This must be the appropriate name as set out in Practice Guide 63 – <i>Land Charges – Applications for registration, official search, office copy and cancellation</i> . In London, enter “Greater London” as the county name and the London Borough as that of the district.   |
| Short description                             | 5. A short description, identifying the land as far as may be practicable, should be furnished.   |
| Estate owner                                  | 6. However, in a case of extreme urgency where it is not practicable for the applicant first to ascertain whether or not the land is registered, the Department will accept an application with the certificate deleted provided that it is accompanied by a letter to the following effect. The letter must certify that the applicant has applied for an official search of the index map at the appropriate Land Registry office. It must also contain an undertaking that he will apply to cancel this registration if he discovers from the result of search that the title to the land is registered. |
