Risborough Barracks, Folkestone, Kent

JFC VISION

Joint Forces Command brings together unique military and civilian strengths to support the delivery of success on operations. We do this through people who command, understand, learn, innovate and adapt.

JFC MISSION

Command, direct and prepare assigned joint capabilities in readiness for employment by the designated Joint Force commander, and in support of Defence Outputs.

Develop joint warfare through education, assessment, operational lessons analysis, research, experimentation, concepts and doctrine to ensure the delivery of relevant, agile, balanced and coherent joint operational capability.

Co-ordinate the development of joint contingent capability and inform future joint contingent capability against Defence Strategic Guidance and Defence Board Strategic Objective 3.

Act as the unifying **Joint User** for single Service enabling capabilities in order to ensure their effective delivery as part of a balanced and coherent joint operational capability.

Inform and advise on joint operational capability in order to shape future Joint Force design.

In order to ensure the coherence of the joint force and the employment of joint enablers.

JFC SPECIFIED TASKS

Co-ordination of reporting against Defence Board Strategic Objective 3 (**Contingent Capability**).

Act as the Defence Authority for **C4ISR** and for **Cyber**.

Inform Head Office decision making on the **strategic and operational context**, and the **Joint Force capability and design** required to meet contingent and emerging threats.

Own the Defence wide **lessons process**.

Lead **capability development** for allocated capabilities.

Act as the **Joint Logistics User**.

Command the **Permanent Joint Operating Bases**.

Provide oversight and assurance of support to Defence personnel tasked overseas.

Set the high level Defence and joint requirement for **Training and Education**, in consultation with the single Services.

Manage the **Defence Exercise Programme** and **Joint Collective training** to prioritise the delivery of appropriately trained Joint forces.
