Armed Forces Redundancy ~Tranche 2 Applicants

Notes:

- * Applicant numbers are from Single Service Records.
- * Personal data (excluding field data and Service) has been extracted from the Joint Personnel Administration system and is therefore considered provisional and subject to review.
- * Where rounding has been used, totals and sub-totals have been rounded separately and so may not equal the sums of their rounded parts. All totals are rounded to the nearest 10.
- * When rounding to the nearest 10, numbers ending in "5" have been rounded to the nearest multiple of 20 to prevent systematic bias.
- * In cases where outputs involve detailed categories, figures have been rounded to 5 in order to prevent unnecessarily obscuring the data.
- * PSTAT Category 1 includes 1C 'Married or in a Registered Civil Partnership to Civil Servant or Individual within recognised Welfare', 1S 'Married or in a Registered Civil Partnership to Service Person who is CP, 'Civil Partnership' 5S 'Married or in a Registered Civil Partnership to Service Person who is 1S', 5C 'Married or in a Registered Civil Partnership to Civil Servant or Individual within recognized Welfare' & 5S 'Married or in a Registered Civil Partnership to a Service Person who is 1S'.

Armed Forces Redundancy ~Tranche 2 Selections

Notes:

- * Selection numbers are from Single Service Records, correct as at 22 June 2012 for the RN and RAF, and 11 July 2012 for the Army.
- * Personal data (excluding field data and Service) has been extracted from the Joint Personnel Administration system and is therefore considered provisional and subject to review.
- * Where rounding has been used, totals and sub-totals have been rounded separately and so may not equal the sums of their rounded parts. All totals are rounded to the nearest 10.
- * When rounding to the nearest 10, numbers ending in "5" have been rounded to the nearest multiple of 20 to prevent systematic bias.
- * In cases where outputs involve detailed categories, figures have been rounded to 5 in order to prevent unnecessarily obscuring the data.
- * PSTAT Category 1 includes 1C 'Married or in a Registered Civil Partnership to Civil Servant or Individual within recognised Welfare', 1S 'Married or in a Registered Civil Partnership to Service Person who is CP, 'Civil Partnership' 5S 'Married or in a Registered Civil Partnership to Service Person who is 1S', 5C 'Married or in a Registered Civil Partnership to Civil Servant or Individual within recognised Welfare' & 5S 'Married or in a Reg to a Service Person who is 1S'.
