Re: Freedom of Information Request

Thank you for your email of 3 July in which you requested the following:

"I would like to request correspondence and records of meetings involving Cluff Natural Resources since July 2012, particularly surrounding a meeting between the company Michael Fallon in November 2013. Please justify any exemptions with reference to the Freedom of Information Act."

Under the Freedom of Information Act 2000 ('the Act'), you have the right to:

- know whether we hold the information you require
- be provided with that information (subject to any exemptions under the Act which may apply).

I have carried out a search of our electronic and paper records and I have established that the Department does not hold any information within scope of your request.

Appeals procedure

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within
