14th June 2013

Dear Sir/Madam

As a tenant of Enterprise Inns I am writing to express my support of the pub tie model. Whilst I believe that the system is not perfect and that some rents (including my own) are higher than they should be and may need to be reviewed, the benefits far outweigh the negatives as the pub tie model allows people who would not otherwise be able to afford to (like myself) , to buy into the pub trade. This is essential in order to continue the tradition of small family run pubs which I'm sure under the current economic climate would gradually disappear as so many independent pubs already have in recent years.

Regards
