order making authority intend to publish a notice of making with respect to the order.

**Action after making**

18.—(1) As soon as practicable after an order has been made, the order making authority must include among the deposited documents a copy of the order as actually made.

(2) Within the period of 15 days beginning with the day on which the order is made, the order making authority must —

(a) publish a notice (“a notice of making”) containing the particulars specified Parts 1 and 3 of Schedule 1; and

(b) notify the making of the order in writing to any person who has objected to or made representations on the order and not withdrawn the objection or representations and, where the objection or representations have not been wholly acceded to, include in that notification the reasons for the decision.

(3) A notice of making must be published in such ways and such number of times as the order making authority considers appropriate for the purpose of informing persons likely to be affected by the making of the order that the order has been made.

**Traffic signs**

19.—(1) Where an order relating to any road has been made, the order making authority must take such steps as are necessary to secure—

(a) before the order comes into force, the placing on or near the road of such traffic signs in such positions as the order making authority may consider requisite for securing that adequate information as to the effect of the order is made available to persons using the road;

(b) the maintenance of such signs for so long as the order remains in force; and

(c) in a case where the order revokes, amends or alters the application of a previous order, the removal or replacement of existing traffic signs as the authority may consider requisite to avoid confusion to road users by signs being left in the wrong positions.

(2) The order making authority must consult the appropriate Crown authority before carrying out the requirements of sub-paragraphs (a) and (c) of paragraph (1) in relation to a Crown road.

(3) In relation to an order which applies to a place which is not a road, paragraph (1) has effect as if—

(a) the references to a road were references to that place; and

(b) the references to traffic signs were to traffic signs or other notices conveying warnings, information, requirements, restrictions or prohibitions of any description to users of that place.

(4) This regulation is without prejudice to section 85 of the 1984 Act (traffic signs for indicating speed limits).

(5) Nothing in this regulation requires the placing of any traffic sign on or near a road, or the maintenance of such signs, in a special enforcement area in England for the purpose of providing information to road users as to the effect of section 85 or 86 of the Traffic Management Act 2004 in that area.
(6) In paragraph (5) a "special enforcement area" means an area designated as a special enforcement area by means of—

(a) an order made under paragraph 1(1) or 3(1) of Schedule 10 to the Traffic Management Act 2004; or

(b) an order which, by virtue of paragraph 1(5) or 3(5) of that Schedule, has effect as if it were an order so made.

PART 4
SPECIAL PROCEDURAL PROVISIONS FOR CERTAIN ORDERS

Making an order in part

20.—(1) Subject to the provisions of this regulation, where an order making authority has, in relation to an order, complied with regulations 7, 8 and 14, the authority may make an order giving effect to some of the proposals to which the order relates whilst deferring a decision on the remainder.

(2) Where an order has been made in part in accordance with paragraph (1), the authority may subsequently deal with the remaining proposals to which the order relates by—

(a) abandoning them; or

(b) making an order giving them effect in whole or in part.

(3) Where an order has been made under paragraph (2)(b), the authority may subsequently deal with any of the proposals not given effect under that order under either subparagraph (a) or (b) of paragraph (2).

(4) Where an order is made or proposed to be made in part by virtue of this regulation, Parts 2 and 3 apply to it as if the procedural steps previously taken under these Regulations, and any notices published or instruments prepared under them, in connection with the order as originally proposed to be made had related only to the provisions of the order as made or proposed to be made in part.

(5) Any notice or notification given under regulation 18 on the making of an order by virtue of this regulation must—

(a) indicate briefly the proposals (if any) to be given effect in the order as originally proposed which have been abandoned or in relation to which the decision of the Secretary of State has been deferred; and

(b) where the order is made by virtue of paragraph (2) or (3), give particulars of the title and date of every previous order made by virtue of this regulation in relation to the order as originally proposed.

(6) In the application of regulation 15 to an order made by virtue of paragraph (1), (2) or (3), such an order is to be regarded for the purposes of regulation 15 as an order made with modifications.

Revocation and re-enactment of an order not published on making

21.—(1) This regulation applies where—

(a) an order ("the previous order") has been made in circumstances where the order making authority is required to publish a notice of making;

(b) the authority has failed to comply with regulation 18(2) or is satisfied that it will be unable to do so; and

(c) no provision of the order has come into force.
(2) Where this regulation applies the order making authority which made the previous order may, subject to the following provisions of this regulation and the provisions of regulation 25, make—

(a) an order ("a revocation order") the sole effect of which is to revoke the previous order in whole;

(b) an order ("a replacement order") the sole effect of which is to revoke the previous order in whole and to re-enact it with a different commencement date; or

(c) in a case where a revocation order has been made in relation to the previous order, an order ("a delayed re-enactment order") the sole effect of which is to re-enact the previous order with a different commencement date.

(3) A revocation order comes into force on the day on which it is made.

(4) If, in relation to a revocation order, it is not practicable for the order making authority to comply with the requirements of regulation 17(2) within the time specified in those paragraphs but the authority complies with those requirements as soon as reasonably practicable thereafter, it is to be taken to have complied with those paragraphs.

