- work permit holder
- highly skilled migrant (of either kind)
- Tier 1 (General) migrant

- Tier 2 migrant.

For applications made in person at a public enquiry office, the total fee includes a £100 appointment fee, which may be retained should the applicant fail to attend their appointment without good reason.

Please note the following:

- **Please note that when making large or multiple payments using your credit card, the anti fraud measures that banks operate sometimes stop the full payment being taken. This is because either the maximum limit on a single transaction, or the number of transactions allowed in a given period of time, has been exceeded. To prevent this you must ensure that you inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application.**
- **If you do not pay the specified fee, the application will be invalid and will be returned to you.**

- We will not refund the fee if we refuse the application or if you withdraw it.

For information about methods of payment, please see the payment details guidance on page 2 of the form.

For more information about the current fees, please go to our website.

5 WHEN TO APPLY

You and any dependants applying with you should apply before the end of your/their permitted stay in the UK.

There is a qualifying period to complete in most of the categories on this form. It runs either from

- the date on which you entered the UK with a visa in the relevant category; or, if you did not enter the UK with such a visa, from
- the date on which you were first granted permission to remain in the UK in the relevant category.

If you entered the UK with a visa several weeks or more after the date from which it was valid for use, you may need to apply for an extension of stay to complete the relevant qualifying period.

Please do not apply more than 28 days before completing the qualifying period. If you apply earlier than that, your application may be refused. If that happens, we will not refund the fee and you will have to pay again when reapplying.

The qualifying periods are as follows:

5 years In the work permit holder, employment not requiring a work permit, businessperson, innovator, investor, self-employed lawyer, writer, composer or artist, UK ancestry, Tier 1 and Tier 2 categories or routes.

3 years in the Tier 1 (Entrepreneur) - accelerated route. Applicants must ensure that they qualify for the accelerated route before submitting an application for indefinite leave to remain on that basis.

2 or 3 years in the Tier 1 (Investor) - accelerated route, depending on the level of investment in the UK. Applicants must ensure that they qualify for the relevant accelerated route before submitting an application for indefinite leave to remain on that basis.

5 years or 4 years in the highly skilled migrant category. The 4-year qualifying period applies only to applications made under the terms of the HSMP indefinite leave to remain judicial review policy document. Those terms apply only if you applied

successfully under the highly skilled migrant programme (HSMP) before 3 April 2006. All other highly skilled migrant applications are subject to the 5-year period.

There is no qualifying period in the bereaved partner category.

6 MAKING SURE YOUR APPLICATION IS VALID

Paragraphs 34-34I of the Immigration Rules specify certain requirements with which an application on a form specified for the purpose of the Rules must comply. To make a valid application, you must:

- apply on the current version of form SET(O)
- pay the specified fee by one of the methods specified in the payment guidance.
- provide photographs of yourself and any dependants who are applying with you as specified in the application form
- complete section 7 (Personal History) as required
- sign the declaration in section 13.
- send the application by prepaid post or, permitted, by courier to UK Border Agency, or make it in person at a Public Enquiry Office if the premium service is available.

If you fail to do any of these things, your application will be invalid and we will return it to you. This could result in the loss of appeal rights if your permitted stay has run out by the time you make a valid application.

7 ENSURING YOUR APPLICATION IS COMPLETE

You do this by completing every relevant section of the form as required and providing all the documents specified for your particular application, including your passport and those of any dependants applying with you. If you do not do this, we reserve the right to decide your application on the basis of the information and documents provided.

It is important, therefore, to provide an explanation if you cannot give us all relevant information or documents when making your application.

8 COMPLETING THE FORM

Please use a black pen to complete the form; write names, addresses and similar details in

capital letters.

In the payment details and other sections where you give personal details and addresses, leave an empty box between each part of the name and of the address.

Please note that we always use the personal details in an applicant's passport or travel document for official purposes, including any residence permit if the application is granted.

