Completing the payment details page

To ensure that your payment is processed without any delay, please note the points below when completing the payment details.

¹ Please note that when making large or multiple payments using your credit card, the anti-fraud measures that banks operate sometimes stop the full payment being taken. This can happen for a number of reasons. To prevent this you may inform your bank of your intention to make large or multiple payments in advance so that your bank allows the full payment to be taken when you submit your application. Please be aware that not all banks offer this service.

1-2 The address at 1 should be the contact address in the UK for any correspondence. If it is not your home address (eg a solicitor or other authorised immigration adviser may be submitting the application), give the contact name at 2.

3 This should be the full name of the main applicant as given in his or her passport or travel document.

4 Date of birth - for example, 3 January 1980 should be written 03 01 1980 in the spaces provided.

5 If you do not select a fee then we cannot take a payment and your application will be rejected as invalid.

8-12 Complete only if paying by card. If you do not provide the CVV number, we cannot take the payment and your application will be rejected as invalid.
