NOTES TO THE ACCOUNTS

(see notes 72 and 73)

All notes to the accounts must be entered on or attached to this part of the return.

A large, empty rectangular box with a black border, intended for the user to enter notes to the accounts. The box occupies most of the page below the instructions.

1. ACCOUNTING POLICIES

a) Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

b) Turnover - membership subscriptions

An annual subscription is paid by members each year to The Society of Radiographers, which provides the benefits arising from both The Society and The College of Radiographers and is accounted for on a receivable basis. A contribution of £1,630,000 (2012: £1,520,000) representing 31.9% (2012: 30.8%) of the subscription income, has been made to the College during the year.

c) Depreciation

Depreciation is provided on the straight line basis as follows:-

Office furniture and equipment	over ten years
Computer equipment, software and website development	over four years

d) Expenditure

All expenditure is accounted for on an accruals basis and includes VAT under partial exemption rules.

e) Pension costs

The Society operates a defined benefit pension scheme in conjunction with The College of Radiographers for the benefit of its employees. The current service cost, calculated in accordance with the requirements of FRS17, is charged to the income and expenditure account each year. Pension cost is assessed in accordance with the advice of a qualified actuary. Actuarial gains and losses arising are recognised within the gains and losses categories of the income and expenditure account under the heading "Pension scheme actuarial gain/(loss)".

f) Absence of consolidated financial statements

The Society has not prepared consolidated financial statements since it is not required to do so as it qualifies as a small parent company of a small group. The financial statements of the subsidiary undertaking are not included with these financial statements.

g) Cash flow statement

The Society qualifies as a small entity under Financial Reporting Standard No 1 (revised 1996) and is not required to prepare a summary of cash flow.

h) Fixed Asset Investments

Listed investments are stated at market value. Realised gains and losses on investments are calculated as the difference between sale proceeds and their holding values at the start of the period. Unrealised gains and losses are calculated from the movement in market values between the start and end of the financial year. Both realised and unrealised gains are credited or charged to the income and expenditure account in the period of gains or losses.

i) Going Concern

The financial statements have been prepared in accordance with applicable United Kingdom law and accounting standards. The financial statements have been prepared on a going-concern basis as discussed in report of Council on page 6.

2. MEMBERS' GUARANTEE

The Society is a company limited by guarantee. In the event of a winding up, the liability of each member would not exceed £1.

Until 30 June 2013 Jacqueline Hughes was President of the Society and College. Compensation to her employer of £10,000 was agreed and has been charged to the Society of Radiographers in the year to 30 September 2013. From 1 July 2013 Pamela Black became President. Compensation to her employer has not yet been agreed and so no charge has been made in the year to 30 September 2013.

5. ACCOUNTING FOR RETIREMENT BENEFITS

The Society operates a defined benefit scheme in the UK which also includes employees from the College of Radiographers. The liabilities in respect of deferred members and pensioners are split equally between the Society and College. The liabilities in respect of active members are split in accordance with information supplied by the trustees. The value of the assets is split in proportion to the value of the liabilities. This is consistent with the approach adopted in previous years. A full actuarial valuation was carried out at 1 July 2010 and updated to 30 September 2013 by a qualified actuary, independent of the scheme's sponsoring employer. The major assumptions used by the actuary are shown below.

The company currently pays contributions at the rate of 15.6% of pensionable pay. Member contributions are payable in addition at the rate of 7.8% of pensionable pay.

The allocation of assets and liabilities between the Society and College changes each year as a result of members joining the scheme and adjustments to the allocation of staff salaries between the two companies. The effect of these changes is shown below within the reconciliation of scheme assets and liabilities.

THE SOCIETY OF RADIOGRAPHERS LIMITED
NOTES TO THE ACCOUNTS
YEAR ENDED 30 SEPTEMBER 2013

5. ACCOUNTING FOR RETIREMENT BENEFITS (CONTINUED)

Increases to pensions in deferment and in payment are linked to the change in the Consumer Price Index. Prior to 2011, increases were linked to the Retail Prices Index. The impact of this change was reflected in the statement of total recognised gains and losses in the year to 30 September 2011, specifically as part of the effects of changes in the demographic and financial assumptions underlying the present value of scheme liabilities. A total gain of £413,000 (for the scheme as a whole) was recognised to reflect the anticipated reduction in future pension increases.

Present values of scheme liabilities, fair value of assets and surplus/ (deficit)

	30/09/13 £'000s	30/09/12 £'000s	30/09/11 £'000s
Fair value of scheme assets	6,848	5,777	5,155
Present value of scheme liabilities	6,946	5,746	4,946
(Deficit)/surplus in scheme	(98)	31	209

As all actuarial gains and assets are recognised, the surplus or deficit shown above is that recognised in the balance sheet.

The Society's share of the above figures is as follows:

	30/09/13 £'000s	30/09/12 £'000s	30/09/11 £'000s
Fair value of scheme assets	4,575	3,859	3,444

AUDITORS REPORT TO THE MEMBERS OF THE SOCIETY OF RADIOGRAPHERS

We have audited the financial statements on pages 3 to 19 which have been prepared under the accounting policies set out on page 19.

This report is made solely to the Society's members, as a body. Our audit work has been undertaken so that we might state to the Society's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Society and the Society's members as a body, for our audit work, for this report, or for the opinion we have formed.

Respective responsibilities of Officers and Auditors for the Financial Statements

The Trade Union and Labour Relations (Consolidation) Act 1992 and the Trade Union Reform and Employment Rights Act 1993 require the officers of The Society of Radiographers to: keep proper accounting records which give a true and fair view of the state of affairs of The Society of Radiographers and explain its transactions; establish and maintain a satisfactory system of control of the accounting records, cash holdings and all the receipts and remittances; prepare an annual return for the Certification Officer giving a true and fair view of the revenue account and balance sheet and provide members of The Society of Radiographers with a statement of income and expenditure for the period.

It is our responsibility to form an independent opinion, based on our audit, on those financial statements and to report our opinion to you.

Basis of Opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the officers in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Union's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material mis-statement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of the information in the financial statements.

Unqualified Opinion

In our opinion the financial statements give a true and fair view of the state of the Society's affairs as at 30 September 2013 and of its transactions for the year then ended.