Take care to complete all sections as required, including the Personal History section. Follow the guidance on page 2 of the form when completing the payment details. Read the notes in various sections of the form.

As already emphasised in part 7 of these notes, you must enclose a letter of explanation if you are unable to provide all the required information or any relevant specified documents.

9 PHOTOGRAPHS

For your application to be valid, it is mandatory to provide the following photographs:

- *Two identical passport-size photographs of yourself with your full name written on the back of each one.*
- *Two identical passport-size photographs of any dependants applying with you with their full name written on the back of each one.*

The photographs you provide must also comply with the format requirements specified in the separate UKBA photograph guidance.

Please ensure that you place the photographs in a small sealed envelope and attach it to section 1 of the form as instructed there - and without any staples, clips, pins or anything else which could mark or damage the photographs.

10 DOCUMENTS

Documents provided with the application must be originals. All supporting evidence must be in the form of original documents. In addition you should provide photocopies of each of these documents including any pages of your passport(s) that contain personal details, visas or immigration stamps (foreign or UK). These do not have to be notarised by a solicitor or legal representative. If you are unable to provide the original document, we may accept a copy certified by the body or authority which issued the original (for example, a copy of a savings book certified by the build-

ing society or bank), or by a notary. The reasons for not being able to provide the original document must be explained in a covering letter. We are unlikely to grant your application without the original document. Any documents which are not in English must be accompanied by a reliable English translation. Make sure passports or travel documents are signed.

From 31 October 2011 the Immigration Rules have been amended: Tier 2 (General), Tier 2 (Intra Company Transfer) and Work Permit holders applying for settlement must provide specified documentary evidence in order to demonstrate that they are being paid at or above the appropriate rate for settlement applications. The documents you must provide with your application are either: a payslip and a personal bank or building society statement, or a payslip and a building society pass book.

Payslip: This must be the most recent payslip. It must be dated no earlier than one calendar month before the date of the application. It should either be an original payslip or on company-headed paper. If the payslip is not on headed paper or is a printout of an online payslip, you must provide a letter from your sponsor, confirming the payslip is authentic. The letter from the sponsor must be on company headed paper, and must be signed by a senior official.

Personal bank or building society statement: This must be the most recent statement dated no earlier than one calendar month before the date of the application. The statement must clearly show your: name; account number; the date of the statement; the financial institution's name and logo; and transactions by the sponsor covering the period no earlier than one calendar month before the date of the application.

We can also accept as evidence:

A bank or building society statement printed on the bank's or building society's letterhead, but this excludes mini-statements from automatic teller machines (ATMs);

An electronic bank or building society statement from an online account, but it must contain all of the details listed above. You must also provide either: a supporting letter from their bank or building society, on company headed paper, confirming the statement provided is authentic, or an electronic bank or building society statement bearing the official stamp of the bank or building society on every page;

A building society pass book: This can be

accepted instead of a bank or building society statement. It must clearly show your: name; account number; financial institution's name and logo; and transactions by the sponsor covering the period no earlier than one calendar month before the date of the application. You may submit a photocopy of the pass book which has been certified by the issuing building society on company headed paper, confirming the statement provided is authentic.

New instruction regarding evidence of absences:

From 13th December 2012 applicants in qualifying employment categories for ILR are required to submit documentary evidence of all absences from the UK, as specified in Section 6.3 of the form, and caseworker guidance

23 BIOMETRIC RESIDENCE PERMITS

What is a Biometric Residence Permit?

1. The Biometric Residence Permit is a residence permit which holds a migrant's biographic details (name, date and place of birth) and biometric features (facial image and fingerprints), and shows his/her immigration status and entitlements while he/she remains in the UK.

2. It replaces the vignette (or sticker) and ink stamps previously placed in the passports of those granted permission to remain in the UK. If a migrant is issued with a Biometric Residence Permit, he/she will receive a leaflet giving more information about it and explaining any obligations.

