Subject: In favour of Option 3

Dear Sirs,

Please would you register my support for option 3 in your consultation regarding the future and viability of our communities local Public House establishments. Option 3 giving a Mandatory free of tie option with open Market Rent I believe would really give the Licenced Victuallers proffesion the opportunity to reverse the recent worrying pressure to close our much loved local public Houses.

Kind Regards

Cllr.Tom Maddison. Dartford B C & KCC Member for Dartford N E.
