Badger culling pilots: independent expert panel

Twelfth meeting note: 10 December 2013

Attendees: Ranald Munro (chair), Neville Gregory, Tim Roper, Tim Coulson and Peter Watson and Piran White,

Officials from Defra and Natural England were in attendance.

Key points

1. Discussion with Natural England Officials

Representatives from Natural England attended the meeting to feedback on their findings and perspectives on the cull. The panel took the opportunity to question them on items of interest.

2. Panel Report

The session in the afternoon was taken up by the IEP discussion on the structure and content of their report.

3. Timing of future meetings

The next IEP meeting was scheduled for 17 December.