Biometric Enrolment Fee

3. As part of your application you are required to enrol your biometric information. You will be charged an additional handling fee for this service, payable to the Post Office Ltd. You must pay the fee by cash or debit card when you attend Post Office Ltd to enrol your biometrics. Each dependant included on your application must also pay this fee when they enrol their biometric information. **Do not send the biometric enrolment fee with your application fee.**

Applicants on some immigration routes are exempt from paying an enrolment fee at the Post Office Ltd. If you are in one of these categories you will be informed of this when we send you a biometric notification letter.

Your application may be rejected as invalid if you do not enrol your biometrics when requested. For more information about enrolling biometrics and the current fee, please visit the following section of our website:

<http://www.ukba.homeoffice.gov.uk/aboutus/contact/enrol-biometric/>

What are biometric features?

4. Biometrics features are the unique physical characteristics that can be used to identify a person such as a facial image and fingerprints. We do this by taking a digital photograph of all applicants and scanning the fingerprints of applicants

aged 6 or over.

Requirement to apply for a Biometric Residence Permit

5. You must apply for a Biometric Residence Permit if you make an application:

- (a) for limited leave to remain for a period which, together with any preceding period of leave to enter or remain, exceeds a cumulative total of 6 months leave in the United Kingdom;
- (b) for indefinite leave to remain;
- (c) to replace a stamp, sticker or other attachment in a passport or other document which indicated that he had been granted limited or indefinite leave to enter or remain in the United Kingdom;
- (d) to replace a letter which indicated that he had been granted limited or indefinite leave to enter or remain in the United Kingdom;
- (e) to be recognised as a refugee or a person in need of humanitarian protection;
- (f) to be recognised as a stateless person in accordance with Article 1 of the Stateless Convention;
- (g) for a Convention Travel Document, Stateless Person's Travel Document or a Certificate of Travel Document and does not already hold a valid Biometric Residence Permit; or
- (h) as the dependant of a person who is making an application in accordance with sub-paragraph (a), (b), (e) or (f).

6. You do not need to apply for a Biometric Residence Permit if you are applying for leave as an Olympic or Paralympic Games Family Member Visitor or an Olympic or Paralympic Games Family Member Child Visitor (paragraphs 56R and 56U of the immigration rules).

Transitional Arrangements

7. If you were not required to apply for a Biometric Residence Permit at the time of your application and you are notified before 1st December 2012 that you will be granted limited leave to remain or indefinite leave to remain, you will receive a UK Residence Permit.

8. If you were not required to apply for a Biometric Residence Permit at the time of your application but you are notified on or after 1st December 2012 that you will be granted

- (i) limited leave to remain for a period which, together with any preceding period of leave to

enter or remain, exceeds a cumulative total of 6 months leave in the United Kingdom; or

(ii) indefinite leave to remain

you must apply for a Biometric Residence Permit and have your biometric features recorded.

Applying by post

9. If you make a postal application you will be sent a letter notifying you of the need to make arrangements for you and any dependants applying with you to have your biometric features recorded.

10. You must record your biometric features within 15 working days of the date of the letter. For the majority of applicants this will be done at a Post Office.

Post Office

11. The post office offers a walk-in service, with no need to book an appointment; however, there may be a queue for this service. The Post Office branches where the applicant can record your biometrics will be detailed on the Post Office website which will be highlighted in your Biometric Enrolment letter.

12. You must bring the back page of the letter (which includes your case reference number, full name and date of birth) when you attend the Post Office branch. If you fail to bring the back page of the letter with you the Post Office will not be able to record your biometric features.

13. You will be charged an additional handling fee payable to Post Office Ltd. Payment to Post Office Ltd can be made by cash or debit card.

Applying in person (premium service applications)

14. If you make an application in person must book an appointment in advance with one of our Public Enquiry Offices (PEOs). You can do this online at <http://www.ukba.homeoffice.gov.uk/book-appointment>.

