Executive Summary

General

- All data for this publication are taken from the Joint Personnel Administration (JPA) system. Due to ongoing validation of data from this system, all location data are currently provisional, out of scope of National Statistics and subject to review.
- Structural changes to local government in England were effected on 1 April 2009, whereby a number of new unitary authorities were created in parts of the country which previously operated a 'two-tier' system of counties and districts. In five counties (Cornwall, Durham, Northumberland, Shropshire and Wiltshire) the functions of the county and district councils were combined into a single authority; and in two counties (Bedfordshire and Cheshire) the powers of the county council were absorbed into a significantly reduced number of districts. This publication uses the current structure; previous publications used the old structure.
- The UK Regular strength has fallen by 1.4% from 191,320 at 1st October 2009 to 188,630 at 1st October 2010.
- The UK Regular strength stationed in the United Kingdom has fallen by 1.2% from 165,680 at 1st October 2009 to 163,660 at 1st October 2010.

Naval Service

- No major changes this quarter.

Army

- **East Riding of Yorkshire**, in Yorkshire and the Humber has seen a fall in personnel from 490 in Jul 10 to 350 in Oct 10. This is due to Soldier intake at Defence School of Transport (DST – Normandy Barracks).
- **Richmondshire**, in Yorkshire and the Humber has seen a fall in personnel from 7,050 in Jul 10 to 6,970 in Oct 10. This is due to the cyclical nature of training units at Infantry Training Centre – Catterick barracks.
- **Test Valley**, in South East has seen a rise in personnel from 840 in Jul 10 to 950 in Oct 10. This is due to the planned move of Headquarters Land Forces under project Hyperion.
- **Guildford**, in South East has seen a rise in personnel from 1,880 in Jul 10 to 2,270 in Oct 10. This is due to the cyclical nature of training units at Army Training Regiment Pirbright.
- **Greenwich and Hounslow** in Greater London have seen movement of personnel from the 2nd Battalion The Princess of Wales's Royal Regiment and the 2nd Battalion The Royal Regiment of Fusiliers. Greenwich has seen a rise in personnel from 380 in Jul 10 to 860 in Oct 10. Hounslow has seen a fall in personnel from 650 in Jul 10 to 80 in Oct 10.

Royal Air Force

- **Aylesbury Vale**, in South East saw a reduction in personnel due to the cyclical nature of training units at RAF Halton.

DASA welcome feedback on our statistical products. If you have any comments or questions about this publication or about DASA statistics in general, you can contact us as follows:

Personnel deployed on operations and temporary assignments are shown against their permanent stationed location. As such figures for locations such as North Africa / Middle East & South Atlantic exclude large numbers of personnel deployed in those locations. Due to ongoing validation of data from the new Personnel Administration System (JPA), all location data are provisional and subject to review.

Due to ongoing validation of data from the new Personnel Administration System (JPA), all location data are provisional and subject to review.

Section 7: GENERAL NOTES TO ACCOMPANY TABLES

UK Regular Forces includes all trained and untrained personnel. Gurkhas, Full Time Reserve personnel, and mobilised reservists are excluded.

Data are taken from the Joint Personnel Administration (JPA) system. Location data are based on the stationed location of the individual as recorded in the 'Assignment Location' field of the JPA system. The figures are based on Service personnel's stationed location and not their location of residence - where personnel work isn't necessarily where they live. Personnel deployed on operations to an area away from their stationed location are shown against their most recent stationed location.

UK stationed personnel with an unknown postcode, but for whom country data can be derived, are included in the total for that country. As a result, totals may not always equal the sum of the parts. Additionally, the grand total in section 1 includes centrally administered personnel and personnel with no known location.

Naval Service personnel on sea service are included against the local authority containing the home port of their ship.

Royal Air Force Other Ranks serving in the South Atlantic are shown against the location containing their home base.

Only countries with 20 or more stationed personnel are shown individually.

Due to the rounding methods used, figures may not always equal the sum of the parts. When rounding to the nearest 10, numbers ending in 5 have been rounded to the nearest 20 to prevent systematic bias.

Due to ongoing validation of data from the new Personnel Administration System (JPA), all location data are provisional and subject to review.

- denotes zero or rounded to zero.
