

A fair playing field for the benefit of NHS patients

March 2013

Bibliography

Bibliography

Format:

The bibliography is broken down into each area of the report. References are provided in the following sections:

- Participation
- Cost
- Flexibility
- Other – covering the methodology and modelling annexes

Where references appear in more than one section they are repeated in the each relevant area of the bibliography.

Within each section the references are broken down into four areas:

- Legislation
- Reports and guidance from Government
- Academic and grey literature
- News and commentary