Super premium service

16. As part of the super premium service we will visit you to record your biometric features (fingerprints and photograph):

- at a location of your choosing; and
- at a convenient time and date for you (between 09:00 and 17:00, Monday to Friday), with a minimum of 48 hours' notice following initial contact.

17. We will make a decision on the application within 24 hours of your biometric features being recorded.

18. If you want to use this service you should phone 020 8196 3893 or 020 8196 3892.

19. More information about this service, including the fee, is available on our website at <http://www.ukba.homeoffice.gov.uk/contact/super-premium/>.

Why do applicants over 5 years old have to give their fingerprints?

20. The law states that everyone over 5 years old must provide their fingerprints when applying for a Biometric Residence Permit.

Who should accompany children under the age of 16?

21. We cannot record the biometric features of children under the age of 16 unless they are accompanied by a responsible adult.

22. If any such children are applying with an applicant as his/her dependants, we would expect the applicant to be with them when their biometric features are recorded. If not, the person accompanying them must be a responsible adult aged 18 or over who is either the child's parent or guardian, or a person who for the time being takes responsibility for the child. Any such person must be named on the application form.

23. If the applicant is a single person under the age of 16, he/she must be accompanied by his/her parent, guardian or other responsible adult aged 18 or over.

24. If the person accompanying the child(ren) under 16 is not their parent or guardian, that person must bring with him/her a letter confirming that he/she is authorised to take responsibility for the child(ren) when they have their biometrics recorded.

25. At the appointment the responsible adult will also be asked to provide an acceptable form of identity, such as a passport or driving licence.

What happens when I enrol my biometric information?

26. Enrolling your biometric information is a quick and clean process. We take a digital photograph of your face, then you put your fingers on a glass screen to be scanned - there is no ink or mess.

27. We are aware of the need to protect the dignity, privacy and modesty of applicants, and there will be special arrangements for applicants where needed.

How long does it take to enrol biometrics?

28. The UK Border Agency biometric enrolment process takes 5-10 minutes. There may then be a short wait whilst data checks are made.

What about any medical or physical conditions that may require the UK Border Agency to provide the applicant with special arrangements?

29. If you and/or any dependants who are applying with you have a medical or physical condition which may require special arrangements to be made in order for your biometric features to be recorded, you must obtain a letter or other document giving the details of any such condition and enclose it with your application.

30. Appropriate documentary evidence would be a letter from a treating clinician, such as a practising doctor registered with the General Medical Council, giving details of the condition and/or special needs and explaining any arrangements that may be necessary.

What if the migrant has no fingers or hands?

31. If you are physically unable to provide fingerprints we will take a photograph of the facial image and record on the database the fact that you are physically unable to provide fingerprints.

32. You will not be able to use the biometric enrolment service at a post office branch.

Do I need to make any special preparations before my biometric features are recorded?

33. Before you attend your appointment, we recommend that you check that your hands and fingers are clean. If your hands are not clean, we may ask you to wash them before we scan your fingerprints.

34. We would advise you not to have any colouring or similar substances (such as henna) on your hands as this could prevent us from recording your fingerprints on the day of your appointment. You would then have to make a new appointment which would delay the consideration of the application.

Why do I need to give my biometrics as part of my application?

35. Providing biometrics helps to protect the identities of genuine applicants. Biometric Residence Permits make it easier for individuals to prove their identity, immigration status and entitlements in the UK. Individuals are locked into a single identity which helps the UK Border Agency tackle immigration abuse, child trafficking, illegal working and

identity fraud.

What if I fail to record my biometric features?

36. If you fail to record your biometric features or book an appointment within 15 working days from the date of the notification letter you will be sent a warning letter giving you another opportunity within a limited period. The letter will also advise that failure to record your biometric features or to book an appointment within the stated period will result in your application being rejected as invalid.

What if I do not comply with the recording process at the appointment?

