Dear [redacted]

REQUEST FOR INFORMATION: MEETINGS BETWEEN RICHARD BENYON AND THE SEAFISH INDUSTRY AUTHORITY TO DISCUSS MCZs

Thank you for your request for information about how many times the Fisheries Ministers Richard Benyon met with representatives of the Seafish Industry Authority to discuss Marine Conservation Zones (MCZs) since July 2012, which we received on 26 Feb 2014. As you know, we have handled your request under the Environmental Information Regulations 2004 (EIRs).

The EIRs apply to requests for environmental information, which is a broad category of information defined in regulation 2 of the EIRs. Public authorities are required to handle requests for environmental information under the EIRs. They give similar access rights to the Freedom of Information Act 2000 (FOIA).

I enclose the information you requested:

Richard Benyon has not met with representatives from Seafish Industry Authority to discuss MCZs since July 2012. However, MCZs may have been discussed informally during the margins of other meetings between the Minister and Seafish representatives or at general MCZ stakeholder events. We have no records of any such discussions.

In keeping with the spirit and effect of the EIRs, and in keeping with the government's Transparency Agenda, all information is assumed to be releasable to the public unless exempt. Therefore, the information released to you will now be published on www.gov.uk together with any related information that will provide a key to its wider context. Please note that this will not include your personal data.

I attach Annex A, which explains the copyright that applies to the information being released to you.

I also attach Annex B giving contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact me.

Yours
