Question 1

Do you agree that by creating a more delivery-focused organisation at arms length from Government, Land Registry will be able to carry out its operations more efficiently and effectively for its customers?

☐ Yes

☒ No

☐ Not sure

Comments:

It seems unlikely given the experience of other semi privatised bodies.

Question 2

Do you agree that the OCLR should retain exclusive responsibility for the functions set out in paragraph 49?

☒ Yes

☐ No

☐ Not sure

Comments:

Question 3

Are there additional functions that should be retained in the OCLR? Please explain what and why.

Comments:

In general it should retain all functions. The proposal to split functions is not welcome

Question 4

What are your views in respect of the proposals for shared functions set out in paragraphs 50-51?

Comments:

see above

Question 5

What are your views on the proposed approach to service delivery company functions in paragraph 52?

Comments:

see above.

Question 6

Do you agree that the overall design provides the right checks and balances to protect the integrity of the Register and safeguard the provision of indemnities and state title guarantee? If not, please state your reasons why not.

☐ Yes

☒ No

☐ Not sure

Comments:

Will service company employees be subject to the Official Secrets Act? Will there be sufficient safeguards to protect confidentiality and avoid yet more fraud?

Question 7

Would you be comfortable with non-civil servants processing land registration information provided they do so within the framework set out by the OCLR through the service contract? If not, please explain your reasons why not.

☐ Yes

☒ No

☐ Not sure

Comments:

See above.

Question 8

Are there any situations, other than those set out in this consultation, in which you would want to see an escalation process to the OCLR? Please explain what and why.

Comments:

Question 9

Do you agree with the proposed approach for handling complaints, as set out in paragraph 56? If not, please explain your reasons why not.

☐ Yes

☒ No

☐ Not sure

Comments:

The split in functions is adding unnecessarily
the complications

Question 10

Do you agree with the escalation process set out for objections in paragraph 56? If not, please state your reasons why not.

☐ Yes

☐ No

☐ Not sure

Comments:

see above.

Question 11

Do you think the Rule Committee should include a representative from the service delivery company? Please explain why or why not.

☐ Yes

☒ No

☐ Not sure

Comments:

Keep it at arms length.

Question 12

The Data Protection Act will protect personal data that is provided to the service delivery company. Would you like to see any protections beyond this, and if so please explain what and why?

☒ Yes

☐ No

☐ Not sure

Comments:

The Register should once again be made private without public access.

Question 13

What are your views on the proposed system for safeguarding customer service issues and the continued role of the Independent Complaints Reviewer?

Comments:

Question 14

Do you think there is a difference between the opportunities and risks depending on whether operational control over the service delivery company is entrusted to Government or a private sector company? If yes, what?

☐ Yes

☐ No

☐ Not sure

Comments:

Question 15

Do you think there is a difference between the opportunities or risks depending on whether the service delivery company is owned by the Government or a private sector company or both? If yes, please explain your reasons.

☐ Yes

☐ No

☐ Not sure

Comments:

Question 16

What do you think are the constraints and dependencies for Land Registry's successful delivery of the business strategy?

Comments:

Question 17

Do you have any other comments on the proposals contained in this consultation?

Comments:

Is there any evidence at all that the proposals will do more than (supposedly) save money? Privatization has not had a very good record in this field (eg. 954).

Question 18

Do you have any other comments that might aid the consultation process as a whole? Please use this space for any general comments you may have. Comments on the layout of this consultation would also be welcome.

Comments

Is there any evidence at all that digitalisation helps in the process of Land Registration. In our experience, no. (eg. electronic discharge very slow)

Thank you for your views on this consultation. We do not intend to acknowledge receipt of individual responses unless you tick the box below.