37. If you do not co-operate fully with the biometric recording process, for example by attempting to obscure your fingerprints or face, you will be warned that your refusal to comply may result in your immigration application being refused on the grounds of non-compliance.

Will I be interviewed?

38. If the fingerprint check reveals any queries around your identity, these matters may be resolved through an interview. However, this will not routinely be required.

Will I be issued with a Biometric Residence Permit?

39. If the application is successful, you will not be issued with a residence permit in your passport. Instead, you will be issued with a residence permit in the form of a Biometric Residence Permit.

40. The permit will be sent to you by secure delivery.

41. If you do not receive your permit within ten working days of the date of your decision letter you should contact us on 0300 123 2412.

42. You cannot enquire about undelivered permits in person at our offices or biometric enrolment centres. This applies to both premium and postal services.

When will I get my biometric residence permit?

43. If you apply by post, we will post your permit to you by secure delivery, separately from the decision about your application and the return of your documents.

44. If you apply at a public enquiry office, we will post your permit to you by secure delivery after your appointment. Permits cannot be issued on the same day as your appointment.

45. We advise you not to book any non-urgent travel before you have received your permit.

What must I do when I receive my biometric residence permit?

46. You must check your permit carefully when you receive it, to ensure that all the details on it are correct. If you find a mistake, you must phone us on 0300 123 2412 within 10 working days of receiving the permit - otherwise you may be charged for a replacement and will need to apply again.

47. We advise you to make a photocopy of the front and back of your permit, in case it is lost or stolen. If you want to make another application in the future, you will need to send your permit to the UK Border Agency, so you may want to retain a copy for your records.

What should I do if my biometric residence permit is not delivered?

48. If you have not received your permit 10 working days after the date on your letter from us extending your permission to stay in the UK, you should phone us on 0300 123 2412. You cannot ask about undelivered permits in person at our public enquiry offices or biometric enrolment centres.

How do I use my biometric residence permit?

49. Your biometric residence permit is evidence of your permission to stay in the UK, and shows the conditions of your stay. It enables you to confirm your identity and your rights to study and/or work here, and to access public services.

50. You must show the permit to your employer or approved education provider before you start to work or study.

51. You must take your permit with you if you go abroad while you have permission to stay in the UK. You may need to show the permit to an immigration officer at the border when you leave the UK. You will also need to show it as well as your valid national passport or travel document before you begin your return journey, and again when you re-enter the UK. The permit proves that you are allowed to return to the UK, but it cannot be used instead of a passport or travel document.

What should I do if my biometric residence permit is lost or stolen?

52. If your biometric residence permit is lost or stolen, you must report the loss or theft to the UKBA Card Management Service as soon as possible by phoning 0300 123 2412 from the UK or (+44) 20 8527 3623 from abroad.

53. You must also report the loss or theft to the

police and get a police report and crime reference number as soon as possible.

54. If your permit is lost or stolen when you are in the United Kingdom you must apply for another permit within three months of reporting the loss or theft of your original permit, using form BRP(RC).

55. If your permit is lost or stolen when you are abroad you must apply for a short-term Single Entry Visa in order to travel to and re-enter the United Kingdom. You must then apply for another permit within three months of re-entering the United Kingdom, using form BRP(RC).

56. If you do not apply for a replacement permit you could be liable to a sanction, such as a Civil Penalty Notice of up to £1,000 and/or curtailment of your leave to stay in the United Kingdom.

How do I change my personal details on my biometric residence permit?

57. You must tell us as soon as you can if:

- you change your name (for example, because of marriage or by deed poll);
- you change your gender, legally or permanently;
- you change your nationality; or
- your facial appearance changes significantly.

58. If you change any personal details listed above or any details shown on your biometric residence permit, you must apply for a new permit within three months using application form BRP(RC). If you do not do this, you may have to pay a financial penalty of up to £1,000 or we may shorten your permission to stay. You can download the application form and guidance from the right side of this page.
