#### 1. INTRODUCTION

This quick start guide is for the benefit of parties interested in submitting Expressions of Interest (EOI) for support from the Estate Regeneration Programme. It explains how to bid and what is required at this stage.

It should be read in conjunction with the prospectus and the full guidance document which sets out more detail on the bidding process and timetable. These can be found via searching for 'Estate Regeneration Programme' on <u>www.gov.uk</u>

You are reminded that your EOI must be submitted by **noon on 12 September 2014.** 

If you have any queries or would like to register an interest in this programme, you should contact us at <u>EstateRegeneration@hca.gsi.gov.uk</u>

To discuss London bids please contact the GLA on estateregeneration@london.gov.uk

#### 2. HOW TO BID

Bids should be submitted via the online form which is available through the HCA Partner Portal. The first thing that you need to do is to set-up an account, unless of course you have one already. This is easy and will take a couple of minutes.

#### 3. REGISTRATION AND CREATING AN ACCOUNT

There are six simple steps involved in creating an account:

- 1. Open the HCA Partner Portal by clicking on the following link: <u>https://partners.hca-online.org.uk/</u>
- 2. Once the home page is open, click on Register (top right corner). If you click on the Estate Regeneration Programme link you will be directed to register before accessing the screen.
- 3. Complete the registration fields and then click on the Register button to create a new account.
- When creating a password it will need to include one non-alphanumeric symbol, e.g.
  #
- 5. You will then receive a confirmation email which will require you to click on the validation link in the email to activate the account.
- 6. Once you have done this you will be redirected back to the <u>website</u> so that you can login.

### 4. BEFORE YOU BEGIN

It is recommended, before you begin to fill in your on-line bid, that you have completed your Investment Proposal. **Details on the on-line form must be consistent with those in your Investment Proposal document.** You will need to have all supporting documentation ready to attach to your bid before submission.

#### 5. CREATING AN EXPRESSION OF INTEREST

Once logged in you will be taken back to the home page. You should then click on Funding and other support packages and a number of options will appear. You should click on Estate Regeneration Programme to create your EOI.

From this screen, you can create a new application (or view and edit your exisiting applications before submission). You can save and edit your application at any time up to the point of submission.

To create a new Eol, click on Create Bid. This will give you the opportunity to select a previously saved form to base your bid on or open a blank one. Select a saved bid from the list or leave the box blank to access the Online Form.
