**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE ASSOCIATION OF PRINCIPAL
FIRE OFFICERS**

We have audited the financial statements of The Association of Principal Fire Officers for the year ended 31 December 2013 which comprise the Income and Expenditure Account, Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Association's members, as a body, in accordance with regulations made under the Trade Union and Labour Relations (Consolidation) Act 1992 (as amended by the Employment Relations Act 2004). Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

RESPECTIVE RESPONSIBILITIES OF THE MEMBERS OF THE COUNCIL AND THE AUDITORS

As explained more fully in the Council's report on page 4 the Vice Chair is responsible for the preparation of financial statements which give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 (as amended). We also report to you if, in our opinion, the Council's Report is not consistent with the financial statements, if the Association has not kept proper accounting records, if a satisfactory system of internal control over transactions has not been maintained, if the financial statements do not agree with the accounting records or if we have not received all the information and explanations we require for our audit.

We read the Council's Report and consider the implications for our report if we become aware of any apparent misstatements within it.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the credit union's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**THE ASSOCIATION OF PRINCIPAL FIRE OFFICERS
YEAR ENDED 31 DECEMBER 2013**

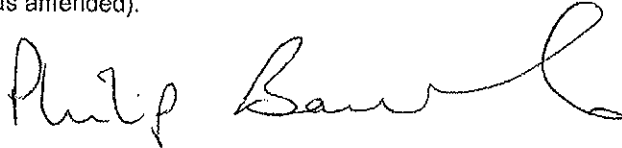

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE ASSOCIATION OF PRINCIPAL
FIRE OFFICERS (Continued)**

OPINION

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 December 2013 and of its surplus for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities and the Trade Union and Labour Relations (Consolidation) Act 1992 (as amended).
