Subject: Open consultation Pub companies and tenants consultation

Dear Sir or Madam,
I am very concerned at the negative effect the closure of pubs is having on our local area. The pub has traditionally been one of the community hubs within British society and I welcome this consultation exercise. My view is that Option 3 outlined in the consultation document would be the best option for both pub tenants and the community.

Regards,
Harry Howard
Halton Castle Ward Councillor

Councillor Surgeries:
