Reducing premature mortality in people with learning disabilities

November 2013

Government response

- Confidential Inquiry report - March 2013 (<http://www.bris.ac.uk/cipold/>)
- Government response - July 2013 (<https://www.gov.uk/government/publications/response-to-the-confidential-inquiry-into-learning-disability>)
- Response covers all recommendations in the Confidential Inquiry
- Cross-system commitment to address issues
- Action plan sets out progress since July
- More work needed over next few months

Key issues

- Mortality review process
- Improved data on learning disabilities
- Standardised mortality data
- Named care coordinators for people with complex needs and long-term conditions
- Education, training and awareness of professionals
- Focused inspection and regulation

NHS England Workshop

- Agree way forward on monitoring and reviewing deaths
- Ensure shared ownership of priorities
- Consider existing data and data gaps
- Learning disability mortality data set
- Locally managed reviews
- National coordinating, review and service improvement function