(5) A replacement order—

(a) so far as it revokes the previous order must come into force on the day on which it is made;

(b) so far as it re-enacts the provisions of the previous order—

(i) apart from the differing commencement dates, must have the same effect as the previous order, and

(ii) must not come into force before the date allowed by regulation 17(3); and

(c) must not be made unless the requirements of these Regulations (except those of regulations 18 and 19) and of the 1984 Act had been complied with in relation to the previous order.

(6) A delayed re-enactment order must not be made more than six months after the date on which the previous order was made and sub-paragraphs (b) and (c) of paragraph (5) apply to a delayed re-enactment order as they apply to a replacement order.

(7) Regulations 7, 8 and 9 do not apply to the making of a revocation order, replacement order or delayed re-enactment order.

Consolidation and minor orders

22.—(1) In this regulation—

(a) "consolidation order" means an order which—

(i) revokes provisions of one or more existing orders;

(ii) re-enacts those provisions without any change of substance, other than changes having one or more of the effects described in Part 1 of Schedule 4, and

(iii) has no other effect;

(b) "minor order" means—

(i) an order which has one or more of the effects described in paragraphs 1 to 12 of Schedule 4 and no other effect;

(ii) an order which is made under section 61 of the 1984 Act and under no other provision; or

(iii) an order which relates solely to one or more parking places provided by means of stands or racks for bicycles pursuant to section 63 of the 1984 Act; and

(c) "publication date" in relation to an order means the date on which a notice under paragraph (4)(a) was published in respect of the order.

(2) The provisions of Parts 2 and 3 (except regulation 19 where appropriate) of these Regulations do not apply to a consolidation order or to a minor order.
(3) The order making authority must—
   (a) within the period of 15 days beginning with the day on which a consolidation order or a
       minor order is made, publish, in such ways and such number of times as the order making

       by the making of the order, a notice containing the following particulars—
       (i) the name of the order making authority;
       (ii) the title of the order;
       (iii) if the order is a minor order, a brief statement of the general nature and effect of the
            order;
       (iv) if the order is a consolidation order, a list of the orders consolidated by the order and,

       (v) a statement that documents giving more detailed particulars of the order are available

       available for public inspection at the places specified in the notice under sub-paragraph
       (a) for a period of 6 weeks beginning with the publication date.

(4) No provision of a consolidation order may come into force before the publication date.

(5) No provision of a minor order may come into force before the end of the period of 15 days
    beginning with the publication date.

(6) The provisions of this regulation are subject to those of regulation 25.

Experimental orders

23.—(1) The provisions of regulations 8 (publication of proposals) and 9 (objections) do not
    apply to an experimental order.

(2) No provision of an experimental order may come into force before the expiration of the
    period of seven days beginning with the day on which a notice of making in relation to the order
    is first published.

(3) The order making authority must comply with the requirements of Schedule 2 as to the
    making of deposited documents relating to an experimental order available for public inspection.

(4) Deposited documents must be so made available, at the times and at the places specified in
    the notice of making in relation to the experimental order, for a period beginning with the date
    on which that advertisement is first published and ending when the order ceases to have effect.

Orders giving permanent effect to experimental orders

24.—(1) This regulation applies where the sole effect of an order ("a permanent order"), which
    is not an order made under section 9 of the 1984 Act, is to reproduce and continue in force
    indefinitely the provisions of an experimental order or of more than one such order ("a relevant
    experimental order"), whether or not that order has been varied or suspended under section 10(2)
    of the 1984 Act.

(2) Regulations 7, 8 and 9 do not apply to a permanent order where the requirements specified in
    paragraph (3) have been complied with in relation to each relevant experimental order.

(3) Those requirements are that—
   (a) the notice of making contained the statements specified in Schedule 5;
   (b) deposited documents (including the documents referred to in sub-paragraphs (c) and (e))
       were kept available for inspection in accordance with Schedule 2 throughout the whole of
       the period specified in regulation 23(4);
(c) the deposited documents included a statement of the order making authority's reasons for making the experimental order;
(d) no variation or modification of the experimental order was made after the expiration of the period of 12 months beginning with the date on which the order was made; and
(e) where the experimental order has been modified in accordance with section 10(2) of the 1984 Act, a statement of the effect of each such modification has been included with the deposited documents.

(4) In the application of regulations 11, 12 and 14 and Schedule 3 to a permanent order to which regulations 7, 8 and 9 do not apply by virtue of paragraph (2)—
(a) the notices of making published in respect of each relevant experimental order are to be treated as the notice of proposals published under regulation 8(1) in respect of the permanent order;
(b) any objections or representations made, in accordance with the statement included by virtue of paragraph (3)(a), in the notice of making published in respect of a relevant experimental order are to be treated as objections or representations duly made under regulation 9 to the permanent order.

Objections to Part 4 orders under Schedule 5 to the Local Government Act 1985

25.—(1) This regulation applies where the order making authority is a metropolitan district council and another such authority ("the other authority") is required to be consulted by virtue of paragraph 6(3)(c) of Part II of Schedule 5 to the 1985 Act in connection with an order.

(2) Where, by virtue of the provisions of this Part of these Regulations, regulation 8 does not apply to an order, the order making authority must nevertheless, before making the order, send to the other authority a notice containing the particulars specified in Parts 1 and 2 of Schedule 1 and the other authority may object to the order during the period of 22 days beginning with the date on which that notice is sent.

(3) Any objection under paragraph (2) must be made in accordance with regulation 9(3) as if an objection had been made in accordance with regulation 9(2).

(2) Where a local authority proposes to give a notice of variation which would be likely to have a direct effect on traffic, or any class of traffic, on a road for which it is not the traffic authority, the local authority must, before giving the notice, send a draft of it to the traffic authority for that road.

(3) A notice of variation is to be given by publishing it in such manner as the order making authority considers appropriate for the purpose of informing persons likely to be affected by the giving of the notice at least 21 days before it is due to come into force.

(4) A notice of variation must—
(a) specify the date when it is due to come into force;
(b) identify every parking place to which the notice relates;
(c) specify in respect of each such parking place—
   (i) the charges payable for the use of the parking place at the date on which the notice is given;
(ii) the charges that will be payable when the notice comes into force.

(5) Where a notice of variation relates to an off-street parking place, the local authority must—
(a) cause a copy of the notice to be displayed in the parking place on the date on which the notice is given and take all reasonable steps to ensure that it continues to be so displayed and remains in a legible condition until the date on which it comes into force; and
(b) if it thinks fit, cause additional copies to be so displayed in the parking place and in roads giving access to the parking place.

(6) Where a notice of variation relates to an on-street parking place, the local authority must, if it thinks fit, cause copies of the notice to be displayed in prominent positions in the road in which the parking place is situated.

**EXPLANATORY NOTE**

(This note is not part of the Regulations)

These Regulations make new provision with respect to traffic orders made by local authorities under Road Traffic Regulation Act 1984 ("the 1984 Act"). They apply only to England and accordingly amend the Local Authorities' Traffic Orders (Procedure) (England and Wales) Regulations 1996 ("the 1996 Regulations") so that those Regulations no longer apply to England. These Regulations have effect to re-enact the provisions of those Regulations with amendments.

Part 1 contains preliminary provisions. Regulation 2 amends the 1996 Regulations so as to disapply them as respects England and makes transitional provision for orders in process of being made when these Regulations come into force. Regulation 3 relates to interpretation, regulation 4 specifies the orders to which the Regulations apply and regulation 5 makes provision for orders and other documents to include maps or to refer to maps.

The procedures to be gone through before the making of an order are set out in Part 2 which has effect subject to the provisions of Part 4 (regulation 6). Regulation 7 imposes a duty on order making authorities to conduct consultations before making an order, whilst giving authorities a discretion as to whom to consult. Regulation 8 requires the publication of order making proposals but does not specify the manner of publication and regulation 9 provides for the making of objections and representations regarding the making of an order. Regulations 10, 11 and 12 relate to public inquiries into orders. Regulation 10 confers a power on order making authorities to hold public inquiries into orders and to appoint inspectors and specifies the cases where an inquiry must be held. Regulation 11 imposes requirements regarding the giving of notice of an inquiry and regulation 12 is concerned with the procedure at an inquiry.

Regulations 13 to 15 deal with 3 matters arising immediately preparatory to the making of an order. Regulation 13 specifies the documents which must accompany an application for the Secretary of State’s consent, regulation 14 requires the order making authority to consider all

(a) S.I. 1986/1078, to which there are amendments not relevant to these Regulations.
unwithdrawn objections and representations and the inspector’s report (if any) before making an order and regulation 15 defines the scope of an order making authority’s power to modify an order before it is made.

Part 3 which is subject to the provisions of Part 4 (see regulation 16) is about the making of an order. Regulation 17 imposes limitations on the time at which an order may be made or its provisions brought into force. Regulation 18 specifies action to be taken after the making of an order including publication of a notice of making and regulation 19 imposes a duty on the order making authority to secure the placing of appropriate traffic signs to indicate the effect of an order.

Part 4 modifies the foregoing procedural requirements with respect to certain types of order. Regulation 20 enables orders to be made in part. Regulation 21 concerns the case where an order has been made and the order making authority has not or is unable to give a notice of making in accordance with regulation 18. Regulation 22 applies to consolidation and, by reference to Schedule 4, minor orders from which it disapplies the provisions of Parts 2 and 3, except regulation 19 where appropriate. The provisions of regulations 8 and 9 are disapplied with respect to experimental orders by regulation 23 and special provision is made by regulation 24 with regard to “permanent orders” designed to give permanent to experimental orders. Regulation 25 concerns the making of objections under the Local Government Act 1985 to the orders of metropolitan district councils by other authorities.

Schedule 1 lists the particulars to be included in notices under various regulations and Schedule 2 specifies the documents to be included in the “deposited documents” to be kept available for public inspection under various regulations. The particulars to be included in a notice of a public inquiry are specified in Schedule 3 and Schedule 4 list the possible effects of a “minor order”. The statements for inclusion in a notice of the making of an experimental order are listed in Schedule 5.
